MAINTENANCE AND CARE

- **Cleaning:** The table and chairs are easy to clean. Wipe surfaces with a soft, damp cloth. For stubborn marks, a mild soap solution can be used, followed by wiping with a clean, dry cloth.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, strong detergents, or solvents, as these may damage the finish.
- **Blackboard/Whiteboard Care:** For the blackboard, use standard chalk and erase with a soft cloth or blackboard eraser. For the whiteboard, use only dry-erase markers and wipe clean with a dry-erase eraser or soft cloth.
- **Regular Inspection:** Periodically check all screws and connections to ensure they are tight. Retighten if necessary to maintain stability and safety.
- **Environmental Conditions:** Avoid prolonged exposure to direct sunlight or extreme humidity, which can affect the wood material.

TROUBLESHOOTING

- **Wobbly Table/Chairs:** Ensure all assembly screws are fully tightened. Check that the product is placed on a flat, even surface.
- **Difficulty with Tabletop Reversal:** Ensure the tabletop is lifted straight up before attempting to flip it. Do not force it.
- **Stains on Surfaces:** Refer to the 'Maintenance and Care' section for cleaning instructions. For persistent stains, a gentle wood cleaner may be used on MDF surfaces, but test in an inconspicuous area first.
