Soundcore D1301

Soundcore Sleep A30 Special by Anker User Manual

Model: D1301

1. Introduction

The Soundcore Sleep A30 Special earbuds are designed to enhance your sleep experience by reducing disruptive noises and providing soothing audio. These earbuds feature a Triple Noise-Reduction System, adaptive snore masking, and a comfortable, low-profile design suitable for side sleepers.

This manual provides instructions for setting up, operating, and maintaining your Sleep A30 Special earbuds to ensure optimal performance and comfort.

2. What's in the Box

Verify that all items are present in your package:

- Soundcore Sleep A30 Special Earbuds

- Charging Case
- USB-C Charging Cable
- XS/S/M/L Silicone Ear Tips (Size M Pre-Installed)
- S/M/L Foam Ear Tips
- S/M/L Ear Wings (Size M Pre-Installed)

3. Setup

3.1. Choosing the Right Fit

Selecting the correct ear tips and ear wings is crucial for comfort and effective noise reduction. Experiment with different sizes to find the best seal and most comfortable fit for your ears.

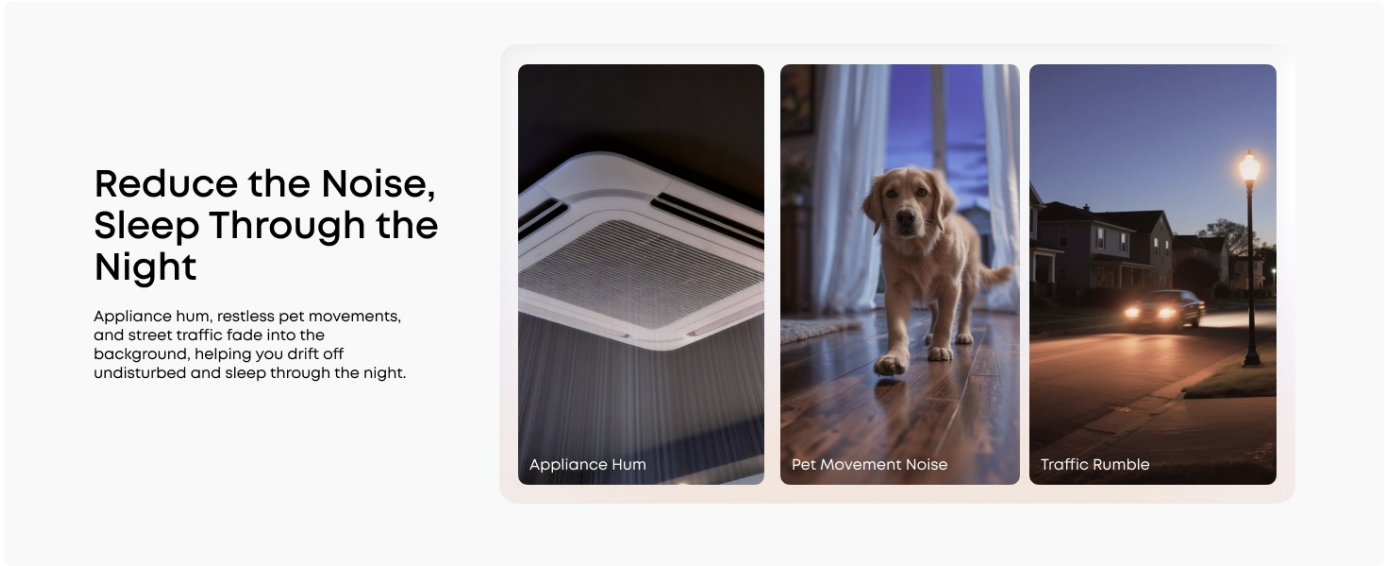

Image: A visual guide displaying the different sizes of air-filled ear wings, silicone ear tips, and foam ear tips included with the Sleep A30 Special, emphasizing customizable fit.

3.2. Wearing the Earbuds

Once you have selected the appropriate ear tips and wings, gently insert the earbuds into your ears at the angle shown in the diagram below. Ensure they sit flush within your ear for optimal comfort, especially for side sleepers.

3.3. Soundcore App Installation

Download the Soundcore app from your device's app store to unlock the full features of your Sleep A30 Special earbuds, including sound libraries, ANC settings, snore masking, and sleep tracking.

- Search for "Soundcore" in the Apple App Store or Google Play Store.
- Install the app and follow the on-screen instructions to pair your earbuds.

4. Operating Instructions

4.1. Noise Reduction System

The Sleep A30 Special features a Triple Noise-Reduction System combining Active Noise Cancelling (ANC), passive isolation, and adaptive snore masking. This system effectively blocks out common sleep disruptions such as appliance hums, pet movements, and traffic noise.

Image: An exploded diagram of the earbud, highlighting its internal components such as dual noise sensors and the powerful driver, engineered for quiet nights.

4.2. Adaptive Snore Masking

The earbuds utilize TÜV Rheinland-certified snore-masking technology. The charging case detects and analyzes snoring patterns in real-time, while the earbuds play adaptive masking audio to seamlessly cover snoring sounds.

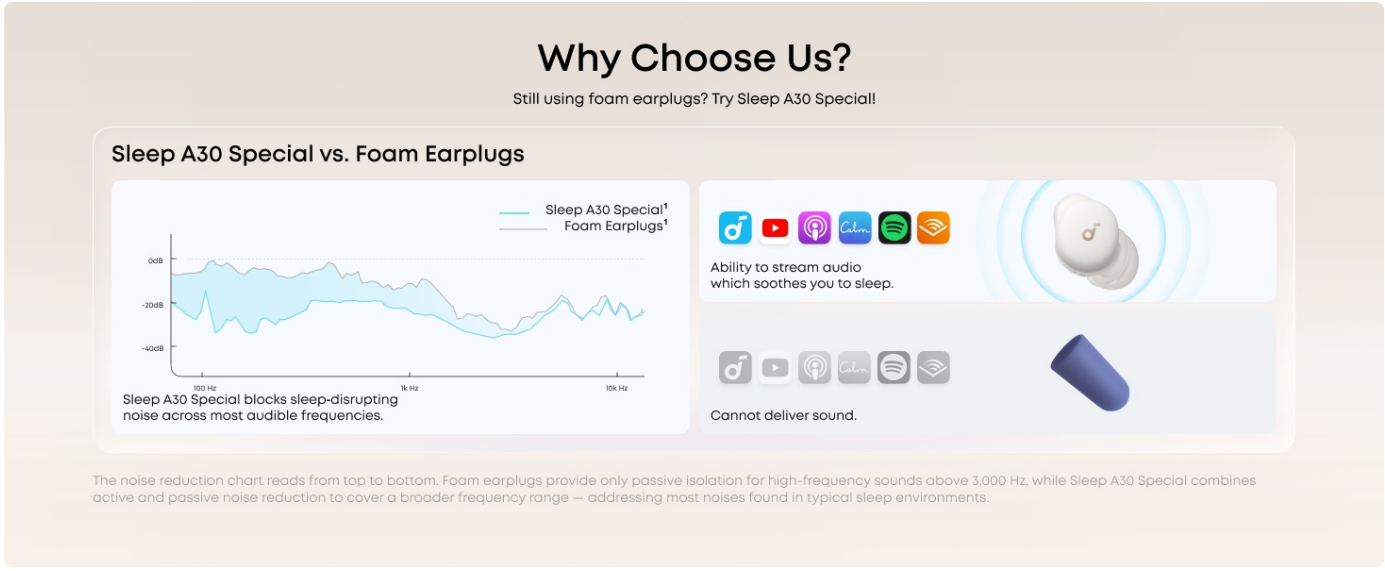

Image: A visual representation of the adaptive snore masking technology in action, showing the earbuds and charging case working together to mask snoring sounds for undisturbed sleep.

4.3. Sleep Audio Library

Access a vast library of soothing sleep sounds, AI Brainwave Audio, white noise, and premium Sleep Stories from Calm directly through the Soundcore app. Customize your audio experience to suit your preferences for relaxation and sleep.

Video: This video demonstrates how to set audio playback preferences for when you are asleep using the Soundcore app.

4.4. Battery Life and Charging

The earbuds provide 8-10 hours of playtime per charge. With the charging case, you can achieve up to 5 nights of use. Playback times vary based on usage mode:

- **Bluetooth + ANC On (high volume):** Approximately 6 hours
- **Local Audio + ANC Off (50% volume):** Up to 16 hours

Note: All playback times were measured at 50% volume.

Image: A graphic highlighting the 8-10 hours of battery life per charge and up to 5 nights of use with the charging case.

4.5. Smart Sleep Tracking

The companion app tracks your sleep duration, positions, and snoring patterns to generate personalized daily reports. These insights can help you develop healthier sleep habits.

5. Maintenance

5.1. Cleaning

Regularly clean your earbuds and charging case to maintain hygiene and performance. Use a soft, dry, lint-free cloth. For ear tips, gently remove them and clean with a mild soap solution if necessary, then rinse thoroughly and allow to air dry completely before reattaching.

5.2. Storage

When not in use, store the earbuds in their charging case to protect them and ensure they are charged for your next use. Store in a cool, dry place away from extreme temperatures.

6. Troubleshooting

If you encounter issues, refer to the following common solutions or consult the Soundcore app for further assistance.

- **Earbuds not charging:** Ensure earbuds are properly seated in the charging case. Check the charging contacts on both the earbuds and the case for any debris. Ensure the charging case itself is charged.
- **Connectivity issues:** Ensure Bluetooth is enabled on your device. Try unpairing and re-pairing the earbuds.
- **Poor noise reduction:** Verify that you are using the correct size ear tips and wings for a secure seal. A poor fit can significantly reduce ANC effectiveness.
- **App not connecting:** Ensure the Soundcore app is updated to the latest version. Restart the app and your device if necessary.

For more detailed troubleshooting, you can refer to the officialTroubleshooting Guide (PDF) or contact Soundcore customer support.

7. Specifications

Feature	Detail
Brand	Soundcore
Model Number	D1301
Color	White
Ear Placement	In Ear
Item Weight	103 g
Battery Charge Time	2 hours
Battery Average Life	50 hours (with charging case)
Noise Control	Active Noise Cancellation

Connectivity Technology	Wireless (Bluetooth 5.4)
Water Resistance Level	Waterproof
Control Type	Touch Control

8. Warranty and Support

Your Soundcore Sleep A30 Special earbuds come with an 18-month warranty, providing hassle-free replacement for any quality issues.

For questions regarding fit, connectivity, white noise tips, or any other support needs, please contact Soundcore customer service. It is recommended to reach out to support before initiating a return for assistance.
