GarveeHome Bar Stools Set of 4 Instruction Manual

Model: OM_1YO0Q99Sdg4qyg3DLLQp0bbF

1. INTRODUCTION

Thank you for choosing the GarveeHome Bar Stools Set of 4. This manual provides essential information for the safe assembly, operation, and maintenance of your new bar stools. Please read these instructions carefully before assembly and retain them for future reference.

2. SAFETY INFORMATION

To ensure safe use and prevent injury or damage, please adhere to the following guidelines:

- **Maximum Weight Capacity:** Do not place more than 300 pounds (136 kg) on a single stool at any time. Exceeding this limit may cause structural failure and injury.
- **Regular Inspection:** Periodically check all screws and fittings to ensure they are securely tightened. Loose connections can lead to instability and accidents.
- **Stable Placement:** Always place the bar stools on a flat, stable surface. Avoid uneven floors or surfaces that could cause the stool to tip over.
- **Avoid Standing:** Do not stand on the bar stools. They are designed for seating only.
- **Children and Pets:** Supervise children and pets around the bar stools to prevent misuse or accidents.

3. PACKAGE CONTENTS

The GarveeHome Bar Stools Set of 4 includes the following components. Please verify all parts are present before beginning assembly.

- 4 x Bar Stool Seats (Faux Leather Upholstered)
- 4 x Metal Frame Bases
- Hardware Pack (screws, washers, Allen wrench)

4. ASSEMBLY INSTRUCTIONS

Assembly of the GarveeHome Bar Stools is designed to be straightforward. Please follow these steps carefully.

Step 1: Unpack Components

Carefully remove all parts from the packaging. Lay them out on a clean, soft surface (like a carpet or blanket) to prevent scratches.

Step 2: Attach Seat to Frame

Align the pre-drilled holes on the underside of the bar stool seat with the corresponding holes on the top of the metal frame. Insert the provided screws and tighten them using the Allen wrench. Do not overtighten initially; leave them slightly loose for minor adjustments.

Step 3: Secure Backrest (if separate)

If your model has a separate backrest component, attach it to the frame using the designated screws. Ensure it is firmly in place.

Step 4: Final Tightening

Once all components are loosely assembled, place the stool upright on a flat surface. Apply gentle pressure to ensure it sits evenly, then fully tighten all screws. This helps prevent wobbling.

Video 4.1: Assembly demonstration for GarveeHome Bar Stools. This video shows the general assembly process, including attaching the seat to the frame and securing components. Note that the video may feature a set of 2 stools, but the assembly steps are similar.

5. OPERATING INSTRUCTIONS

The GarveeHome Bar Stools are designed for comfortable seating at counter height surfaces, typically ranging from 34 to 38 inches high.

- **Seating:** Sit centrally on the seat for optimal balance and comfort.
- **Footrest:** Utilize the integrated footrest for added comfort and support, promoting a relaxed posture.
- **Space-Saving Design:** The armless design allows the stools to slide easily under most standard counter-height tables, optimizing space when not in use.

6. MAINTENANCE AND CARE

Proper care will extend the life and appearance of your GarveeHome Bar Stools.

- **Cleaning the Faux Leather:** The high-quality PU leather is water and stain resistant. For spills, wipe immediately with a soft, damp cloth. For general cleaning, use a mild soap solution and a soft cloth, then wipe dry. Avoid abrasive cleaners or harsh chemicals, as these can damage the material.
- **Cleaning the Metal Frame:** Wipe the powder-coated metal frame with a soft, dry or slightly damp cloth. Avoid using

abrasive materials or strong detergents.

- **Non-Slip Feet:** Ensure the non-slip rubber feet are clean and free of debris to protect your floors and maintain stability.

7. TROUBLESHOOTING

If you encounter any issues with your GarveeHome Bar Stools, please refer to the following common solutions:

- **Wobbling Stool:** If a stool wobbles, check that all screws are fully tightened. Sometimes, loosening all screws slightly, placing the stool on a flat surface, and then re-tightening them in sequence can resolve the issue. Ensure the floor surface is even.
- **Loose Parts:** If any parts feel loose, immediately stop using the stool and re-tighten all connections.
- **Damaged Components:** If any part is damaged or missing upon arrival, do not proceed with assembly. Contact customer support for assistance.

8. SPECIFICATIONS

Attribute	Specification
Product Dimensions (D x W x H)	17.32" x 16.73" x 35.82"
Seat Height	24.8 inches
Seat Width	15.7 inches
Item Weight (per stool)	Approx. 18.5 lbs (74.1 lbs for 4PCS)
Maximum Weight Recommendation	300 pounds
Color	Beige
Frame Material	Metal
Seat Material Type	Faux Leather
Model Number	OM_1YO0Q99Sdg4qyg3DLLQp0bbF
UPC	199913467984

9. WARRANTY AND SUPPORT

GarveeHome stands behind the quality of its products. While specific warranty details are not provided in this manual, we offer dedicated customer support to ensure your complete satisfaction.

If you have any questions, require assistance with assembly, or need to report a missing or damaged part, please contact GarveeHome customer service through the retailer where you purchased the product or visit the official GarveeHome store page.
