INNOD 1

INNOD Rattan Wall Cabinet with Adjustable Shelf - Model 1 Instruction Manual

Brand: INNOD | Model: 1

1. Introduction

This manual provides comprehensive instructions for the assembly, installation, operation, and maintenance of your INNOD Rattan Wall Cabinet, Model 1. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

Safety Warning:

Wall-mount cabinets require careful installation. Ensure the wall can support the weight of the cabinet and its contents. Follow proper mounting techniques to prevent injuries. Always use appropriate safety gear when handling and installing the cabinet.

2. Product Features

The INNOD Rattan Wall Cabinet is designed for versatile storage and aesthetic appeal. Key features include:

- **Modern Elegant Design:** Features a stylish linen finish for breathability and odor prevention.
- **Multi-functional Use:** Suitable for bathrooms, kitchens, laundry rooms, and living rooms.
- **Adjustable Shelf:** Includes an internal shelf with three height levels for flexible storage.
- **Flexible Installation:** Can be wall-mounted, placed above a toilet, or used on a countertop.
- **Magnetic Closure:** Cabinet doors feature magnetic closures for secure and easy access.
- **Durable Metal Handles:** Modern design handles provide a comfortable grip.

3. Package Contents

Before assembly, verify that all parts and hardware are present and undamaged. Refer to the included assembly guide for a complete list of components. All parts and accessories are numbered for easy identification.

If any parts are missing or damaged, please contact customer support immediately.

4. Setup: Assembly and Installation

4.1. Assembly Instructions

The cabinet requires assembly. A detailed instruction manual with step-by-step illustrations is included in the package. Follow these instructions carefully. All parts are labeled to facilitate the assembly process.

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Identify each part using the provided labels and the assembly diagram.

3. Follow the sequential steps in the assembly guide to connect the panels, install the adjustable shelf supports, and attach the doors.
4. Ensure all screws and fasteners are tightened securely, but do not overtighten.

4.2. Installation (Wall Mounting)

This cabinet is designed for wall-mounting. Proper installation is crucial for safety and stability. The cabinet uses a French cleat system for mounting.

Image 4.1: Product dimensions for planning installation space. The cabinet measures approximately 24" W x 8" D x 25" H.

1. **Choose Location:** Select a wall location that can support the cabinet's weight. Consider stud locations for maximum security.
2. **Marking:** Use a level to mark the desired height and position for the French cleat on the wall.
3. **Drilling:** Drill pilot holes at the marked locations. If mounting into drywall without studs, use appropriate heavy-duty

drywall anchors (the included plastic anchors may not be sufficient for all wall types or loads).

4. **Attach Cleat:** Securely attach the French cleat to the wall using screws. Ensure it is level and firmly fixed.
5. **Mount Cabinet:** Carefully lift the assembled cabinet and align its corresponding cleat with the wall-mounted cleat. Lower the cabinet until it locks into place.
6. **Verify Stability:** Gently test the cabinet's stability by applying light pressure. Ensure it is securely mounted and does not wobble.

Alternatively, the cabinet can be placed directly on a floor or countertop without wall mounting.

5. Operating Instructions (Usage)

5.1. Adjusting Shelves

The internal shelf can be adjusted to three different height levels to accommodate items of various sizes. To adjust:

1. Empty the cabinet of any contents.
2. Carefully remove the shelf from its current position.
3. Relocate the shelf pins to the desired height level.
4. Place the shelf onto the new pins, ensuring it is level and secure.

5.2. General Use

The INNOD Rattan Wall Cabinet is versatile and can be used in various settings:

- **Bathroom:** Store toiletries, medicine, towels, and other bathroom essentials.
- **Kitchen:** Organize spices, small appliances, or dishware.
- **Laundry Room:** Keep detergents, fabric softeners, and other laundry supplies tidy.
- **Living Room:** Display decorative items or store books and media.

6. Maintenance

6.1. Cleaning

- Wipe surfaces with a soft, damp cloth.
- Avoid abrasive cleaners or harsh chemicals, as these can damage the finish.
- For the rattan/linen door panels, gently dust with a soft brush or cloth. Do not saturate with water.
- Dry immediately after cleaning to prevent moisture damage.

6.2. General Care

- Periodically check all fasteners and tighten if necessary to maintain stability.
- Avoid placing excessively heavy items on the shelves or inside the cabinet.
- Keep the cabinet away from direct sunlight and extreme humidity to preserve the wood and rattan finish.

7. Troubleshooting

If you encounter issues with your INNOD Rattan Wall Cabinet, refer to the following common problems and solutions:

- **Cabinet Wobbles After Installation:**
  - Ensure all wall mounting screws are securely tightened.
  - Verify that the French cleat is level and fully engaged with the cabinet's cleat.
  - If using drywall anchors, confirm they are rated for the cabinet's weight and properly installed. Consider using heavier-duty anchors or mounting into wall studs.
- **Doors Do Not Close Properly or Have a Gap:**
  - Check that the cabinet frame is assembled squarely. Loosen and re-tighten screws if necessary to adjust alignment.
  - Inspect the magnetic closures for proper alignment and ensure they are securely attached.
  - Verify that the hinges are correctly installed and tightened.
- **Missing or Damaged Parts During Assembly:**
  - Refer to the package contents list in the assembly guide.
  - Contact INNOD customer support for replacement parts.

8. Specifications

Brand	INNOD
Model Name	1
Color	Wood
Material	Wood
Product Dimensions (D x W x H)	Approximately 8"D x 24"W x 25"H
