3IngSeagulls Portable Garment Rack

Instruction Manual - Model 3TYBTC

Introduction

Thank you for choosing the 3IngSeagulls Portable Garment Rack. This versatile 3-in-1 storage solution is designed to help organize your clothing, accessories, and shoes efficiently. It features a sturdy hanging rod, an adjustable shelf with dividers for bags, and a bottom mesh shelf, all on smooth-rolling wheels for easy mobility. Please read this manual carefully before assembly and use to ensure proper setup and safe operation.

Safety Information

- Ensure all parts are securely fastened before placing items on the rack.
- Do not exceed the maximum weight recommendation of 45 lbs per rod and bottom shelf.
- Distribute weight evenly to prevent tipping.
- Keep small parts away from children during assembly.
- Use on a flat, stable surface. Lock wheels when the rack is in a desired position.

Package Contents

Verify that all components are present before beginning assembly. Each part is labeled with a serial number for easy identification.

- Instruction Manual

Setup and Assembly

Assembly is required. All necessary parts and tools are included. Follow the detailed instructions provided in the package. Each part is labeled for straightforward installation.

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Identify the base frame pieces and attach the wheels. Ensure the two locking wheels are positioned on the same side for easy access.
3. Assemble the vertical support poles to the base frame using the provided hardware.
4. Attach the bottom mesh shelf to the lower section of the vertical poles.
5. Install the main hanging rod between the vertical poles at the desired height.
6. Place the adjustable shelf with dividers on the top section of the vertical poles. The dividers can be moved to customize compartment width.
7. Attach the 8 S-shaped hooks to the side frames or hanging rod as needed for additional storage.
8. Tighten all screws and connections to ensure stability.

Operating Instructions

Using the Hanging Rod

The sturdy hanging rod can support up to 45 lbs, accommodating approximately 20 pieces of clothing such as shirts, pants, jackets, and coats. Use standard hangers for optimal organization.

Adjustable Shelf with Dividers

The top shelf features 5 movable dividers. These dividers can be adjusted to customize the width of compartments, making it ideal for organizing purses of various sizes. When not used for bags, slide the dividers apart to create larger spaces for folded clothes, towels, or other bulky items.

Bottom Mesh Shelf

The bottom metal mesh shelf also supports up to 45 lbs. It is suitable for storing shoe boxes, multiple pairs of shoes, or other accessories in baskets or bins.

S-Shaped Hooks

Eight S-shaped hooks are included to maximize vertical storage space. Attach them to the side frames or the main hanging rod to hang hats, scarves, belts, umbrellas, or bags, keeping frequently used items easily accessible.

Mobility and Stability

The garment rack is equipped with 360-degree rotating wheels for easy movement. Two of the wheels include locking mechanisms. To secure the rack in place, press down on the locking levers on these wheels.

Maintenance

- **Cleaning:** Wipe the metal frame and shelves with a soft, damp cloth. Avoid abrasive cleaners that may damage the finish.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary to maintain stability.
- **Storage:** If disassembling for storage, keep all parts and hardware together in a safe place.

Troubleshooting

- **Wobbling:** If the rack feels unstable, ensure all assembly screws are fully tightened. Verify that the rack is placed on a level surface.
- **Difficulty Rolling:** Check that the wheels are free of debris and that the locking mechanisms are disengaged. If rolling on carpet, ensure the carpet is not excessively thick, which can impede movement.
- **Missing Parts:** If any parts are missing or damaged upon arrival, please contact customer support for assistance.
