OPERATION AND USAGE

The From the Tree Furniture Wardrobe is designed for flexible storage to meet your needs.

Adjustable Shelves:

The wardrobe includes two adjustable shelves. These shelves can be repositioned to different heights within the cabinet to accommodate items of varying sizes. To adjust, carefully remove the shelf and reposition the shelf pins into the desired holes along the side panels. Ensure all four pins are securely seated before placing items on the shelf.

Removable Hanging Rail:

A sturdy hanging rail is provided for garments. This rail can be installed or removed based on your storage preference. If you require more shelf space, the rail can be omitted during assembly or removed later. Ensure the rail is properly secured in its brackets when in use.

CARE AND MAINTENANCE

Proper care will ensure the longevity and appearance of your unfinished pine wardrobe.

- **Cleaning:** Wipe surfaces with a soft, dry, or slightly damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the unfinished wood.
- **Finishing:** As the wardrobe is unfinished pine, you have the option to paint, stain, or seal it to match your decor. Always test your chosen finish on an inconspicuous area first. Follow the manufacturer's instructions for any finishing products.
- **Moisture:** Protect the wood from excessive moisture and direct sunlight, which can cause warping, cracking, or discoloration.
- **Hardware:** Periodically check all screws and hardware to ensure they remain tight. Tighten as needed to maintain stability.

Troubleshooting

If you encounter any issues with your wardrobe, please refer to these common solutions:

- **Wobbly Wardrobe:** Ensure all cam locks and screws are fully tightened. Verify that the wardrobe is placed on a level surface. Re-check wall mounting.
- **Doors Not Aligning:** Check the hinge adjustments. Most hinges allow for minor adjustments to align doors horizontally, vertically, and in depth. Refer to the Installation Manual for specific hinge adjustment instructions.
- **Missing Parts:** If any parts are missing or damaged upon arrival, do not proceed with assembly. Contact customer support immediately.
