Yardgrace Outdoor Storage Box

Yardgrace 200 Gallon Outdoor Waterproof Deck Box

Instruction Manual

INTRODUCTION

Thank you for choosing the Yardgrace 200 Gallon Outdoor Waterproof Deck Box. This manual provides essential information for the safe assembly, operation, and maintenance of your new storage solution. Please read these instructions carefully before beginning assembly and retain them for future reference.

The Yardgrace 200 Gallon Outdoor Deck Box, shown in light brown, provides ample storage for outdoor items.

SAFETY INFORMATION

- Ensure all parts are present and undamaged before assembly. Do not attempt to assemble with missing or damaged parts.
- Keep children and pets away from the assembly area. Small parts can be a choking hazard.
- Do not allow children to play inside the deck box. It is not a toy.
- Do not stand or sit on the deck box lid unless specified for seating. The maximum weight capacity for seating is 650 lbs.
- Always close the lid securely to prevent water ingress and to protect contents.
- When moving the deck box, ensure it is empty to prevent injury and damage.

PACKAGE CONTENTS

Your Yardgrace 200 Gallon Deck Box package typically arrives in two separate boxes. Please ensure you have received both boxes before beginning assembly.

Verify that all components listed in the assembly guide (provided separately or within the packaging) are present.

Common components include:

- Side Panels (2)
- Front Panel (1)
- Back Panel (1)
- Bottom Panel (1)
- Lid (1)
- Hydraulic Rods/Hinges (2)
- Fasteners and small hardware

SETUP AND ASSEMBLY

The Yardgrace deck box is designed for effortless assembly using intuitive snap-fit parts. Follow the visual instructions carefully for a quick setup.

1. **Unpack Components:** Lay out all panels and hardware on a clean, flat surface. Ensure no parts are missing or damaged.
2. **Assemble Base:** Connect the side, front, and back panels to the bottom panel using the snap-fit mechanism. Ensure all connections are secure.
3. **Attach Lid:** Secure the lid to the assembled base using the provided hinges and hydraulic rods. The hydraulic rods assist in smooth opening and closing.
4. **Final Checks:** Verify that all panels are firmly connected and the lid operates smoothly.

This image provides a step-by-step visual guide for the assembly process, from laying out components to securing the lid.

OPERATING INSTRUCTIONS

Opening and Closing the Lid

The deck box features hydraulic lid supports for smooth and controlled opening and closing. To open, gently lift the lid. The hydraulic rods will assist in holding it open. To close, gently pull the lid down until it rests securely on the box.

Lockable Feature

For added security, the deck box is designed with a lockable lid. A padlock (not included) can be inserted through the designated hole on the lid and front panel to secure your belongings.

PRODUCT DETAILS

Lockable

Side Handle

Details of the deck box showing the integrated lockable mechanism (lock not included) for security and the convenient side handle for easier repositioning.

Moving the Deck Box

The deck box includes built-in handles on the sides for easier repositioning. Always ensure the box is empty before attempting to move it to prevent strain or damage.

The deck box is shown open, revealing its spacious interior filled with patio cushions, pillows, and other outdoor essentials, highlighting its large storage capacity.

MAINTENANCE

To ensure the longevity and appearance of your Yardgrace deck box, follow these simple maintenance guidelines:

- **Cleaning:** Wipe down the exterior with a soft cloth, mild soap, and water. Avoid abrasive cleaners or harsh chemicals, as these can damage the resin material. Rinse thoroughly with clean water.

- **UV Protection:** The deck box is UV-resistant, but prolonged exposure to intense sunlight can still affect its finish over many years. Regular cleaning helps maintain its appearance.
- **Waterproof Seal:** Periodically check the lid and panel connections to ensure they remain secure and maintain the waterproof seal.
- **Winter Storage:** While designed for outdoor use, storing the box in a sheltered area during extreme winter conditions can further extend its lifespan.

This image illustrates the deck box's UV-resistant properties, protecting against sun damage, and its waterproof design, keeping contents dry during rain.

TROUBLESHOOTING

Lid Not Closing Properly

- **Check for obstructions:** Ensure no items inside the box are preventing the lid from closing fully.
- **Verify assembly:** Confirm that the hydraulic rods and hinges are correctly installed and not bent or damaged.

- Level surface: Make sure the deck box is on a flat, level surface. Uneven ground can cause misalignment.

Water Inside the Box

- Lid closure: Ensure the lid is fully closed and latched.
- Panel connections: Check all snap-fit panel connections for tightness. Re-snap any loose connections.
- Drainage: Ensure the box is not sitting in standing water, which could seep in from the bottom.

Difficulty Moving the Box

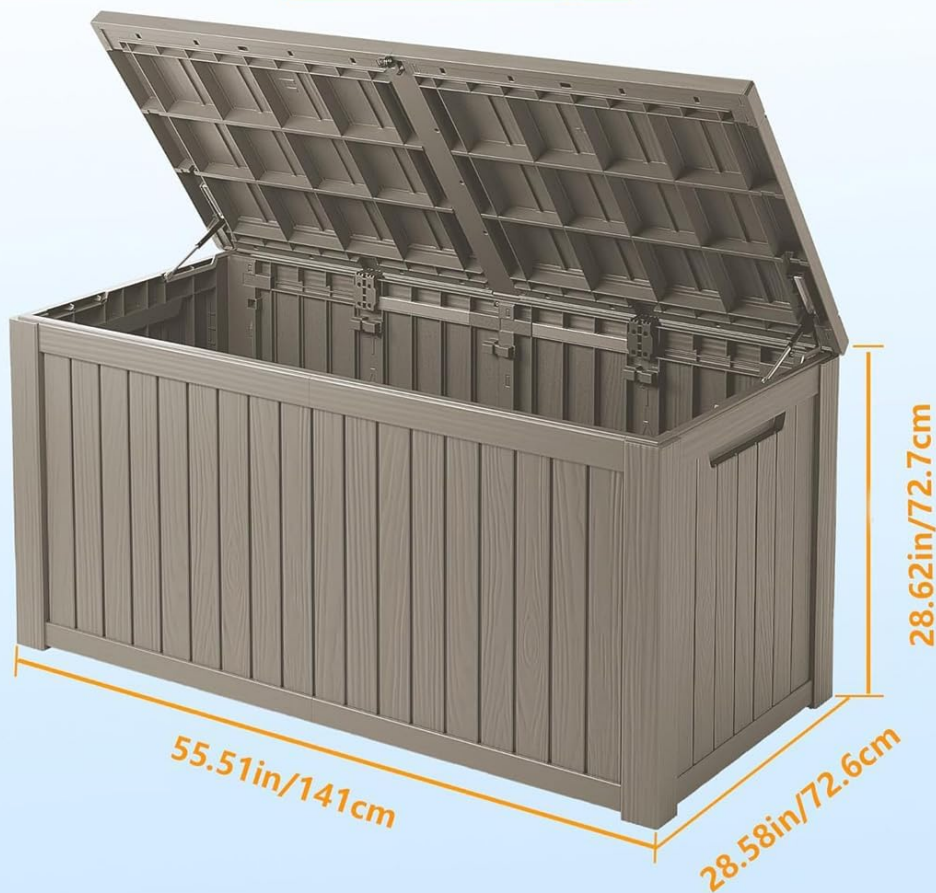

- Empty the box: Always empty the contents before attempting to move the deck box.
- Use handles: Utilize the built-in side handles for a better grip.

SPECIFICATIONS

Feature	Detail
Brand	Yardgrace
Model Number	Outdoor Storage Box
