Yanosaku VD036-WH

Yanosaku Vanity Desk with LED Mirror (Model VD036-WH) Instruction Manual

Model: VD036-WH

INTRODUCTION

Thank you for choosing the Yanosaku Vanity Desk with LED Mirror. This manual provides essential information for the safe assembly, operation, and maintenance of your new vanity desk. Please read these instructions carefully before use and retain them for future reference.

This vanity desk features a smart LED mirror with adjustable lighting, a built-in charging station, six spacious drawers, two transparent cabinets, and three open shelves, designed to enhance your daily routine.

SETUP INSTRUCTIONS

The Yanosaku Vanity Desk is designed for straightforward assembly. All necessary parts, tools, and step-by-step instructions are included in the packaging. It is recommended to assemble the unit in the room where it will be used.

Package Contents

- All furniture panels and components
- Hardware kit (screws, dowels, cam locks, etc.)
- LED mirror unit
- Charging station unit
- Vanity stool (if included in your package)
- Assembly instructions manual

Assembly Steps

- 1. Unpack and Verify:** Carefully unpack all components and compare them against the parts list provided in the separate assembly guide. Ensure all pieces are present and undamaged.
- 2. Assemble Base Frame:** Begin by assembling the main desk frame and drawer units according to the detailed diagrams in the assembly guide.
- 3. Install Drawers:** Mount the drawer slides and assemble the six drawers, then insert them into the desk frame.
- 4. Attach Side Cabinets and Shelves:** Secure the transparent cabinets and open shelving units to the main desk structure.

5. **Mount LED Mirror:** Carefully attach the LED mirror unit to the designated area on the desk. Connect the power cable for the mirror.
6. **Install Charging Station:** Integrate the built-in charging station, ensuring all electrical connections are secure.
7. **Place Glass Top:** Position the embedded tempered glass tabletop securely.
8. **Final Checks:** Ensure all screws are tightened, and the vanity is stable. Place the vanity stool if applicable.

OPERATING INSTRUCTIONS

LED Mirror Operation

The integrated LED mirror features touch-sensitive controls for adjusting lighting modes and brightness.

- **Power On/Off:** Lightly touch the power icon on the mirror surface to turn the LED lights on or off.
- **Change Light Color:** With the lights on, touch the color mode icon to cycle through cold white, warm white, and warm yellow light settings.
- **Adjust Brightness:** Long-press the power icon or a dedicated brightness control icon (if present) to seamlessly adjust the brightness level. Release when the desired brightness is achieved.

Figure 3: Touch switch and smart dimming controls for the LED mirror. Tap to change color, long-press to adjust brightness.

Using the Built-in Charging Station

The vanity desk includes a convenient charging station to power your devices and styling tools.

- **AC Outlets:** Plug in hair dryers, curling irons, or other AC-powered devices into the two 125V/12A AC outlets.
- **USB Ports:** Use the two 5V/2A USB ports to charge smartphones, tablets, or other USB-powered accessories.
- **Hair Dryer Holder:** Utilize the integrated holder to store your hair dryer when not in use.

Figure 4: Built-in power strip with AC outlets, USB ports, and hair dryer holder for convenient charging and tool use.

Storage Features

Organize your cosmetics, skincare, and accessories using the various storage options.

- **Sliding Drawers:** The six spacious drawers provide concealed storage for various items.
- **Transparent Cabinets:** The two lighted cabinets feature adjustable glass shelves, allowing you to display and easily access items. Push to open the cabinet doors.
- **Open Shelves:** Three open shelves offer quick access to frequently used products.
- **Glass Top Display:** The embedded tempered glass tabletop allows for visible organization of smaller items like jewelry or frequently used makeup.

Figure 6: Transparent cabinets with adjustable glass shelves and 'push to open' functionality.

Figure 7: The vanity desk offers ample storage for various beauty and personal items.

MAINTENANCE

Regular cleaning and proper care will ensure the longevity and appearance of your vanity desk.

Cleaning Instructions

- **Surfaces:** Wipe all surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Glass Top & Mirror:** Use a glass cleaner and a microfiber cloth to clean the tempered glass tabletop and mirror for a

streak-free shine.

- **Spills:** Immediately wipe up any spills to prevent staining or damage to the engineered wood.
- **Joints:** The visible joint sealing is designed for easy cleaning. Ensure no liquids seep into the joints.

General Care

- Avoid placing hot items directly on the surface without protection.
- Keep the vanity away from direct sunlight and excessive moisture to prevent warping or discoloration.
- Periodically check and tighten any loose screws or hardware.

TROUBLESHOOTING

If you encounter any issues with your Yanosaku Vanity Desk, please refer to the following common solutions:

| Problem | Possible Cause | Solution |
|---|--|--|
| LED Mirror lights not turning on. | Power cable disconnected; faulty power outlet; mirror unit malfunction. | Ensure the mirror's power cable is securely plugged into a working electrical outlet. Check the circuit breaker. If the issue persists, contact customer support. |
| Charging station (AC/USB) not working. | Power cable disconnected; faulty power outlet; device not compatible. | Verify the vanity's main power cord is plugged in. Test the outlet with another device. Ensure your device is compatible with the charging station's specifications. |
| Drawers are stiff or not sliding smoothly. | Improper assembly of drawer slides; obstruction in the slides; loose hardware. | Check the assembly guide to ensure drawer slides are installed correctly. Remove any obstructions. Tighten all screws on the drawer slides and drawer boxes. |
| Cabinet doors not opening/closing properly. | Hinges misaligned; obstruction; 'push to open' mechanism issue. | Check hinge alignment and adjust if necessary. Ensure no items are blocking the door's path. If the 'push to open' mechanism is faulty, contact support. |
