1. SAFETY INSTRUCTIONS

Please read and understand all instructions before assembly and use. Keep this manual for future reference.

- **Electrical Safety:** Ensure the vanity's charging station is connected to a grounded outlet. Do not overload the outlets. Keep liquids away from electrical components.
- **Assembly Safety:** Assembly requires careful attention. It is recommended to have two people for certain steps to ensure stability and prevent injury. Follow all steps in the provided assembly guide.
- **Stability:** Place the vanity on a flat, stable surface. Do not climb on or lean heavily on the vanity. Secure the vanity to the wall if necessary, especially in households with children or pets, to prevent tipping.
- **Weight Capacity:** Do not exceed the weight capacity of the glass tabletop (30 lbs) or any shelves/drawers.
- **Glass Care:** The tempered glass tabletop is scratch-resistant and heat-proof, but avoid dropping heavy objects on it or applying excessive force.
- **Children and Pets:** Keep small parts and tools away from children and pets during assembly. Ensure drawers and cabinets are properly closed to prevent accidental access.

2. PACKAGE CONTENTS

Verify all components are present and undamaged before beginning assembly. Each component is meticulously labeled with serial numbers for easy identification.

3. ASSEMBLY INSTRUCTIONS

T4TREAM Furniture streamlines the assembly process with clear, user-friendly instructions. Each component is meticulously labeled with serial numbers. While assembly is designed to be straightforward, it can be time-consuming and certain steps may require a second person for assistance, particularly when positioning the tabletops.

1. **Unpack and Organize:** Carefully unpack all components and lay them out. Identify each part using the provided labels and hardware list.
2. **Review Instructions:** Read the entire assembly manual before starting. Pay close attention to diagrams and warnings.
3. **Assemble Base Structure:** Begin by assembling the main frame and legs according to the step-by-step guide.
4. **Install Drawers and Cabinets:** Attach drawer slides and assemble the drawers and cabinet doors. Ensure smooth operation.
5. **Attach Tabletop and Mirror:** This step often requires two people. Carefully place the main tabletop and then the mirror assembly onto the base. Connect any electrical wiring for the mirror lights and charging station as instructed.
6. **Final Adjustments:** Ensure all screws are tightened, and the vanity is stable. Adjust cabinet shelves as desired.

5. MAINTENANCE

Proper care will ensure the longevity and appearance of your T4TREAM vanity desk.

- **Cleaning:** Wipe with a dry cloth. For stubborn spots, use a slightly damp cloth with mild soap and dry immediately. Avoid harsh chemicals or abrasive cleaners.
- **Glass Top:** Clean the tempered glass tabletop with a glass cleaner and a soft cloth.
- **Electrical Components:** Ensure the charging station is unplugged before cleaning. Use a dry cloth to wipe the outlets and ports.
- **Hardware:** Periodically check and tighten any loose screws or hardware to maintain stability.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading or damage to the wood finish.

6. TROUBLESHOOTING

Refer to this section for solutions to common issues.

| Problem | Possible Cause | Solution |
|---|--|--|
| Mirror lights not working. | Power cord unplugged, faulty connection, touch sensor issue. | Ensure the vanity is plugged into a working outlet. Check all electrical connections. Try tapping and long-pressing the touch sensor. |
| Charging station not providing power. | Vanity unplugged, device not compatible, outlet overloaded. | Verify the vanity is plugged in. Test with a different device. Ensure the total power draw does not exceed the station's capacity. |
| Drawers are stiff or do not slide smoothly. | Misaligned slides, obstruction, loose hardware. | Check that drawer slides are correctly installed and aligned. Remove any items obstructing the drawer. Tighten any loose screws on the slides. |
| Vanity feels unstable or wobbly. | Uneven floor, loose assembly hardware. | Ensure the vanity is on a level surface. Re-tighten all assembly screws. Consider using anti-tip hardware if not already installed. |
