JMBricklayer 70019

JMBricklayer Mythic Dragon Tiles Building Block Set 70019 User Manual

Model: 70019

INTRODUCTION

This manual provides essential instructions for assembling, operating, and maintaining your JMBricklayer Mythic Dragon Tiles Building Block Set 70019. This set is inspired by historical Ming Dynasty dragon glazed tiles, designed as a decorative wall art piece with integrated LED lighting.

SAFETY INFORMATION

Please read and understand all safety warnings before assembly and use. This product contains small parts and is not suitable for children under 3 years due to choking hazards. Adult supervision is recommended during assembly.

- Keep small parts away from young children.
- Do not ingest any components.
- Handle LED light components with care to avoid damage.
- Ensure the battery box is correctly installed and sealed to prevent electrical hazards.

ASSEMBLY INSTRUCTIONS

The JMBricklayer Mythic Dragon Tiles Building Block Set 70019 comes with a detailed paper instruction manual. Follow

the step-by-step diagrams carefully for proper assembly. Separate the numbered bags of bricks as indicated in the manual to streamline the building process.

1. Unpack all components and verify against the package list.
2. Organize bricks by numbered bags as per the instruction manual.
3. Follow the visual steps in the provided paper manual to construct the base, dragon, flowers, and other decorative elements.
4. Pay close attention to the placement of LED light wires during assembly to ensure they are not pinched or damaged.

LED LIGHT INSTALLATION & OPERATION

This set includes an integrated LED light system to illuminate the dragon, flowers, and other elements. The LED lights feature dual modes: constant brightness and light sensitivity.

1. During assembly, carefully route the LED light strips as indicated in the instruction manual. The dragon bead, dragon eyes, dragon body, and lotus flowers are designed to be illuminated.
2. Connect the LED light strips to the rechargeable battery box. Ensure connections are secure.
3. The battery box typically has a switch to toggle between modes. Refer to the specific instructions in your manual for detailed operation of the constant brightness and light-sensitive modes.
4. In light-sensitive mode, the lights will automatically activate when ambient light levels are low, creating a glowing effect.

DISPLAY OPTIONS

The assembled model can be displayed in two primary ways:

- **Wall-Mountable:** The set is designed to be hung on a wall. Ensure appropriate wall anchors or hooks are used for secure mounting.
- **Freestanding:** The set can also be placed on a flat surface such as a table or shelf.

MAINTENANCE

To ensure the longevity and appearance of your building block set, follow these maintenance guidelines:

- **Cleaning:** Gently wipe the assembled model with a soft, dry cloth to remove dust. For stubborn dirt, a slightly damp cloth can be used, but avoid excessive moisture, especially near electrical components.
- **Storage:** If disassembling for storage, keep all pieces organized in sealed bags to prevent loss and damage. Store in a cool, dry place away from direct sunlight.

- **Battery Care:** Recharge the battery box as needed. If storing for an extended period, ensure the battery is partially charged and stored in a cool, dry place.

TROUBLESHOOTING

Issue	Possible Cause	Solution
Missing or damaged pieces	Manufacturing defect or packaging error.	Contact JMBricklayer customer support for replacement parts.
LED lights not working	Battery low, incorrect connection, or damaged wiring.	◦ Ensure the battery box is charged. ◦ Check all wire connections for proper seating. ◦ Verify the switch on the battery box is in the "ON" position or appropriate mode. ◦ Inspect wires for any visible damage.
Pieces do not fit together	Incorrect piece selection or improper alignment.	Double-check the instruction manual for the correct pieces and orientation for the current step. Ensure pieces are pressed firmly together.
