roomfitters RF-W331P293305

roomfitters 5-Tier Corner Bookshelf with LED Lights

Model: RF-W331P293305 | Brand: roomfitters

IMPORTANT SAFETY INFORMATION

Please read and understand all instructions before assembly and use. Keep this manual for future reference.

- **Adult Assembly Required:** This product contains small parts and requires adult assembly.
- **Secure Placement:** Always place the bookshelf on a flat, stable, and level surface.
- **Wall Anchoring:** For safety, it is highly recommended to anchor the bookshelf to a wall to prevent tipping, especially in households with children or pets. Wall anchoring hardware may be included or sold separately.
- **Weight Capacity:** Do not exceed the recommended weight capacity for each shelf. Distribute weight evenly.
- **Electrical Safety (LED Lights):** Ensure the LED lighting system is installed according to instructions. Do not expose electrical components to water or excessive moisture. Disconnect power before cleaning or maintenance.
- **Avoid Climbing:** Do not allow children to climb on the bookshelf.
- **Ventilation:** Ensure adequate ventilation around the LED power supply if applicable.

PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, contact customer support.

- Shelf Panels (various sizes)
- Connecting Hardware (screws, dowels, cam locks, etc.)
- LED Light Strip Kit with Power Adapter
- Assembly Tools (e.g., Allen wrench)
- Wall Anchoring Kit (if included)

SETUP INSTRUCTIONS (ASSEMBLY)

Follow these general steps for assembling your roomfitters 5-Tier Corner Bookshelf. Refer to the detailed assembly guide included in your package for specific diagrams and part identification.

1. **Prepare Workspace:** Clear a spacious, clean, and level area for assembly. Lay out all parts and hardware.
2. **Identify Components:** Match each panel and hardware piece to the corresponding labels in the assembly guide.
3. **Assemble Base:** Begin by attaching the base panels according to the guide. Ensure all connections are secure.
4. **Construct Shelves:** Gradually build the shelf structure, connecting each tier as instructed. Pay attention to the orientation of each panel to ensure the L-shaped design is correctly formed.
5. **Install LED Lights:** Carefully attach the LED light strips to the designated areas on the shelves. Ensure the wiring is neatly routed and secured to avoid damage. Connect the LED strip to the power adapter.
6. **Secure Connections:** Double-check all screws, cam locks, and other fasteners to ensure they are tightened appropriately. Do not overtighten.
7. **Wall Anchor (Recommended):** Position the assembled bookshelf in its desired corner. Use the provided wall anchoring kit to secure the unit to the wall, following the kit's instructions. This step is crucial for stability.

OPERATING INSTRUCTIONS (LED LIGHTS)

The integrated LED lighting system enhances the display of your items.

- **Power Connection:** Plug the LED light power adapter into a standard electrical outlet.
- **Activation:** Locate the switch or remote control for the LED lights. Turn the lights ON/OFF as desired.
- **Light Modes (if applicable):** If your LED kit includes multiple modes or brightness settings, refer to the specific instructions provided with the LED kit for operation.

MAINTENANCE

Proper care will ensure the longevity and appearance of your bookshelf.

- **Cleaning:** Wipe surfaces with a soft, dry, or slightly damp cloth. Avoid harsh chemicals, abrasive cleaners, or excessive moisture, which can damage the engineered wood finish.

- **Dusting:** Regularly dust the shelves and frame to prevent buildup.
- **LED Lights:** The LED lights are designed for long-term use. If a light strip malfunctions, contact customer support for replacement options. Do not attempt to repair electrical components yourself.
- **Hardware Check:** Periodically check all assembly hardware to ensure it remains tight. Retighten if necessary.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading or discoloration of the wood finish.

TROUBLESHOOTING

If you encounter issues with your bookshelf, refer to the following common solutions.

- **Bookshelf is Wobbly:**
 - Ensure all assembly hardware is securely tightened.
 - Verify the bookshelf is on a level surface. Adjust floor levelers if present, or place shims under the base if needed.
 - Confirm the wall anchoring kit is properly installed and tightened.
- **LED Lights Not Working:**
 - Check if the power adapter is securely plugged into a working electrical outlet.
 - Ensure all connections between the LED strips and the power adapter are firm.
 - Verify the ON/OFF switch or remote control is functioning correctly.
 - If the issue persists, contact customer support.
- **Missing or Damaged Parts:**
 - Before assembly, carefully check the package contents against the parts list in the assembly guide.
 - Contact roomfitters customer support immediately for assistance with replacements.

SPECIFICATIONS

Feature	Detail
Product Dimensions (D x W x H)	16.69" x 16.69" x 68.9"
Item Weight	59.52 lbs
Material	Engineered Wood
Number of Shelves	5
Special Features	Built-in LED Lighting, Scratch Resistant
Assembly Required	Yes
Color	Walnut
Model Number	RF-W331P293305
