# KOTEK PI-TP10465 Toy Storage Organizer with Shelf - User Manual

## 1. INTRODUCTION

---

This manual provides instructions for the assembly, operation, maintenance, and safety of your KOTEK PI-TP10465 Toy Storage Organizer with Shelf. Please read this manual thoroughly before assembly and use to ensure proper function and safety. Keep this manual for future reference.

The KOTEK Toy Storage Organizer is designed to help children organize toys, books, and craft supplies. It features multiple storage options including shelves, removable bins, and cabinets, promoting independent organization habits.

## 2. SAFETY INFORMATION

---

Your safety and the safety of children are paramount. Please adhere to the following safety guidelines:

- **Anti-Tip Devices:** Always install the included anti-tip devices to secure the organizer to a wall. This prevents accidental tipping, which can cause serious injury.
- **Stable Placement:** Ensure the organizer is placed on a flat, stable surface. The 8 non-slip foot pads help maintain stability and protect floors.
- **Rounded Edges:** The organizer features rounded corners and smooth finishes to minimize the risk of bumps and scratches.
- **Weight Capacity:** Do not exceed the total weight capacity of 385 lbs. Distribute weight evenly across shelves and bins.
- **Child Supervision:** Always supervise children when they are using the storage organizer.
- **Compliance:** This product is fully compliant with ASTM and CPSIA standards for child safety.

### 3. PACKAGE CONTENTS

Before beginning assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- 1 x Kids Toy Storage Cabinet (Main Unit)
- 8 x Removable Bins (4 large, 4 small)
- 1 x User Manual (this document)
- Hardware Pack (screws, dowels, anti-tip kits, etc.)

### 4. ASSEMBLY INSTRUCTIONS

Assembly of the KOTEK Toy Storage Organizer is designed to be straightforward. Please follow the step-by-step instructions and diagrams provided in the separate assembly guide included in your package. Ensure you have the necessary tools (typically a screwdriver) before starting.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Identify Parts:** Refer to the parts list in the assembly guide to identify each component and hardware piece.
3. **Follow Step-by-Step Diagrams:** Assemble the main frame of the organizer according to the numbered steps and illustrations. Pay close attention to the orientation of each panel.
4. **Install Back Panels:** Secure the back panels to the frame, if applicable, to enhance stability.
5. **Attach Doors and Handles:** Install the cabinet doors using the provided hinges and attach the easy-pull handles.
6. **Insert Bins:** Once the main structure is complete, place the removable bins into their designated slots.
7. **Install Anti-Tip Kit:** Crucially, attach the anti-tip kit to the top rear of the organizer and secure it to a wall stud using appropriate wall anchors.
8. **Final Check:** Ensure all screws are tightened, and the organizer is stable before use.

## 5. OPERATING INSTRUCTIONS

The KOTEK Toy Storage Organizer is designed for intuitive use by children and adults.

- **Utilizing Bins:** The 8 removable bins are ideal for smaller toys, blocks, or craft supplies. Children can easily pull them out to access contents and return them.
- **Open Shelves:** The 4 open shelves are suitable for books, larger toys, or decorative items. The raised edges help prevent items from slipping off.
- **Cabinets:** The 2 enclosed cabinets provide discreet storage for items you wish to keep out of sight or for more delicate objects. Magnetic closures ensure the doors stay shut.
- **Top Shelf:** The wide top shelf can be used for lamps, storybooks, or other display items.
- **Encouraging Organization:** Encourage children to sort and store their belongings in designated areas to foster good organizational habits. The 39.5-inch height is optimal for children to reach items independently.

## 6. MAINTENANCE

To keep your KOTEK Toy Storage Organizer in optimal condition, follow these simple maintenance steps:

- **Cleaning:** The waterproof surface allows for easy cleaning. Wipe down the organizer with a damp cloth and mild soap as needed. Avoid abrasive cleaners or harsh chemicals.
- **Dusting:** Regularly dust all surfaces with a soft, dry cloth.
- **Check Fasteners:** Periodically check all screws and fasteners to ensure they are tight. Retighten if necessary to maintain structural integrity.
- **Bin Care:** The removable bins can be washed with soap and water. Ensure they are completely dry before returning them to the organizer.

## 7. TROUBLESHOOTING

If you encounter any issues with your KOTEK Toy Storage Organizer, please refer to the following common solutions:

- **Wobbly Organizer:**
  - Ensure all screws and fasteners are securely tightened.

- Verify the organizer is on a level surface. Adjust the non-slip foot pads if necessary.
  - Confirm the anti-tip devices are properly installed and secured to the wall.
- **Bins Not Sliding Smoothly:**
    - Check for any obstructions in the bin slots.
    - Ensure the bins are not overloaded.
- **Cabinet Doors Not Closing Properly:**
    - Check if anything is obstructing the door closure.
    - Verify the magnetic catches are aligned and securely attached.
- **Missing Parts:** If you find any parts missing during assembly, please contact KOTEK customer support immediately for assistance.
