BORNOON BRN-095WH 3

BORNOON Vanity Desk with Mirror and Lights (Model BRN-095WH 3) Instruction Manual

Comprehensive guide for assembly, operation, and maintenance of your BORNOON Vanity Desk.

1. INTRODUCTION

Thank you for choosing the BORNOON Vanity Desk with Mirror and Lights. This manual provides detailed instructions for the assembly, operation, and care of your new vanity desk. Please read this manual thoroughly before beginning assembly or use to ensure proper function and longevity of the product.

2. PRODUCT FEATURES

The BORNOON Vanity Desk is designed for functionality and aesthetic appeal, offering several key features:

- **Integrated Charging Station:** Equipped with 2 AC outlets and 2 USB ports for convenient power access for electronic devices and beauty tools. Includes a dedicated holder for a blow dryer.
- **Ample Storage:** Features 5 drawers, 4 cabinets with adjustable shelves, and 3 practical makeup trays to organize cosmetics, skincare, and accessories.
- **Illuminated Mirror:** A large mirror with three adjustable color modes (cool white, warm white, warm yellow) and customizable brightness levels.
- **RGB Ambient Lighting:** Cabinets include RGB lights with over 60,000 color options, adjustable brightness, music mode, microphone mode, and a timing function, controllable via an app or physical key.
- **Durable Construction:** Constructed from P2-grade engineered wood, providing a sturdy structure and a smooth, waterproof surface for easy cleaning.

4. ASSEMBLY INSTRUCTIONS

Assembly of the BORNOON Vanity Desk requires careful attention to the provided detailed manual. It is recommended to have a drill for easier and faster assembly. Follow the step-by-step instructions in the included manual, ensuring all parts are correctly oriented and securely fastened.

1. **Unpack and Organize:** Lay out all labeled parts and hardware on a clean, soft surface to prevent scratches.
2. **Assemble Base Structure:** Begin by assembling the main frame of the vanity desk according to the diagrams.
3. **Install Drawers and Cabinets:** Follow instructions for installing drawer slides, assembling drawers, and attaching cabinet doors. Ensure adjustable shelves are placed as desired.
4. **Mount Mirror and Lighting:** Securely attach the mirror unit. Connect the mirror's power cable and RGB lighting components as directed.

5. **Integrate Charging Station:** Install the power strip into its designated slot and attach the blow dryer holder.
6. **Final Checks:** Verify all screws are tightened and the desk is stable.

5. OPERATING INSTRUCTIONS

5.1 Mirror Lighting

The integrated mirror features adjustable lighting for optimal illumination during makeup application or grooming.

- **Power On/Off:** Touch the designated sensor on the mirror to turn the lights on or off.
- **Change Color Mode:** Short-press the touch sensor to cycle through the three color modes: Cool White, Warm White, and Warm Yellow.
- **Adjust Brightness:** Long-press the touch sensor to continuously adjust the brightness level. Release when the desired brightness is achieved.

3 LIGHTING MODES & ADJUSTABLE BRIGHTNESS

Figure 5.1: Illustration of the three lighting modes (Cool White, Warm White, Warm Yellow) and the touch control for brightness adjustment.

5.2 RGB Ambient Lighting

The cabinet RGB lights offer customizable ambiance for your space.

- **Control Methods:** The RGB lights can be controlled via a dedicated app on your smartphone or a physical key/remote.
- **Color Selection:** Choose from over 60,000 colors to match your mood or decor.
- **Brightness Adjustment:** Adjust the intensity of the RGB lighting.
- **Special Modes:** Utilize Music Mode (lights react to sound), Microphone Mode (lights react to voice), and Timing Function (set schedules for lighting).

5.3 Charging Station

The built-in power strip provides convenient access to power for your devices.

- **AC Outlets:** Two 125V/12A AC outlets are available for hair dryers, curling irons, or other small appliances.
- **USB Ports:** Two 5V/2.1A USB ports are provided for charging smartphones, tablets, and other USB-powered devices.
- **Blow Dryer Holder:** Utilize the integrated holder to keep your blow dryer organized and easily accessible.

6. MAINTENANCE

To ensure the longevity and appearance of your vanity desk, follow these maintenance guidelines:

- **Cleaning:** The desk's smooth, waterproof surface can be easily cleaned with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Spills:** Wipe up spills immediately to prevent staining or water damage.
- **Dusting:** Regularly dust all surfaces with a dry, soft cloth.
- **Mirror Care:** Clean the mirror with a glass cleaner and a lint-free cloth. Avoid spraying cleaner directly onto the mirror's edges or electrical components.

7. TROUBLESHOOTING

This section addresses common issues you might encounter with your vanity desk.

Problem	Possible Cause	Solution
Mirror lights not turning on.	Power cable not connected; faulty power outlet; sensor malfunction.	Ensure the power cable is securely plugged into a working outlet. Check the power source. If the issue persists, contact customer support.
RGB ambient lights not working.	Loose connection; app not paired; remote battery low.	Verify all RGB light connections. Ensure the app is correctly paired or replace the remote battery.
Charging station not providing power.	Power strip not plugged in; circuit breaker tripped; device cable faulty.	Confirm the vanity desk's main power cord is plugged in. Check your home's circuit breaker. Test with a different device cable.
Drawers are stiff or not closing smoothly.	Improper assembly of drawer slides; obstruction in the slide mechanism.	Review assembly instructions for drawer slide installation. Check for any objects blocking the slides.

If you encounter any issues not listed here or if the suggested solutions do not resolve the problem, please contact BORNOON customer support.

8. SPECIFICATIONS
