

Fluest BED618

Fluest Twin Bed Frame Instruction Manual

Model: BED618

Brand: Fluest

INTRODUCTION

Thank you for choosing the Fluest Twin Bed Frame. This bed frame is designed to provide comfort and functionality with its integrated storage headboard, fast-charging station, and customizable LED lighting. This manual provides essential information for safe assembly, operation, and maintenance of your new bed frame. Please read it thoroughly before beginning assembly and retain it for future reference.

SAFETY INFORMATION

- Always assemble the bed frame with at least two people to ensure stability and prevent injury.
- Be cautious when handling the 55-pound bed frame to avoid strain or injury.
- Tighten all bolts and screws securely to prevent squeaking and ensure the bed frame's stability.
- Ensure all electrical connections for the charging station and LED lights are properly secured and away from moisture.
- Do not overload the storage headboard shelf or the under-bed drawer.

PACKAGE CONTENTS

Before assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Headboard
- Footboard
- Side Rails
- Slats
- Storage Drawer (Movable Fabric Drawer)
- Installation Manual
- Hardware Pack (bolts, screws, tools)

TWIN SIZE

L x W x H
77.1" x 39.2" x 37.4"

ASSEMBLY INSTRUCTIONS

Assembly of the Fluest Twin Bed Frame is designed to be straightforward. Please follow the detailed instructions provided in the included Installation Manual. It is recommended to have two people for assembly.

- 1. Unpack and Identify Parts:** Carefully unpack all components and lay them out on a clean, soft surface to prevent scratches. Refer to the parts list in your separate installation manual to identify each piece.
- 2. Assemble the Headboard:** Attach the headboard components as per the instructions, ensuring the storage shelf and LED light housing are correctly positioned.
- 3. Attach Side Rails:** Connect the side rails to the headboard and footboard using the provided hardware. Ensure all connections are secure.
- 4. Install Slats:** Place and secure the bed slats onto the side rails. Each slat is equipped with a foam strip to minimize noise.
- 5. Position Storage Drawer:** The fabric storage drawer is movable and can be placed under the bed in any convenient position.
- 6. Connect Power:** Once the frame is fully assembled, connect the power cord for the charging station and LED lights to a suitable power outlet.

OPERATING INSTRUCTIONS

LED Lighting System

The headboard features a smart LED strip with adjustable brightness, color, and mode settings.

- **Control Methods:** The LED lights can be controlled via a smartphone application, the included remote control, or physical buttons on the headboard.
- **Brightness Adjustment:** Use the controls to increase or decrease the light intensity.
- **Color Selection:** Choose from a wide range of colors to match your mood or room ambiance.
- **Mode Settings:** Select various dynamic modes, such as flashing, fading, or music synchronization (if available via app).

A Shelf for Storing

Place commonly used items within easy reach

Figure 4: Smart RGB LED light features, controllable via app or remote for various settings.

Fast Charging Station

The headboard includes an integrated 20W fast-charging station for your electronic devices.

- **Ports:** The charging station features 2 AC Outlets, 2 USB ports, and 1 Type-C port. One USB port is located at the bottom of the socket panel.
- **Fast Charging:** The 20W output allows for rapid charging of compatible devices, such as smartphones.
- **Simultaneous Charging:** Multiple devices can be charged concurrently.

Movable Under-Bed Drawer

The bed frame includes a fabric storage drawer that can be positioned as needed.

- **Placement:** The drawer is not fixed and can be moved to any convenient position under the bed.
- **Storage:** Use it to store personal items, clothing, or other belongings to keep your bedroom tidy.

A Sliding Fabric Drawer

It can be pulled out from any position under the bed

Figure 6: The movable fabric drawer provides convenient under-bed storage.

MAINTENANCE

- **Cleaning:** Wipe the metal and wood surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Hardware Check:** Periodically check all bolts and screws to ensure they remain tight. Retighten if necessary to maintain stability and prevent noise.
- **Electrical Components:** Ensure the charging station and LED light connections are free from dust and debris. Do not attempt to repair electrical components yourself.
- **Drawer Care:** The fabric drawer can be spot cleaned with a mild detergent. Allow to air dry completely.

TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Bed frame squeaks	Loose hardware; uneven assembly.	Check and tighten all bolts and screws. Ensure the frame is on a level surface.
LED lights not working	Power not connected; remote battery low; loose connection.	Ensure power cord is plugged in. Check remote battery. Verify LED strip connection to power source.
Charging station not working	Power not connected; device incompatibility; faulty cable.	Ensure power cord is plugged in. Try a different device or charging cable.
Mattress slides on frame	Mattress not properly seated; no-slip pad needed.	Ensure mattress is centered. Consider using a non-slip mattress pad. The high footboard helps prevent sliding.
