Titan AiRA 1.70" AMOLED Smart Watch User Manual

Model: 95416KP01K

1. INTRODUCTION

Welcome to the user manual for your Titan AiRA 1.70" AMOLED Smart Watch. This guide provides essential information on setting up, operating, maintaining, and troubleshooting your device to ensure optimal performance and a seamless user experience. Please read this manual thoroughly before using your smartwatch.

2. WHAT'S IN THE BOX

Upon unboxing your Titan AiRA Smart Watch, verify that all the following items are present:

- Titan AiRA Smart Watch
- Magnetic Charging Cable
- Quick Start Guide
- Warranty Card

3. SETUP

3.1 Charging the Smart Watch

Before initial use, fully charge your Titan AiRA Smart Watch. Connect the magnetic charging cable to the charging pins on the back of the watch and plug the USB end into a compatible power adapter (not included) or a computer's USB port. A full charge typically takes approximately 1.5 hours. The watch has an average battery life of 5 days, depending on usage.

3.2 Pairing with Your Smartphone

To unlock the full functionality of your Titan AiRA Smart Watch, it must be paired with a compatible smartphone.

1. Download the official Titan Smart companion application from your smartphone's app store (Google Play Store for Android or Apple App Store for iOS).
2. Ensure Bluetooth is enabled on your smartphone.
3. Open the Titan Smart app and follow the on-screen instructions to create an account or log in.
4. Select 'Add Device' or 'Pair New Device' within the app.
5. The app will search for available devices. Select 'Titan AiRA' from the list.
6. Confirm the pairing request on both your smartphone and the smartwatch.

3.3 App Installation and Permissions

The Titan Smart app requires certain permissions to function correctly, such as access to notifications, location, and health data. Grant the necessary permissions when prompted during the setup process to ensure all features, including health tracking and notifications, work as intended.

4. OPERATING INSTRUCTIONS

4.1 Display Navigation

Your Titan AiRA Smart Watch features a vibrant 1.70" AMOLED display with 1000 Nits brightness and a resolution of 336x336, ensuring clear visibility even outdoors. Navigate the interface using touch gestures:

- **Swipe Up/Down:** Scroll through menus and notifications.
- **Swipe Left/Right:** Access quick widgets or different watch faces.
- **Tap:** Select an item or open an application.
- **Press and Hold:** Customize watch faces or access specific settings.

4.2 Functional Crown Usage

The functional crown on the side of your watch provides an intuitive way to navigate menus and adjust settings.

- **Rotate:** Scroll through lists, adjust volume, or zoom in/out.
- **Press:** Return to the home screen, open the app drawer, or confirm a selection.

4.3 Bluetooth Calling

The Titan AiRA Smart Watch supports Bluetooth calling, allowing you to make and receive calls directly from your wrist when connected to your smartphone.

- Ensure your watch is paired and connected to your smartphone via Bluetooth.
- Access the 'Phone' or 'Call' application on your watch.
- You can dial numbers, access recent calls, or view contacts synced from your phone.

4.4 Health Monitoring

The watch offers comprehensive health tracking features to help you monitor your well-being.

The Titan AiRA Smart Watch provides detailed monitoring for sleep, blood oxygen levels, and heart rate, displayed on the watch face.

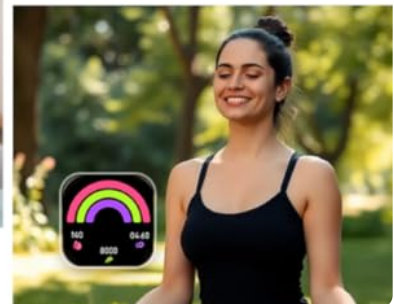

- **Heart Rate Monitor (HRM):** Continuously tracks your heart rate throughout the day. View real-time data and historical trends in the app.
- **SpO2 (Blood Oxygen) Monitor:** Measures your blood oxygen saturation levels. Take manual readings or enable continuous monitoring if available.
- **Stress Monitoring:** Analyzes heart rate variability to estimate stress levels. Provides insights and suggestions for relaxation.
- **Sleep Tracking:** Monitors your sleep patterns, including deep sleep, light sleep, and awake times. Provides a sleep score and recommendations for better sleep.
- **Luna Wellness (Women Wellness):** Offers dedicated features for women's health tracking, including menstrual cycle prediction and related insights.

Mood Monitoring

Luna Wellness

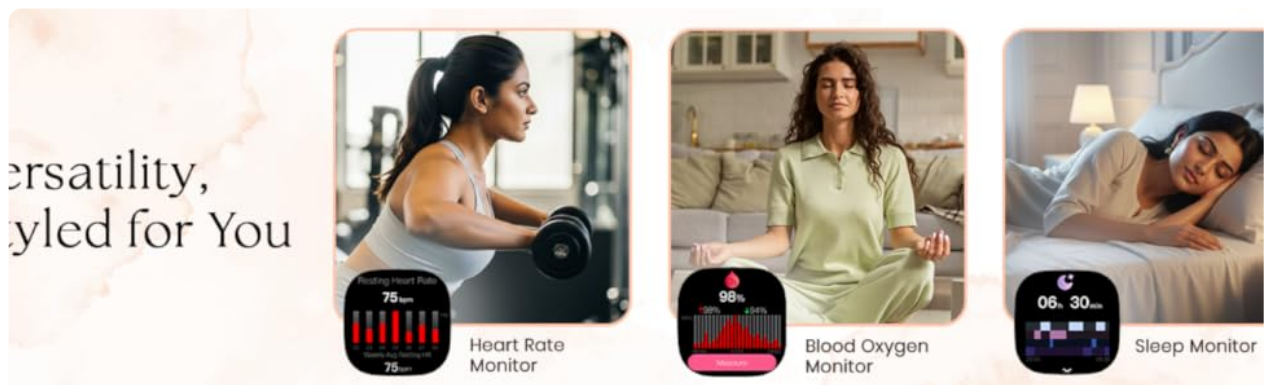

Track Your Progress

Track your mood and utilize Luna Wellness features for comprehensive women's health monitoring with the Titan AiRA Smart Watch.

4.5 AI Features

Experience enhanced interaction and personalization with AI-powered features.

The Titan AiRA Smart Watch offers AI-powered watch faces for personalization and an AI chat feature for smart interaction.

- **AI Chat:** Engage with an AI assistant directly from your watch for quick information or assistance.
- **AI Watch Faces:** Generate personalized watch face styles using AI, offering unique customization options.

4.6 Activity Tracking

The watch includes a multisport tracker to monitor various physical activities.

- Select your desired activity from the sports modes menu.
- The watch will track metrics such as steps, distance, calories burned, and active minutes.
- Review your workout summaries and progress in the Titan Smart app.

5. MAINTENANCE

5.1 Cleaning Your Smart Watch

To maintain the appearance and functionality of your watch:

- Wipe the screen and body with a soft, lint-free cloth.
- For stubborn dirt, slightly dampen the cloth with water. Avoid harsh chemicals or abrasive materials.
- Clean the charging contacts regularly to ensure proper charging.

5.2 Water Resistance (IP68)

Your Titan AiRA Smart Watch is rated IP68 for water and dust resistance. This means it is protected against immersion in water up to 1.5 meters for up to 30 minutes. It is suitable for everyday use, including hand washing and light rain. However, it is not recommended for swimming, diving, or high-pressure water activities. Avoid exposing the watch to hot water, steam, or detergents, as this may compromise its water resistance.

5.3 Battery Care

- Avoid fully discharging the battery frequently.
- Store the watch in a cool, dry place when not in use for extended periods.
- Use only the provided magnetic charging cable.

6. TROUBLESHOOTING

If you encounter issues with your Titan AiRA Smart Watch, try the following steps:

6.1 Watch Not Powering On

- Ensure the watch is fully charged. Connect it to the charger for at least 30 minutes.
- Press and hold the functional crown for 10-15 seconds to attempt a force restart.

6.2 Connectivity Issues (Bluetooth)

- Verify Bluetooth is enabled on both your watch and smartphone.
- Ensure the watch is within the Bluetooth range of your smartphone.
- Restart both your watch and smartphone.
- Unpair and re-pair the watch through the Titan Smart app.

6.3 Inaccurate Health Readings

- Ensure the watch is worn snugly on your wrist, not too tight or too loose.
- Clean the sensor on the back of the watch.
- Avoid excessive movement during readings.

6.4 Notifications Not Appearing

- Check notification settings in the Titan Smart app and your smartphone's system settings.
- Ensure the app has permission to send notifications.
- Verify the watch is connected to your smartphone.

7. SPECIFICATIONS

Feature	Specification
