INFUTURE S5

INFUTURE S5 Wearable Bluetooth Speaker User Manual

Model: S5 (BH134AG)

Brand: INFUTURE

1. PRODUCT OVERVIEW

The INFUTURE S5 is a versatile, wearable Bluetooth speaker designed for hands-free audio. Its compact size and clip-on design make it ideal for various activities, from outdoor work to recreational pursuits. This speaker combines portability with robust features, including a built-in microphone for calls and an integrated LED flashlight.

- **Wearable Design:** Features a sturdy carabiner clip and an attachable back for secure attachment to clothing, bags, or belts, allowing for hands-free use.
- **IPX7 Waterproof and Durable:** Built to withstand tough conditions with an IPX7 waterproof rating, protecting against rain, spills, and temporary submersion. It is also dustproof and shock-resistant.
- **Ultra-Lightweight:** Weighing just 90g (3.17oz), it is highly portable and designed for active lifestyles without adding bulk.
- **Bluetooth 5.4 Connectivity:** Utilizes advanced Bluetooth 5.4 technology for a stable connection up to 100ft and faster pairing with devices.
- **Built-in Noise-Canceling Microphone:** Equipped with a microphone that eliminates up to 90% of background noise, ensuring clear hands-free communication.
- **Integrated LED Flashlight:** Includes a multi-mode LED flashlight for illumination in dark environments.

2. WHAT'S IN THE BOX

Please check the package contents upon unboxing to ensure all items are present:

- INFUTURE S5 Wearable Bluetooth Speaker
- USB-C Charging Cable
- User Manual

3. SETUP GUIDE

3.1 Charging the Speaker

1. Locate the USB-C charging port on the speaker.
2. Connect the provided USB-C cable to the speaker and the other end to a compatible USB power adapter (not included) or a computer's USB port.
3. The charging indicator light will illuminate. Once fully charged, the light may change color or turn off.
4. A full charge provides approximately 10 hours of playback time.

Image: The INFUTURE S5 speaker connected to a USB-C charging cable, highlighting its 10-hour battery life.

3.2 Bluetooth Pairing

1. **Power On:** Press and hold the Power button (usually the center button) on the speaker until you hear an audible prompt or see an indicator light.
2. **Activate Pairing Mode:** The speaker will automatically enter Bluetooth pairing mode, indicated by a flashing LED light (e.g., blue light).
3. **Enable Bluetooth on Your Device:** On your smartphone, tablet, or other Bluetooth-enabled device, go to the Bluetooth settings.
4. **Select Speaker:** In the list of available devices, look for "INFUTURE S5" or a similar name and select it to connect.
5. **Confirmation:** Once successfully paired, the speaker will provide an audible confirmation, and the LED indicator will stop flashing and remain solid.

3.3 Wearing the Speaker

The INFUTURE S5 is designed for convenient, hands-free use:

- **Clip-on:** Use the integrated clip to attach the speaker securely to your shirt collar, belt, backpack strap, or other suitable clothing/gear.
- **Optimal Placement:** For best sound and microphone performance during calls, position the speaker near your chest or shoulder.

4. OPERATING INSTRUCTIONS

4.1 Basic Controls

The speaker features intuitive buttons for easy control:

- **Power On/Off:** Press and hold the Power button (center button) for approximately 3 seconds.
- **Play/Pause:** Short press the Power button during music playback.
- **Volume Up:** Short press the '+' button.
- **Volume Down:** Short press the '-' button.
- **Next Track:** Long press the '+' button.
- **Previous Track:** Long press the '-' button.

4.2 Call Management

With the built-in microphone, you can manage calls directly from the speaker:

- **Answer/End Call:** Short press the Power button when a call comes in or during an active call.
- **Reject Call:** Long press the Power button when a call comes in.
- **Activate Voice Assistant (Siri/Google Assistant):** Double-tap the Power button.

Easy to understand

4.3 LED Flashlight Operation

The integrated LED flashlight offers multiple modes for different lighting needs:

- **Turn On/Cycle Modes:** Short press the dedicated Flashlight button (refer to the manual for exact button location, typically a separate button or a long press on a specific button). Each short press will cycle through different modes (e.g., High, Low, Strobe).
- **Turn Off:** Long press the Flashlight button, or cycle through all modes until it turns off.

4.4 True Wireless Stereo (TWS) Pairing

For an enhanced audio experience, you can pair two INFUTURE S5 speakers together for True Wireless Stereo (TWS) sound:

1. Ensure both speakers are powered off and fully charged.
2. Turn on both speakers. They will enter pairing mode.
3. On one of the speakers (this will be your primary speaker), double-press the Power button. It will attempt to connect to the other speaker.
4. Once successfully paired, you will hear an audible confirmation, and the LED indicators on both speakers will show a solid light.
5. Now, connect your device to the primary speaker via Bluetooth as described in Section 3.2. Audio will play

through both speakers in stereo.

5. MAINTENANCE

Proper care ensures the longevity and performance of your INFUTURE S5 speaker:

- **Cleaning:** Wipe the speaker with a soft, damp cloth. Do not use harsh chemicals or abrasive cleaners. Ensure the charging port cover is securely closed before cleaning or exposing to water.
- **Water Exposure:** While IPX7 waterproof, avoid prolonged submersion or exposure to high-pressure water jets. Always ensure the charging port cover is sealed when near water.
- **Storage:** Store the speaker in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** For optimal battery life, avoid fully discharging the speaker frequently. Recharge it regularly, even if not in use for extended periods.

6. TROUBLESHOOTING

If you encounter issues with your INFUTURE S5 speaker, refer to the following common solutions:

Problem	Possible Cause	Solution
Speaker does not turn on	Low battery; Power button not pressed correctly	Charge the speaker fully. Press and hold the Power button for 3 seconds.
Cannot pair with device	Speaker not in pairing mode; Device Bluetooth off; Too far from device	Ensure speaker is in pairing mode (flashing LED). Turn Bluetooth on/off on your device. Move speaker closer to device. Forget previous pairings on your device and try again.
No sound during playback	Volume too low; Speaker not connected; Audio source paused	Increase speaker and device volume. Ensure speaker is successfully paired. Check if the audio on your device is playing.
Poor call quality	Microphone obstructed; Environmental noise; Weak Bluetooth connection	Ensure microphone is clear. Move to a quieter environment. Ensure speaker is within Bluetooth range of your device.
Flashlight not working	Low battery; Flashlight button not pressed correctly	Charge the speaker. Short press the Flashlight button to cycle modes.
