SEDETA B0FZ8FC1MX

SEDETA Standing Desk with Storage (55-inch) - User Manual

Brand: SEDETA | **Model:** B0FZ8FC1MX

IMPORTANT SAFETY INFORMATION

Always ensure the desk is properly anchored to the floor to prevent tipping. Do not exceed the weight limit of 220 pounds (approximately 100 kg) to maintain stability and safety. Keep children and pets away from the desk during operation. Avoid placing liquids directly on the control panel or power outlets.

1. PRODUCT OVERVIEW

The SEDETA Standing Desk with Storage is a versatile and ergonomic solution for home offices, gaming setups, and study areas. It features a height-adjustable design, integrated power outlets, customizable LED lighting, and a full-size monitor shelf.

Figure 1: SEDETA Standing Desk with Storage, showcasing its design and integrated features.

Key Features:

- **Height Adjustable:** Easily switch between sitting and standing positions with a range of 28.7 inches to 47.6 inches.
- **Full-size Monitor Stand:** Ergonomically designed to improve posture and provide additional storage.
- **Modern Fluted Design:** Adds a sophisticated aesthetic to any environment.
- **Built-in Power Outlets:** Includes four AC sockets and two USB ports for convenient device charging.
- **RGB LED Lights:** App-controlled with over 60,000 colors and 29 blinking modes.
- **Superior Quality:** Powerful, quiet lifting system supporting up to 220 pounds, made with FSC-certified engineered wood.

2. SETUP AND ASSEMBLY

To ensure a smooth assembly process, please refer to the clear and detailed instructions included in the packaging. All parts are numbered for easy identification. If any parts are damaged, scratched, or missing, please contact customer service for assistance.

3. OPERATING INSTRUCTIONS

3.1 Height Adjustment

The desk's height can be adjusted between 28.7 inches (sitting) and 47.6 inches (standing). Use the control panel located on the front edge of the desk.

- **LED Display:** Shows the current desk height.
- **Up/Down Buttons:** Press and hold to adjust the desk height manually.
- **3 Memory Heights:** Press '1', '2', or '3' to move the desk to a pre-set height. To save a height, adjust the desk to your desired position, then press 'S' followed by the desired number button ('1', '2', or '3').
- **RST (Reset) Button:** Used for resetting the desk's height calibration if needed. Refer to the detailed manual for specific reset procedures.

Flexible Desk Height: 28.7"–47.6"

Instant one-press access to the heights you use

3.3 RGB LED Lights

The integrated RGB LED lights can be customized to create various atmospheres.

- **Control:** The LED lights can be controlled via a dedicated key remote or a smartphone application.
- **Color Options:** Over 60,000 colors available.
- **Blinking Modes:** 29 different dynamic lighting modes.
- **Features:** Includes built-in microphone for music sync and a timing function.

Figure 6: RGB LED lighting features and control options.

4. MAINTENANCE

The desktop is constructed from FSC-certified engineered wood, designed for durability and ease of care.

- **Cleaning:** Wipe the desk surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals.
- **Waterproof:** The engineered wood offers resistance to water spills. Promptly wipe up any liquids to prevent damage.
- **Scratch Resistant:** While designed to resist scratches, avoid dragging sharp or heavy objects across the surface.

5. TROUBLESHOOTING

If you encounter any issues with your SEDETA Standing Desk, please review the following general advice:

- **Desk Not Adjusting:** Check all power connections. Ensure the power cord is securely plugged into both the desk and a working wall outlet. If the control panel displays an error code, refer to the full instruction manual for specific code meanings and solutions.
- **LED Lights Not Working:** Verify the power connection to the LED strip. Ensure the remote control or

app is properly paired and has working batteries (if applicable).

- **Unusual Noises:** The lifting system is designed for quiet operation (below 30 decibels). If you hear unusual or loud noises, discontinue use and contact customer support.

For persistent problems or issues not covered here, please contact SEDETA customer support.
