THINK 30 Full Size Wooden Daybed with Storage Shelves and 3 Drawers - Instruction Manual

Model: GX002213AAK

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your THINK 30 Full Size Wooden Daybed. Please read all instructions carefully before beginning assembly and retain this manual for future reference. This daybed features a sturdy solid wood construction, integrated storage shelves with sliding doors, and three under-bed drawers, designed for durability and practical use.

SAFETY INFORMATION

- Be cautious of pinch points when using sliding doors and drawers.
- Ensure all parts are properly assembled and tightened to prevent instability.
- Do not exceed the maximum weight capacity of the bed frame or storage components.
- Keep small parts away from children during assembly to avoid choking hazards.
- Always use the bed on a flat, level surface.

PACKAGE CONTENTS

Before assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Wooden Bed Frame Panels (Headboard, Footboard, Side Rails)
- L-Shaped Headboard with Integrated Storage Shelves
- Sliding Doors for Headboard Storage
- Bed Slats
- Three Under-Bed Drawers
- Assembly Hardware (screws, bolts, nuts, Allen wrench)
- Instruction Manual

SETUP AND ASSEMBLY

Assembly is recommended to be performed by two adults. All necessary tools are included. Follow the step-by-step installation manual provided in the package. Pre-drilled holes simplify the process.

1. **Unpack and Identify Parts:** Lay out all components on a clean, soft surface to prevent scratches. Refer to the parts list in your included manual to identify each piece.
2. **Assemble Bed Frame:** Attach the side rails to the headboard and footboard using the provided hardware. Ensure all connections are secure.
3. **Install L-Shaped Headboard:** Secure the L-shaped headboard and storage sections to the main bed frame.
4. **Insert Bed Slats:** Place the wooden slats across the bed frame. These slats provide mattress support and eliminate the need for a box spring. Ensure they are evenly spaced and secured if applicable.
5. **Assemble and Install Drawers:** Assemble the three drawers according to the separate drawer assembly instructions. Slide them into the designated spaces under the bed frame.
6. **Install Sliding Doors:** Place the sliding doors into the tracks of the headboard storage shelves.
7. **Final Check:** Verify that all screws and bolts are tightened, and the bed frame is stable.

OPERATING INSTRUCTIONS

Using the Storage Shelves

The L-shaped headboard features multiple storage shelves. The top shelf includes two sliding doors for concealing items and protecting them from dust. Simply slide the doors horizontally to open or close the compartments.

Using the Under-Bed Drawers

The three drawers located under the bed frame provide additional storage for clothing, bedding, or other items. Pull the knobs to open the drawers and push them back in to close. Ensure drawers are fully closed to prevent dust accumulation.

MAINTENANCE

To ensure the longevity and appearance of your daybed, follow these care instructions:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.

- **Environmental Conditions:** Keep the daybed away from excessive moisture and direct sunlight to prevent warping, fading, or cracking of the wood.
- **Hardware Check:** Periodically check and tighten all assembly hardware to maintain structural integrity.

TROUBLESHOOTING

- **Squeaking Noises:** If the bed squeaks, check all bolts and screws and tighten them. Ensure slats are properly seated.
- **Drawers Sticking:** If drawers are difficult to open or close, check for obstructions in the tracks. Ensure the drawer slides are clean and properly aligned.
- **Instability:** If the bed feels unstable, re-check all connections and ensure they are fully tightened. Verify that the bed is on a level surface.
