ACCOHOHO LM108-SERIES

ACCOHOHO Farmhouse Queen Bed Frame Instruction Manual

Model: LM108-SERIES

1. INTRODUCTION

Thank you for choosing the ACCOHOHO Farmhouse Queen Bed Frame. This bed frame is designed to provide both comfort and practical storage solutions for your bedroom. It features a tall headboard with integrated storage, LED lighting, a charging station, and under-bed drawers. Please read this manual thoroughly before assembly and use to ensure proper setup and safe operation.

2. SAFETY INFORMATION

- **Weight Capacity:** Do not load more than 800 pounds (362 kg) on the bed frame.
- **Sharp Edges:** Exercise caution around sharp edges on the headboard during assembly and use.
- **Assembly:** Assembly requires multiple steps and can be time-consuming. It is recommended to have at least two adults for assembly. Follow all instructions carefully.
- **Power Outlets:** Ensure the charging station is connected to a properly grounded electrical outlet. Do not overload the outlets.
- **Children:** Keep small parts and packaging materials away from children during assembly.

3. PACKAGE CONTENTS

The ACCOHOHO Farmhouse Queen Bed Frame is typically delivered in two separate packages. Verify that all components listed in the included assembly instructions are present before beginning assembly. If any parts are missing or damaged, contact customer support.

4. ASSEMBLY INSTRUCTIONS

Detailed step-by-step assembly instructions are included with your bed frame. Please refer to the separate instruction booklet for specific diagrams and hardware identification. General steps include:

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Identify all hardware and panels according to the instruction manual.

3. Assemble the headboard structure, including the storage compartments and charging station.
4. Assemble the side rails and footboard, integrating the under-bed drawers.
5. Install the solid wood slats to create the platform for your mattress.
6. Place your Queen size mattress directly onto the slats. No box spring is required.

Note: Assembly can take several hours. Ensure you have adequate space and time for completion.

5. OPERATING INSTRUCTIONS

5.1. LED Light Strip

The headboard features an integrated LED light strip with 16 color options and 4 dynamic modes. Use the included remote control to adjust brightness and color settings. Plug the LED strip into a power source to activate.

LED Light with Remote Control

5.3. Storage Features

The bed frame offers extensive storage:

- **52" Tall Headboard:** Features multiple open shelves and two hinged barn-door style cabinets for discreet storage.
- **Under-Bed Drawers:** Four hidden drawers (two on each side) provide additional space for linens, clothing, or other items. These drawers can be quickly disassembled if needed.

2 Storage Cabinets with Barn Doors

The oversized headboard features two hinged barn door-style storage cabinets, providing extra storage space to keep your belongings organized and protected from damage.

4-Under-Bed Storage Drawers

Designed with 2 drawers on each side, it offers perfect storage space for your bed sheets, accessories, clothes, etc. The 4 drawers allow you to manage your bedroom optimally. In addition, the drawers can be quickly disassembled.

6. MAINTENANCE

- **Cleaning:** Wipe the bed frame with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Hardware:** Periodically check all screws and fasteners to ensure they are tight. Re-tighten if necessary to maintain stability.
- **LED Lights:** If the LED lights malfunction, check the power connection and remote control battery.

7. TROUBLESHOOTING

- **Squeaking Noises:** Ensure all bolts and screws are securely tightened. Uneven floor surfaces can also cause squeaking; try repositioning the bed or using furniture pads.
- **LED Lights Not Working:** Verify the power adapter is correctly plugged into both the wall outlet and the LED strip. Check the remote control battery and ensure it is pointed directly at the receiver.
- **Drawers Sticking:** Check for any obstructions in the drawer glides. Ensure the drawers are properly aligned within their tracks.
- **Damaged Parts:** If any part of the bed frame arrives damaged or becomes damaged during assembly, do not proceed with assembly. Contact customer support for replacement parts.

8. SPECIFICATIONS

Feature	Specification
Model Number	LM108-SERIES
Size	Queen
Product Dimensions	82.5"L x 64"W x 52"H
Color	Upgraded Deep Brown
