Reljofum 6x4 FT Metal Storage Shed with Window

Model: SF-Xp8tNOQO_5V6qEqoTEf55AXaK

Brand: Reljofum

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Reljofum 6x4 FT Metal Storage Shed with Window. This shed is designed for outdoor storage, offering a secure and weather-resistant space for various items. Please read this manual thoroughly before beginning assembly or use to ensure safe and proper installation and longevity of your product.

SAFETY INFORMATION

- Always assemble the shed on a **level concrete or paved base**. The shed does not include a floor.
- Assembly is recommended for **2 to 4 adults**.
- Wear the provided **gloves** for hand protection during assembly to prevent injuries from sharp edges.
- Plastic protective caps are included for sharp corners of the ceiling and each screw to enhance safety during construction and use.
- Ensure all components are securely fastened according to the instructions.
- Do not exceed the maximum wind resistance level of **10 (55 - 63 mph)** or a snow load difference of **6 inches**.

PACKAGE CONTENTS

Before assembly, verify that all parts are present and undamaged. Refer to the detailed parts list in the separate assembly guide provided with your purchase. The package typically includes:

- Metal wall panels and roof panels
- Frame components (beams, supports)
- Door assembly with lock and two keys

- Window panel
- Hardware kit (screws, nuts, bolts, washers)
- Plastic protective caps
- Two pairs of assembly gloves
- Instruction manual (this document) and a detailed assembly guide

SPECIFICATIONS

Brand	Reljofum
Model Number	SF-Xp8tNOQO_5V6qEqoTEf55AXaK
UPC	199809833343
Color	Brown

Material	Metal (Galvanized Steel Frame)
Product Dimensions (L x W x H)	78"D x 43"W x 76"H (6.5 FT x 4.3 FT x 6 FT)
Item Weight	90.94 Pounds
Door Style	Single Hinged, Lockable
Water Resistance Level	Waterproof
Required Assembly	Yes
Max. Wind Resistance	Level 10 (55 - 63 mph)
Max. Snow Load Difference	6 inches

SETUP AND ASSEMBLY

The Reljofum Metal Storage Shed features an upgraded full frame structure and thicker galvanized steel plates for enhanced stability and durability. Follow the steps in the dedicated assembly guide for detailed instructions.

- Prepare the Site:** Choose a level concrete or paved base for installation. Ensure the area is clear of debris and obstructions.
- Unpack Components:** Carefully unpack all parts and verify against the parts list in your assembly guide. All components are labeled with part numbers.
- Assemble Base Frame:** Construct the base frame first, ensuring it is square and level.
- Attach Wall Panels:** Install the wall panels, noting that overlapping panels contribute to the shed's waterproof design.
- Install Roof Structure:** Assemble the roof frame and attach the roof panels. Remember to use the plastic protective caps on sharp corners and screws.
- Mount Door and Window:** Install the door assembly, including the lockable mechanism, and the transparent window.
- Final Checks:** Ensure all screws and bolts are tightened securely.

3 STURDY BEAMS

OPERATING INSTRUCTIONS

Your Reljofum storage shed is designed for practical and secure outdoor storage.

- **Access:** Use the lockable door to secure your belongings. Always ensure the door is properly closed and locked when not in use to prevent unauthorized access or entry by animals.
- **Ventilation:** The integrated air vents promote air circulation, helping to prevent moisture buildup, mold, and damage to stored items, especially in humid conditions. Ensure these vents remain unobstructed.
- **Natural Light:** The transparent window allows natural light into the shed, making it easier to locate items without needing additional internal lighting during the day.
- **Storage Optimization:** For enhanced organization, consider installing storage racks on the shed walls (sold separately) to maximize vertical storage space.

MULTI-FUNCTIONAL STORAGE SHED

MAINTENANCE

Proper maintenance will ensure the longevity and optimal performance of your metal storage shed.

- **Cleaning:** Clean the exterior of the shed periodically with mild soap and water. Avoid abrasive cleaners or harsh chemicals that could damage the metal finish.
- **Fastener Check:** Regularly inspect all screws, bolts, and fasteners to ensure they remain tight. Re-tighten any loose hardware to maintain structural integrity.
- **Ventilation:** Keep the air vents clear of leaves, dirt, and other debris to ensure continuous air circulation.
- **Rust Prevention:** Although the shed is made of rustproof galvanized steel, promptly address any scratches or damage to the coating to prevent potential rust formation. Touch-up paint suitable for galvanized metal can be used if necessary.
- **Snow and Wind:** In areas with heavy snowfall or strong winds, regularly clear snow from the roof and ensure the shed is securely anchored to its base.

TROUBLESHOOTING

If you encounter any issues with your storage shed, consider the following common solutions:

- **Difficulty during Assembly:** Double-check the assembly guide for the specific step. Ensure all parts are correctly oriented and that you are using the correct hardware. It is helpful to have 2-4 adults for assembly.
- **Unstable Structure:** Verify that the shed is assembled on a perfectly level base. Ensure all fasteners are fully tightened.
- **Water Leakage:** Confirm that all panels are properly overlapped and secured. Check for any gaps or damaged seals. Ensure the roof is correctly installed and the sloped design is effective for water runoff.
- **Door Misalignment:** Adjust the door hinges or frame as needed to ensure smooth opening and closing and proper locking.
- **Missing or Damaged Parts:** If you find any parts missing or damaged upon delivery, please contact customer support immediately with your purchase details.

WARRANTY AND SUPPORT

For warranty information, please refer to the documentation included with your purchase or contact the retailer directly. Reljofum is committed to customer satisfaction.

For further assistance, technical support, or to inquire about replacement parts, please refer to the contact information provided at the time of purchase or visit the official Reljofum store on Amazon: [Reljofum Amazon Store](#).
