Maintenance

- **Cleaning Rattan:** The hand-woven PE rattan is weather-resistant and does not absorb water. Clean with a damp cloth and mild soap. Rinse thoroughly and dry completely.

For deeper cleaning, remove covers if possible and follow care instructions on the label. Store cushions indoors during prolonged periods of rain or harsh weather to extend their lifespan.

- **Fire Pit Care:** Keep the stainless steel burner clean. Use the provided dust cover when the fire pit is not in use to protect it from elements. Regularly check gas connections for leaks.
- **General Care:** Periodically check all bolts and connections to ensure they remain tight.

Troubleshooting

- **Fire Pit Not Igniting:**
  - Check if the propane tank valve is fully open.
  - Ensure the igniter battery (if applicable) is functional.

  - Confirm there is propane in the tank.
