## 4. SETUP INSTRUCTIONS

### 4.1 Charging the Speaker

1. Connect the provided USB-C charging cable to the speaker's charging port (located under the protective flap).
2. Connect the other end of the cable to a USB power adapter (not included) or a computer's USB port.
3. The indicator light will flash red during charging. It will turn off when fully charged.

4. When the battery is low, the speaker will emit a prompt tone every 5 minutes.

#### 4.2 Power On/Off

- To power on, long press the Power On/Off button for approximately 3 seconds until you hear an audible prompt. The blue indicator light will flash.
- To power off, long press the Power On/Off button for approximately 3 seconds until the indicator light turns off.

#### 4.3 Bluetooth Pairing

1. Ensure your speaker is fully charged and powered on. The blue indicator light will flash, indicating it's in Bluetooth pairing mode.
2. On your smartphone, tablet, or other Bluetooth device, search for Bluetooth devices and select "Bobtot Q91" from the list.
3. Once successfully connected, you will hear a prompt sound, and the blue indicator light will turn solid.
4. If no connection or playback occurs, the speaker will automatically shut down after 10 minutes to conserve battery.

#### 4.4 TWS Wireless Stereo Pairing (for two Q91 speakers)

Enhance your audio experience by pairing two Bobtot Q91 speakers for true wireless stereo sound.

*Image: Two Bobtot Q91 speakers paired for TWS stereo sound. This image shows two speakers, one light yellow and one gray, set up for a stereo audio experience.*

1. Long press the Power On/Off button on both speakers to power them on. The indicator lights will flash.
2. Quickly double-click the Play/Pause/TWS button on **one** of the speakers. You will hear a prompt sound indicating the speaker is entering pairing mode. The indicator light of one speaker will flash, while the other will turn solid.
3. On your smartphone or tablet, search for "Bobtot Q91" on your Bluetooth list and tap to connect.
4. The speakers are successfully connected when the indicator light of both speakers turns solid.
5. **Note:** In TWS mode, turning off either speaker will turn both off. Double-clicking the Play/Pause/TWS button will disconnect TWS pairing.

Sync Two Speakers, Create Left and Right Channels

*Image: Bobtot Q91 Speaker used for hands-free calling in a kitchen. This image shows the speaker on a kitchen counter with a phone call icon, illustrating its hands-free calling capability.*

- **Answer Call:** Short press the Phone Call button.
- **Reject Call:** Long press the Phone Call button.
- **Redial Last Number:** Double-click the Phone Call button.

## 6. MAINTENANCE

### 6.1 Cleaning

Wipe the speaker with a soft, damp cloth. Do not use harsh chemicals or abrasive cleaners. Ensure the USB-C port's protective flap is securely closed before cleaning or exposing to water.

### 6.2 Waterproof Feature (IPX5)

The Bobtot Q91 is IPX5 waterproof, meaning it is resistant to splash and water spray. It is suitable for use in showers, by the pool, or in light rain. **Do not submerge the speaker in water.** Always ensure the charging port's protective flap is tightly sealed when near water.

## 7. TROUBLESHOOTING

- **Speaker won't turn on:** Ensure the battery is charged. Connect to a power source and try again.
- **Cannot pair with Bluetooth device:**
  - a. Ensure the speaker is in pairing mode (flashing blue light).
  - b. Make sure Bluetooth is enabled on your device.
  - c. Move the speaker closer to your device (within 33 feet).
  - d. Forget "Bobtot Q91" from your device's Bluetooth list and try pairing again.
- **No sound:**
  - a. Check the volume level on both the speaker and your connected device.
  - b. Ensure the speaker is properly paired.
  - c. If using TWS, ensure both speakers are correctly paired to each other and then to your device.
- **Poor sound quality:**
  - a. Move the speaker closer to your device to avoid interference.
  - b. Ensure there are no obstructions between the speaker and your device.
  - c. Check the audio source quality.
