MERITLINE 156789

MERITLINE Twin Over Twin Floor Bunk Bed Model 156789 Instruction Manual

Your guide to safe assembly, operation, and maintenance.

1. Introduction

Thank you for choosing the MERITLINE Twin Over Twin Floor Bunk Bed, Model 156789. This manual provides essential information for the safe assembly, proper use, and maintenance of your new bunk bed. Please read all instructions carefully before beginning assembly and retain this manual for future reference.
This bunk bed features a durable solid wood construction, a staircase for easy access to the top bunk, full-length guardrails, and a safety door on the lower bunk. It is designed for use in various settings, including children's, teens', and adult bedrooms.

2. Safety Information

WARNING: Failure to follow these warnings and instructions could result in serious injury or death.

- Always follow the manufacturer's recommended mattress size and thickness.
- Ensure all connections are tight before use and periodically check to ensure they remain tight.
- The top bunk is not suitable for children under 6 years of age.
- Prohibit more than one person on the top bunk.
- Always use the provided staircase for access to the top bunk. Do not use alternative climbing methods.
- Ensure guardrails are properly installed and maintained.
- Do not attach or hang items to any part of the bunk bed that are not designed for use with the bed; for example, but not limited to, hooks, belts, and jump ropes.
- Periodically inspect the bed for any signs of damage or wear. Discontinue use if damage is found.
- The maximum weight capacity for this bunk bed is 400 LBS. Do not exceed this limit.

3. Package Contents

Before assembly, verify that all components are present and undamaged. If any parts are missing or damaged, do not proceed with assembly. Contact MERITLINE customer support for assistance.

- Bed frame components (headboards, footboards, side rails, support slats)
- Staircase components
- Guardrails
- Lower bunk safety door
- Hardware pack (screws, bolts, nuts, washers, Allen wrench)
- Assembly instructions manual

Weight Capacity	400 LBS
Recommended Top Bunk Mattress	6" thickness (not included)
Recommended Bottom Bunk Mattress	8-10" thickness (not included)
Assembly Required	Yes
Country of Origin	Vietnam

5. Setup and Assembly

Assembly of the MERITLINE bunk bed requires two adults. Please follow the step-by-step instructions provided in the separate assembly manual included with your package. Ensure you have ample space and all tools before starting.

5.1 Before You Begin

- Clear a large, open area for assembly.
- Unpack all components and hardware. Compare them against the parts list in the assembly manual.
- Keep children and pets away from the assembly area.

5.2 General Assembly Steps (Refer to separate manual for detailed steps)

1. Assemble the lower bunk frame first, attaching side rails to headboards/footboards.
2. Install the lower bunk support slats.
3. Attach the upper bunk supports and then the upper bunk frame.
4. Install the upper bunk support slats.
5. Assemble and attach the staircase unit to the bunk bed frame.
6. Install the full-length guardrails on the top bunk.
7. Attach the safety door to the lower bunk.
8. Ensure all bolts and screws are securely tightened. Do not overtighten.

Image 3: A side view of the MERITLINE bunk bed, highlighting the staircase with integrated drawers and shelves for storage.

6. Operating and Usage

6.1 Safe Access

- Use the integrated staircase for safe and easy access to the top bunk.
- The lower bunk features a small entry door for convenient access. Ensure this door is closed when the bed is in use, especially by younger children.

6.2 Mattress Placement

- Place a 6-inch thick mattress on the top bunk. Ensure the mattress surface is at least 5 inches below the top edge of the guardrails.
- Place an 8-10 inch thick mattress on the bottom bunk.
- No box spring is required for either bunk.

7. Maintenance

Proper maintenance will extend the life and ensure the safety of your MERITLINE bunk bed.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Hardware Check:** Periodically (every 3-6 months) check all bolts, screws, and connections to ensure they are tight. Retighten if necessary, but do not overtighten.
- **Inspection:** Regularly inspect the bed frame, slats, guardrails, and staircase for any signs of wear, cracks, or damage. Address any issues immediately.
- **Avoid Excessive Moisture:** Keep the bed in a dry environment to prevent wood warping or damage.

8. Troubleshooting

If you encounter any issues with your bunk bed, refer to the following common troubleshooting tips:

- **Bed feels wobbly:** Ensure all assembly hardware is securely tightened. Check for any loose connections.
- **Squeaking noises:** Tighten all bolts and screws. If noises persist, apply a small amount of furniture wax or silicone spray to the joints.
- **Missing parts during assembly:** Do not proceed with assembly. Contact MERITLINE customer support immediately for replacement parts.
- **Damage to wood:** For minor scratches, a wood repair kit can be used. For significant damage, contact customer support.

9. Warranty and Support

MERITLINE stands behind the quality of its products. For specific warranty details, please refer to the warranty card included with your purchase or visit the official MERITLINE website. If you require assistance with assembly, missing parts, or have any questions regarding your MERITLINE Twin Over Twin Floor Bunk Bed, please contact our customer support team.

MERITLINE Customer Support:

Contact information (e.g., phone number, email, website) would typically be provided here by the manufacturer.

Please have your model number (156789) and purchase date ready when contacting support.
