1. INTRODUCTION

This manual provides instructions for the iDPRT Mini Thermal Sticker Paper, designed for use with compatible mini thermal printers such as the iDPRT S1, S2, M02, and T02 models. This product consists of 3 rolls of thermal sticker paper in white, blue, and yellow, each measuring 57x29mm and 3.5m in length. It is intended for various printing applications, including photos, labels, notes, and creative projects.

2. PRODUCT FEATURES

- **Versatile Use:** Ideal for creating lists, scrapbooking, journaling, to-do lists, study notes, and printing photos.
- **Long-Lasting Prints:** High-quality, water-resistant thermal paper ensures prints do not fade quickly and can be stored for extended periods without ink.
- **Safe Materials:** BPA-free and safe for use by children.
- **Creative Potential:** Self-adhesive backing allows for easy application and encourages creative projects.

3. COMPATIBILITY

The iDPRT Mini Thermal Sticker Paper rolls are compatible with most label and mini photo printers that use 2.2-inch (57mm) wide paper rolls. This includes, but is not limited to, the following iDPRT printer models:

- iDPRT S1
- iDPRT S2
- iDPRT M02
- iDPRT T02

iDPRT/PRT/HPRT
S1/S2 Paper

For Thermal Printers & Cameras **Accept 57mm Wide Paper**
(For Jaden's printer, M03, JEPEErzbz, Kidamento...)
T02/M02: Place rolls directly **without bearings**

This image illustrates the compatibility of the iDPRT thermal paper with iDPRT S1 and S2 mini printers. It also shows the product packaging for the 3-roll pack.

4. PAPER INSTALLATION

To install the thermal sticker paper into your compatible mini thermal printer, follow these general steps:

1. Ensure your printer is powered off.
2. Open the paper compartment cover of your thermal printer.
3. Insert one roll of iDPRT Mini Thermal Sticker Paper into the compartment. For models like T02/M02, the rolls can be placed directly without requiring separate bearings. Ensure the paper feeds correctly, with the printing side facing the thermal print head.
4. Close the paper compartment cover securely.
5. Tear off any excess paper, leaving a small portion extending from the printer's output slot.

This image displays the iDPRT Mini Thermal Sticker Paper rolls in three colors (white, blue, yellow) alongside a compatible iDPRT mini thermal printer. It illustrates the paper rolls ready for installation.

5. USAGE AND APPLICATIONS

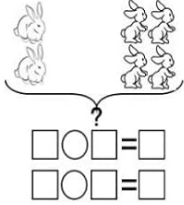

The iDPRT Mini Thermal Sticker Paper offers a wide range of applications:

- **Study Notes:** Print diagrams, definitions, or key points for easy revision.
- **Journaling & Scrapbooking:** Add personalized photos, quotes, or decorative elements to your journals and scrapbooks.
- **To-Do Lists & Organization:** Create quick labels, reminders, or task lists for daily planning.
- **Photo Printing:** Print small, instant photos for sharing or decorating.
- **Creative Projects:** Use the self-adhesive feature for DIY crafts, gift tags, or coloring activities.

This image showcases the versatile applications of the thermal sticker paper, including printing photos, creating gift card decorations, making business labels, and organizing with to-do lists.

This image shows a person using printed stickers from the iPRT thermal paper in a journal, demonstrating its use for creative journaling and note-taking.

This image highlights the creative aspect of the thermal paper, showing children coloring printed outlines, encouraging artistic expression.

6. CARE AND MAINTENANCE

To ensure the longevity and quality of your thermal sticker paper and prints:

- **Storage:** Store paper rolls in a cool, dry place away from direct sunlight and excessive heat to prevent premature fading or discoloration.
- **Handling:** Avoid touching the thermal surface of the paper unnecessarily, as oils from skin can affect print quality over time.
- **Environmental Safety:** The paper is BPA-free and made from environmentally friendly materials, ensuring it is safe for general use, including around children and pets.

This image shows children interacting with prints, reinforcing that the paper is BPA-free, safe for kids and pets, and made from environmentally friendly materials.

7. PRODUCT SPECIFICATIONS

Feature	Detail
Brand	iDPRT
Color	White, Blue, Yellow

Printing Method	Thermal
Resolution (Printer Dependent)	203dpi (typical for compatible printers)
Print Width (Printer Dependent)	2 inches (57mm)
Print Speed (Printer Dependent)	Max: 40mm/sec

This image provides a close-up view of the thermal sticker paper roll, indicating a width of 57mm and a total length of 3.5m. Icons highlight key features: BPA Free, Durable, and Distinct print quality.

8. TROUBLESHOOTING

If you encounter issues while using the iDPRT Mini Thermal Sticker Paper, consider the following:

- **Poor Print Quality:** Ensure the paper is loaded correctly with the thermal side facing the print head. Check if the printer's print head is clean.
- **Paper Jams:** Verify that the paper roll is properly seated and not obstructed. Ensure the paper compartment is closed correctly.
- **No Print:** Confirm the printer is powered on and connected. Check if the paper roll is depleted or incorrectly loaded.
- **Fading Prints:** Store paper away from heat and direct sunlight. Avoid prolonged exposure to high temperatures after printing.

9. WARRANTY AND SUPPORT

For specific warranty information regarding your iDPRT Mini Thermal Sticker Paper, please refer to the product packaging or contact iDPRT customer support directly. General support for product usage and technical inquiries can be found on the official iDPRT website or through their customer service channels.
