2. SAFETY INFORMATION

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions may result in injury or product damage.

- **Anti-Tipping Device:** It is crucial to install the included anti-tipping device to prevent the dresser from falling over, especially in households with children. Securely attach the dresser to a wall or floor as instructed.
- **Assembly:** Assembly should ideally be performed by two adults. Keep all small parts and packaging materials away from children during assembly to prevent choking hazards.
- **Weight Limits:** Do not overload drawers. Distribute weight evenly. Avoid placing excessively heavy items on top of the dresser.
