

## DWVO 107" Modular Sectional Sofa

# DWVO 107" Modular Sectional Sofa Instruction Manual

Model: B0FZBQCS6H

### INTRODUCTION

Thank you for choosing the DWVO 107" Modular Sectional Sofa. This manual provides essential information for the safe and efficient assembly, operation, and maintenance of your new furniture. Please read it thoroughly before use and retain it for future reference.

### IMPORTANT SAFETY INFORMATION

#### WARNING:

- All foam and upholstered surfaces meet flammability standards. Keep away from open flames or high heat sources.
- Supervise children and pets to avoid entrapment risks.
- Handle with care to avoid damage during assembly and relocation.
- Do not stand on the sofa or ottomans.
- Ensure all components are securely fastened before use.

### PACKAGE CONTENTS

Your DWVO Modular Sectional Sofa is shipped in multiple packages. Please ensure all components are present before beginning assembly. The packages may arrive at different times.

Packed in **3 packages**, which may show up at **different times**.

*Image: The sofa is delivered in three separate packages, which may arrive at different times.*

### Included Components:

- Modular Sofa Sections (quantity varies based on configuration)
- Ottoman (2 included)
- Throw Pillows (4 included)
- Legs for each section
- Assembly Hardware (connectors, screws)

## SETUP AND ASSEMBLY

Assembly is required for this modular sectional sofa. Please follow these steps carefully.

### Step 1: Unpack and Identify Components

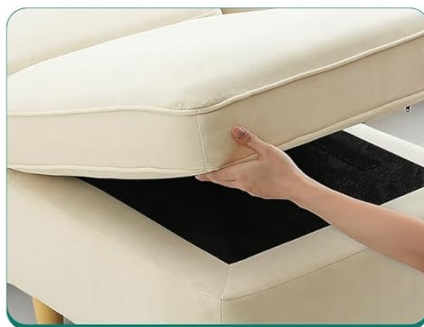

Carefully remove all components from their packaging. Lay them out on a clean, soft surface to prevent scratches. Identify each section and ensure all hardware is present.

### Step 2: Attach Legs

For each sofa section and ottoman, locate the pre-drilled holes on the underside. Screw the wooden legs into these holes until secure. Ensure they are tightened firmly but do not overtighten.

Sturdy Legs

Removable Seat Cushion

High-Density Sponge

### Step 3: Connect Modular Sections

Arrange the sofa sections and ottomans in your desired configuration. Use the built-in component connectors to securely link the modules together. Ensure each connection is firm to prevent movement.

*Video: This video provides another perspective on the modular assembly, showing how the sofa sections are joined together and how the cushions are placed, emphasizing the ease of customization.*

### Step 4: Place Cushions and Pillows

Position the seat cushions onto the sofa bases. The cushions feature a high-density foam and spring hybrid construction for optimal comfort. Place the backrest cushions and throw pillows as desired.

**Note:** The cushions are compressed for shipping. Allow approximately 6 hours for them to fully expand and fluff up

after unpacking.

## OPERATING THE MODULAR FEATURES

The DWVO Modular Sectional Sofa offers flexible configurations to suit various needs and spaces.

### Rearranging Modules

To change the sofa's layout (e.g., from U-shaped to L-shaped, or separating ottomans), simply disconnect the modules by unhooking the built-in connectors. Re-arrange the sections and reconnect them in your desired new layout.

## VERSATILE SETUPS FOR VARIOUS STYLES

*Image: Various versatile setups demonstrating how the modular sections and ottomans can be arranged to create different sofa configurations.*

### Using Ottomans

The two movable ottomans can serve as footrests, additional seating, or temporary coffee tables. They can also be integrated into the main sofa structure to extend seating or create a chaise lounge.

## CARE AND MAINTENANCE

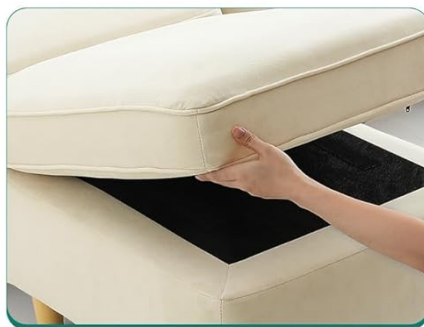

Proper care will extend the life and appearance of your sofa.

### Cleaning Instructions

- **General Cleaning:** Clean with a soft brush to remove dust and debris.
- **Removable Cushion Covers:** The cushion covers are washable. Unzip the covers from the seat and back cushions for cleaning. Follow the care label instructions for washing.

### Preventative Care

- Avoid direct sunlight to prevent fading.
- Keep sharp objects away from the upholstery to prevent tears.
- Regularly fluff cushions to maintain their shape and comfort.

### TROUBLESHOOTING

Here are solutions to common issues you might encounter:

#### Sofa feels uneven or wobbly:

- Ensure all legs are securely tightened.
- Check that all modular connectors are properly engaged.
- Verify the sofa is on a flat, even surface.

#### Cushions appear flat or compressed:

- This is normal due to vacuum packaging. Allow up to 72 hours for cushions to fully expand after unpacking. Gently fluff and pat them to help restore their shape.

#### Difficulty connecting modules:

- Ensure the modules are aligned correctly before attempting to engage the connectors. Apply gentle pressure to snap them into place.

### PRODUCT SPECIFICATIONS

| Feature | Detail                      |
