JXQTLINGMU LM014-24ABW

JXQTLINGMU Farmhouse End Table with Charging Station

Model: LM014-24ABW

PRODUCT OVERVIEW

The JXQTLINGMU Farmhouse End Table is a versatile furniture piece designed to complement various living spaces. It features a rustic farmhouse aesthetic combined with industrial elements, offering both style and functionality. This end table includes a built-in charging station, ample storage behind mesh barn doors, and an adjustable interior shelf.

Image: Front view of the JXQTLINGMU Farmhouse End Table, highlighting its 24-inch width, 25-inch height, and weight capacities for the tabletop (110 lbs) and overall structure (235 lbs). The image also shows the mesh barn doors and the black top surface.

SETUP AND ASSEMBLY

This end table requires assembly. Please ensure all parts and hardware are present before beginning. A Phillips screwdriver is recommended for assembly.

Included Components:

- 1 x Large Side Table (components)
- 1 x Screw Pack
- Assembly Guide

Follow the step-by-step illustrated instructions provided in the assembly guide. Each piece of hardware and part is marked with numbers or letters to facilitate identification and correct assembly. Typically, assembly can be completed within 30-60 minutes.

OPERATING INSTRUCTIONS

Charging Station

The end table is equipped with a convenient charging station located on the top panel. This station includes two AC outlets and two USB ports (5V/2.1A) for powering and charging your electronic devices. The power cord is approximately 4.9 feet long.

Image: A close-up top view of the end table, illustrating the integrated charging station with two AC outlets and two USB ports. A tablet and a smartphone are shown connected and charging, demonstrating the functionality.

Storage Compartment

The hidden storage cabinet behind the mesh barn doors provides ample space for various items. The interior features an adjustable shelf, allowing you to customize the storage layout to fit your needs, whether for books, baskets, or other daily necessities. Two large cutouts on the back panel facilitate wire feeding and help maintain a tidy appearance for electronic devices stored inside.

MAINTENANCE

To maintain the appearance and longevity of your JXQTLINGMU Farmhouse End Table, follow these care instructions:

- **Cleaning:** Wipe the surfaces with a damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Stain Resistance:** The table is designed to be stain-resistant. Promptly clean any spills to prevent potential staining.
- **Weight Limits:** Do not exceed the maximum weight recommendation of 235 pounds for the entire table and 110 pounds for the tabletop.
- **Stability:** Regularly check and tighten any loose screws or fittings to ensure the table remains stable and sturdy.

TROUBLESHOOTING

If you encounter any issues with your JXQTLINGMU Farmhouse End Table, please refer to the following

general troubleshooting tips:

- **Assembly Issues:** If parts do not fit correctly or the table feels wobbly after assembly, re-check the assembly guide to ensure all steps were followed accurately and all fasteners are securely tightened.
- **Charging Station Not Working:** Ensure the table's power cord is securely plugged into a functional wall outlet. Verify that devices are correctly connected to the AC outlets or USB ports.
- **Damaged or Missing Parts:** If any parts were damaged during shipping or are missing from the package, please contact customer service for assistance.
