LIGE EF24-B

LIGE Smart Watch EF24-B User Manual

Model: EF24-B

INTRODUCTION

This manual provides detailed instructions for setting up, operating, and maintaining your LIGE Smart Watch EF24-B. Please read this manual thoroughly to ensure proper use and to fully utilize all features of your smartwatch.

WHAT'S IN THE BOX

- Smart Watch x 1
- Watch Band x 3 (One stainless steel, two silicone)
- Charging Cable x 2 (USB and Type-C magnetic charging cables)
- User Manual x 1

SETUP

1. Charging the Smart Watch

Before first use, fully charge your smartwatch. Connect one of the provided magnetic charging cables (USB or Type-C) to the charging points on the back of the watch and to a power source. A full charge typically takes about 2 hours.

2. App Installation and Pairing

To unlock the full functionality of your LIGE Smart Watch, download the companion app (e.g., "FitCloudPro" as mentioned in reviews) from your smartphone's app store (compatible with iOS 8.0+ and Android 4.4+).

1. Scan the QR code in the included user manual or search for "FitCloudPro" in the App Store (iOS) or Google Play Store (Android).
2. Install the app and create an account or log in.
3. Ensure Bluetooth is enabled on your smartphone.
4. Open the app and follow the on-screen instructions to add your device. Select "EF24" or the corresponding model from the list of available devices.
5. Confirm the pairing request on both your watch and smartphone.

Once paired, the watch will synchronize time and data with your phone, and you can customize settings and receive notifications.

OPERATING INSTRUCTIONS

Basic Navigation

- **Touch Screen:** Swipe left/right, up/down to navigate through menus and features. Tap to select.
- **Side Buttons:** The watch features side buttons for power, back, and quick access to sports modes. Refer to the watch's interface for specific button functions.

The watch is equipped with an 8Ω speaker and a 42dB microphone for clear audio during calls and voice assistant interactions.

Smart Notifications

Receive real-time alerts from social applications like Facebook, Twitter, and WhatsApp directly on your watch. Ensure notification permissions are enabled in the companion app.

Sports Modes

The watch offers over 100 sports modes, including walking, running, cycling, tennis, and more. Select your desired activity to track key metrics such as steps, distance, calories, and exercise duration.

Other Features

- **AI Voice Assistant:** Interact with your watch using voice commands.
- **Music Control:** Control music playback on your smartphone.
- **Remote Camera:** Use your watch as a remote shutter for your phone's camera.
- **Weather Display:** Get real-time weather updates.
- **Alarm Clock:** Set alarms directly from your watch.
- **Sedentary Reminder:** Get alerts to move after periods of inactivity.
- **Water Reminder:** Reminders to drink water.
- **Find Phone:** Locate your paired smartphone by making it ring.
- **Custom Watch Faces:** Choose from 200+ online dials or upload your own photo to create a unique background.

MAINTENANCE

Water Resistance (IP68)

The LIGE Smart Watch EF24-B is IP68 water-resistant, protecting it from splashes, rain, and sweat. It is suitable for swimming but not recommended for hot showers, saunas, or diving due to steam and pressure.

Cleaning

Wipe the watch and straps regularly with a soft, dry cloth. For stubborn dirt, use a slightly damp cloth and dry thoroughly. Avoid harsh chemicals or abrasive materials.

Battery Care

To prolong battery life, avoid extreme temperatures and fully discharge and recharge the watch periodically.

TROUBLESHOOTING

- **Watch not turning on:** Ensure the watch is fully charged.
- **Cannot pair with phone:**
 - a. Ensure Bluetooth is enabled on your phone and the watch is within range.
 - b. Restart both the watch and your phone.
 - c. Check if the companion app is updated to the latest version.
 - d. Forget the device in your phone's Bluetooth settings and try pairing again through the app.
- **Inaccurate health data:** Ensure the watch is worn snugly on your wrist. Avoid excessive movement during measurements. Remember, data is for reference only.
- **Notifications not appearing:** Check app notification permissions on your phone and within the companion app settings. Ensure the watch is connected via Bluetooth.

SPECIFICATIONS

Feature	Detail
Model Number	EF24-B
Display Size	1.7 Inches TFT, 360*360 resolution
