Nequga A1

Nequga Wireless Earbuds Bluetooth Headphones

Model: A1

INTRODUCTION

Thank you for choosing the Nequga Wireless Earbuds, Model A1. These earbuds are designed to provide a superior audio experience with advanced features and comfortable wear. This manual will guide you through the setup, operation, and maintenance of your new earbuds.

Key features include 50 hours of total playtime with the charging case, Bluetooth 5.3 for stable connectivity, HD stereo sound with deep bass, IPX7 waterproofing, and intuitive touch controls.

WHAT'S IN THE BOX

- Wireless Earbuds (Left & Right)
- Charging Case with LED Digital Display
- USB-C Charging Cable
- Silicone Eartips (Small, Medium, Large)
- User Manual

PRODUCT OVERVIEW

Figure 1: Nequga A1 Wireless Earbuds and Charging Case.

Figure 2: The charging case features an LED digital display showing the battery percentage of the case and individual earbuds.

Figure 3: Ergonomic design of the earbuds for comfortable wear, shown with various silicone eartip sizes.

SETUP

1. Charging the Earbuds and Case

Before first use, fully charge the earbuds and charging case. Connect the provided USB-C cable to the charging port on the case and to a 5V power adapter (not included). The LED digital display on the case will show the charging progress. Ensure the earbuds are properly seated in the case for them to charge.

Please use a 5V adapter to charge the charging case to avoid battery damage.

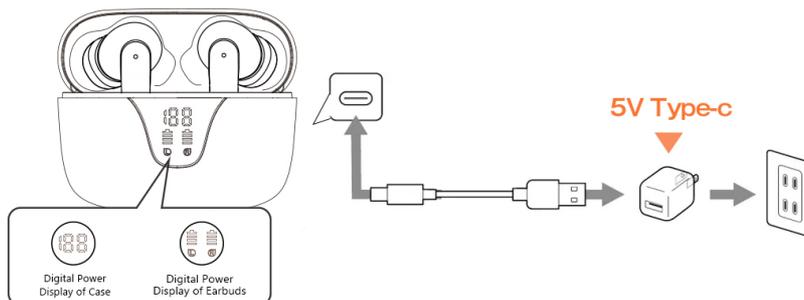

Figure 4: Connect the charging case to a 5V Type-C adapter for optimal charging. The LED display indicates battery levels.

2. Pairing with Your Device

1. Open the charging case. The earbuds will automatically power on and enter pairing mode.
2. On your device (smartphone, tablet, computer), enable Bluetooth.
3. Search for "A1" in the list of available Bluetooth devices and select it to connect.
4. Once connected, the earbuds will automatically pair with your last device when taken out of the case.

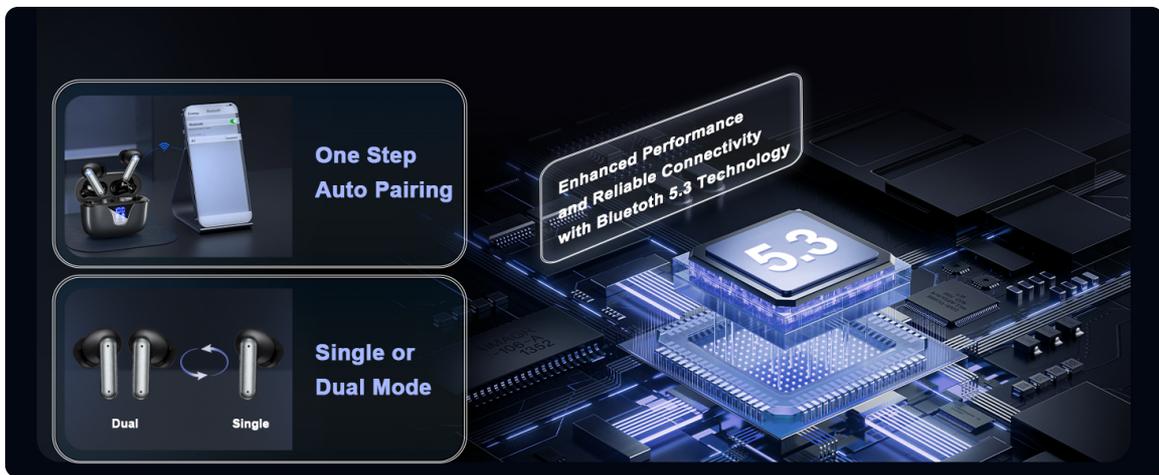

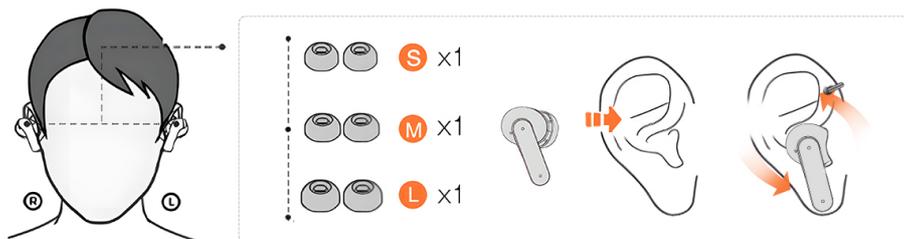

Figure 5: One-step auto-pairing with Bluetooth 5.3 for quick and stable connection.

3. Wearing the Earbuds

Choose the silicone eartips that provide the best fit and seal for your ears. Insert the earbuds into your ears and gently twist to ensure a secure and comfortable fit. A proper seal enhances sound quality and bass performance.

* How to wear it correctly?

1. Replace the ear caps with the right size
2. Insert the earbuds into your ears
3. Twist the earbuds to adjust the ear wings so that they fit firmly in the ear slot

OPERATING INSTRUCTIONS

Touch Controls

The Nequga A1 earbuds feature intuitive touch controls for easy management of music and calls.

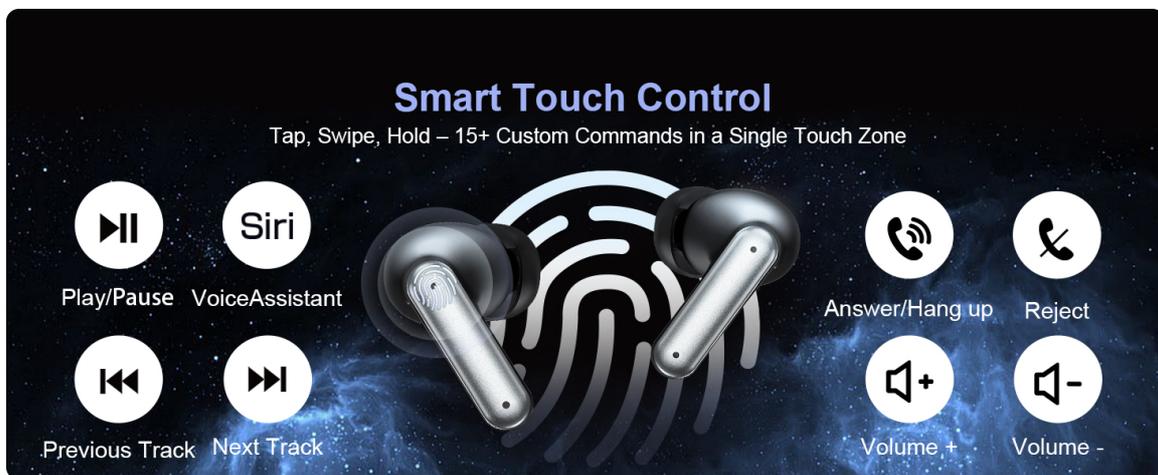

Figure 7: Overview of smart touch controls for various functions.

- **Play/Pause:** Single tap on either earbud.
- **Next Track:** Double tap on the right earbud.
- **Previous Track:** Double tap on the left earbud.
- **Volume Up:** Press and hold the right earbud.
- **Volume Down:** Press and hold the left earbud.
- **Answer/End Call:** Single tap on either earbud.
- **Reject Call:** Press and hold on either earbud.
- **Activate Voice Assistant (Siri):** Triple tap on either earbud.

Audio Quality

Equipped with custom 14.5mm titanium drivers, these earbuds deliver sparkling highs and punchy bass, providing a rich and immersive audio experience. Advanced audio codec support ensures minimal signal compression for studio-quality sound.

Lossless Sound Quality

Immersive Experience

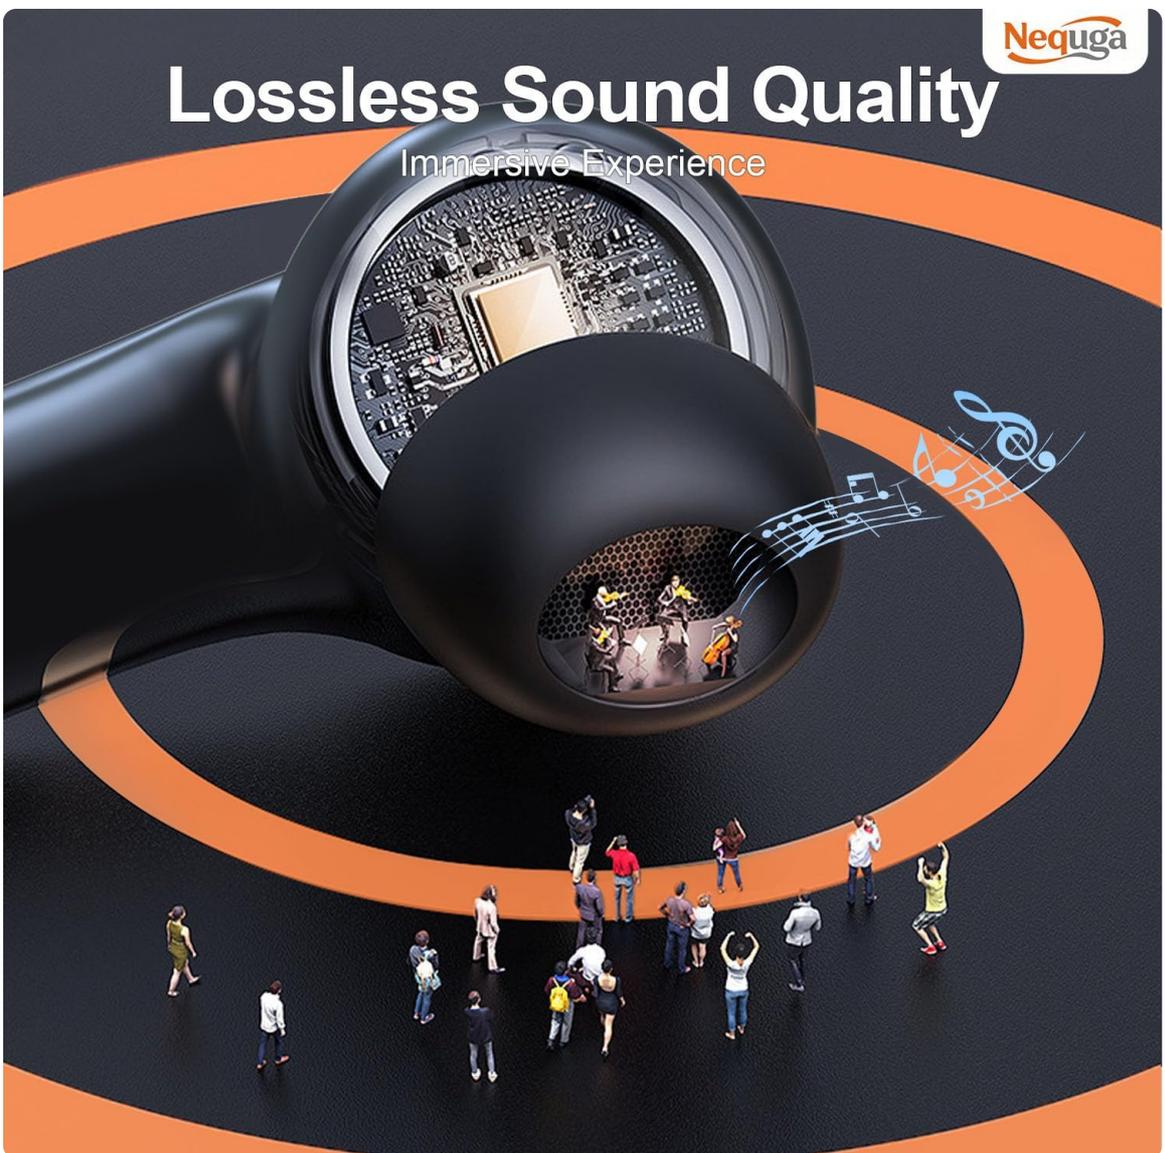

Figure 8: Exploded view of an earbud highlighting the 14.5mm titanium driver for enhanced sound.

Call Clarity

The integrated microphone ensures crystal-clear call clarity, making your conversations smooth and uninterrupted.

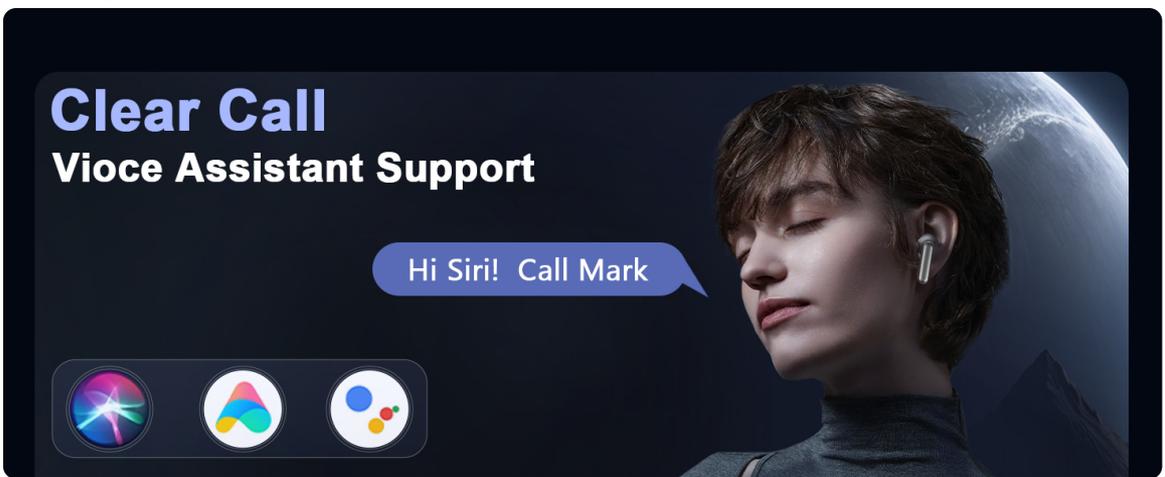

Figure 9: Clear call functionality with voice assistant support.

MAINTENANCE

Cleaning

Regular cleaning helps maintain optimal sound quality and charging efficiency. Use a soft, dry cloth to wipe the earbuds and charging case. For stubborn dirt or earwax, gently clean the charging contacts and ear tip meshes with an alcohol pad.

* How to solve the problem of volume and charging?

1. Clean the charging contacts, and mesh of ear tips with an alcohol pad to remove dust or earwax that might be affecting charging or sound volume.

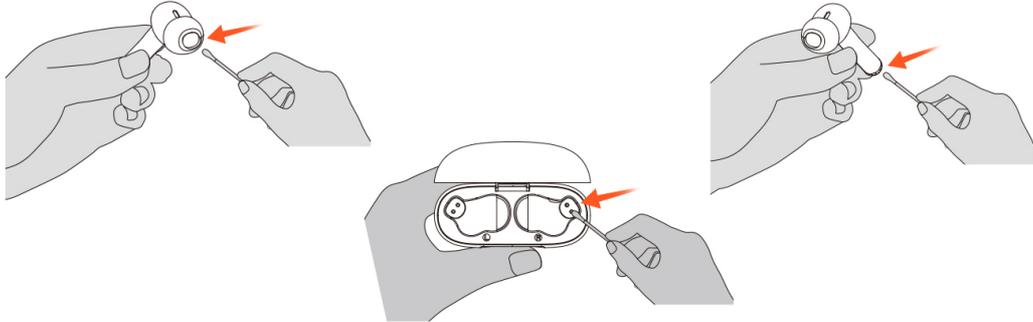

Figure 10: Instructions for cleaning earbud charging contacts and mesh to prevent issues with volume or charging.

Water Resistance

The earbuds are IPX7 waterproof, making them resistant to sweat and splashes. However, they are not designed for swimming or prolonged submersion in water. Ensure the earbuds are dry before placing them back in the charging case.

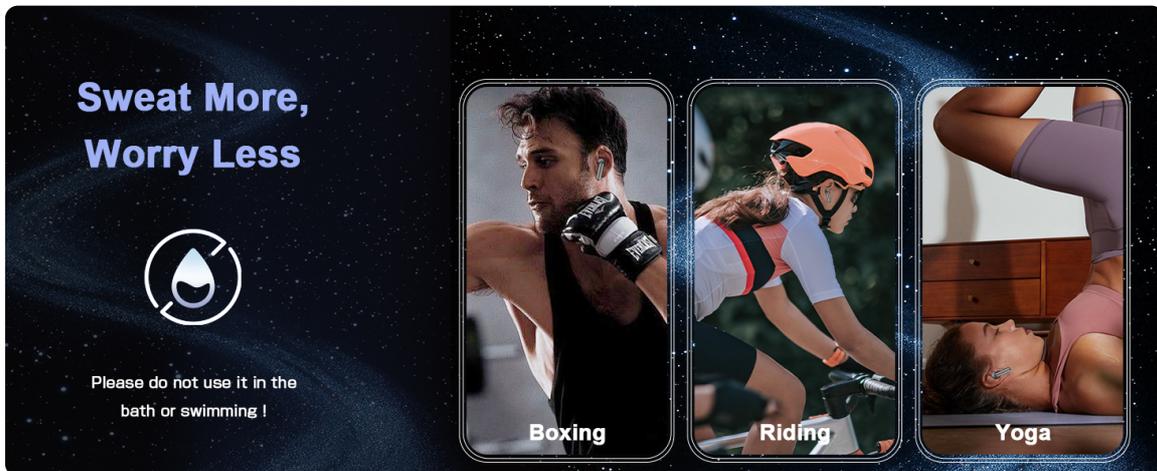

Figure 11: IPX7 waterproof rating allows for use during workouts and in various weather conditions.

TROUBLESHOOTING

If you encounter any issues with your Nequga A1 earbuds, please refer to the following common solutions:

- **No Sound/Low Volume:** Ensure earbuds are charged, connected to your device, and volume is adjusted on both the earbuds and your device. Clean earbud meshes for any blockages.

- **Pairing Issues:** Make sure Bluetooth is enabled on your device and the earbuds are in pairing mode. Try forgetting the device on your phone and re-pairing.
- **Earbuds Not Charging:** Check if the charging cable is securely connected and the charging contacts on both the earbuds and case are clean.
- **Unstable Connection:** Ensure your device is within the 49 ft (15m) Bluetooth range. Avoid significant obstacles between the earbuds and your device.

For further assistance, please contact Nequga customer support.
