1. SAFETY INFORMATION

Please read all safety warnings and instructions carefully before assembly and use. Keep this manual for future reference.

- Always unplug the vanity desk before assembly, disassembly, or cleaning.
- Be cautious of sharp edges and pinch points during assembly.
- Do not use the vanity desk if the mirror or electrical components are damaged.
- Keep the vanity desk away from water to prevent electrical hazards.
- Always follow the assembly instructions carefully.
- Ensure all connections are secure before use.
- Do not overload drawers or shelves.
- This product is intended for indoor use only.

2. PACKAGE CONTENTS

Verify that all components listed below are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Vanity Desk Frame Components
- LED Mirror with integrated lighting
- Storage Stool
- 8 Drawers (various sizes)
- Hardware Pack (screws, dowels, drawer slides, handles)
- Power Cord
- Assembly Instructions Manual

Large Capacity Storage

For all your beauty needs

3. SETUP AND ASSEMBLY

Assembly of the IRONCK Vanity Makeup Desk typically requires two people and takes approximately 30-60 minutes. Follow the detailed instructions provided in the separate assembly manual included with your package.

3.1 Pre-Assembly Checklist

- Ensure you have enough space for assembly.
- Lay out all components and hardware, comparing them against the parts list.
- Gather necessary tools (e.g., screwdriver, hammer - usually not included).

3.2 Assembly Steps Overview

1. Assemble the main desk frame using the provided screws and dowels.
2. Install the drawer slides onto the desk frame.

3. Assemble each drawer and attach the handles.
4. Insert the assembled drawers into the desk frame.
5. Attach the LED mirror unit to the top of the desk.
6. Assemble the storage stool.
7. Connect the power cord to the vanity desk and a suitable power outlet.

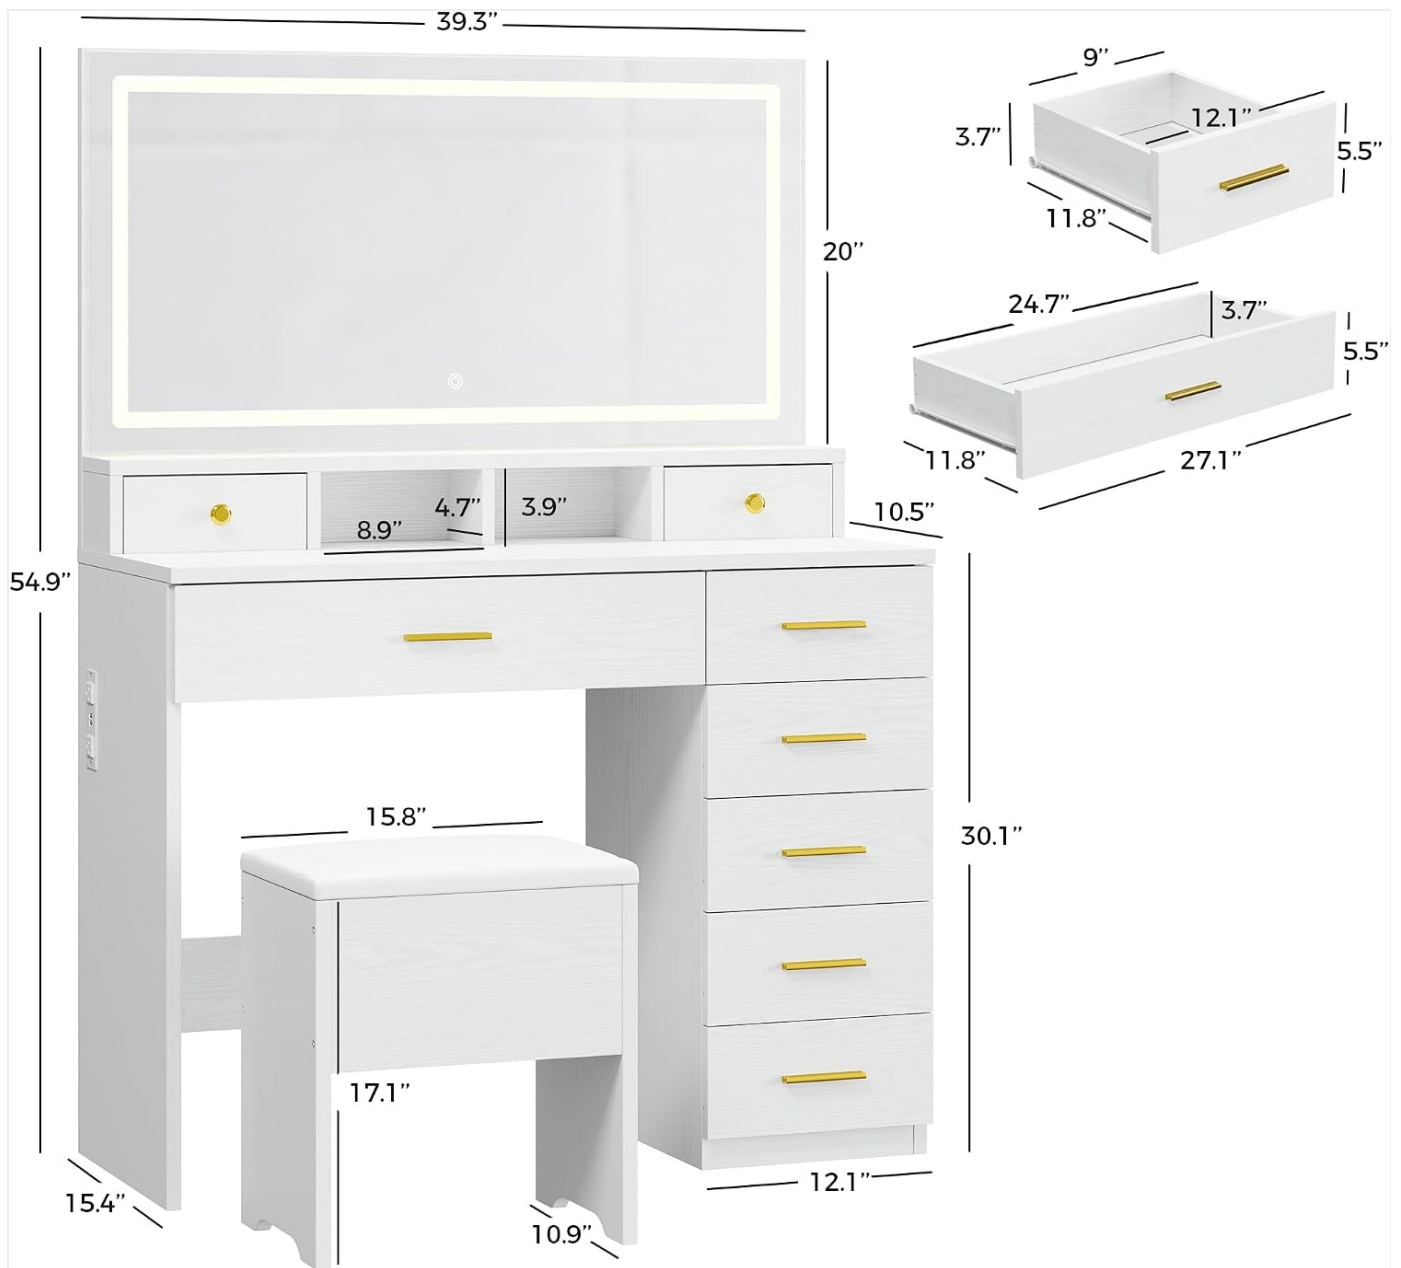

Image 3.1: Detailed dimensions of the vanity desk, mirror, and drawers to aid in assembly and placement.

The desk is constructed from premium MDF boards, ensuring sturdiness. The drawers are designed for silent, smooth gliding.

4. OPERATING INSTRUCTIONS

4.1 LED Mirror Lighting

The integrated LED mirror features touch controls for adjusting light modes and brightness.

- **Power On/Off:** Lightly touch the power icon on the mirror to turn the lights on or off.
- **Change Light Mode:** Short press the touch control to cycle through three light modes:

- **Warm Light (3000K):** Ideal for warm lighting environments, simulating evening light.
- **Natural Light (4000K):** Simulates natural daylight, suitable for everyday makeup application.
- **Cold Light (6000K):** Provides bright, detailed illumination, similar to office lighting, for precise tasks.
- **Adjust Brightness:** Long press the touch control while in any single light mode to adjust the brightness level. Release when the desired brightness is achieved.

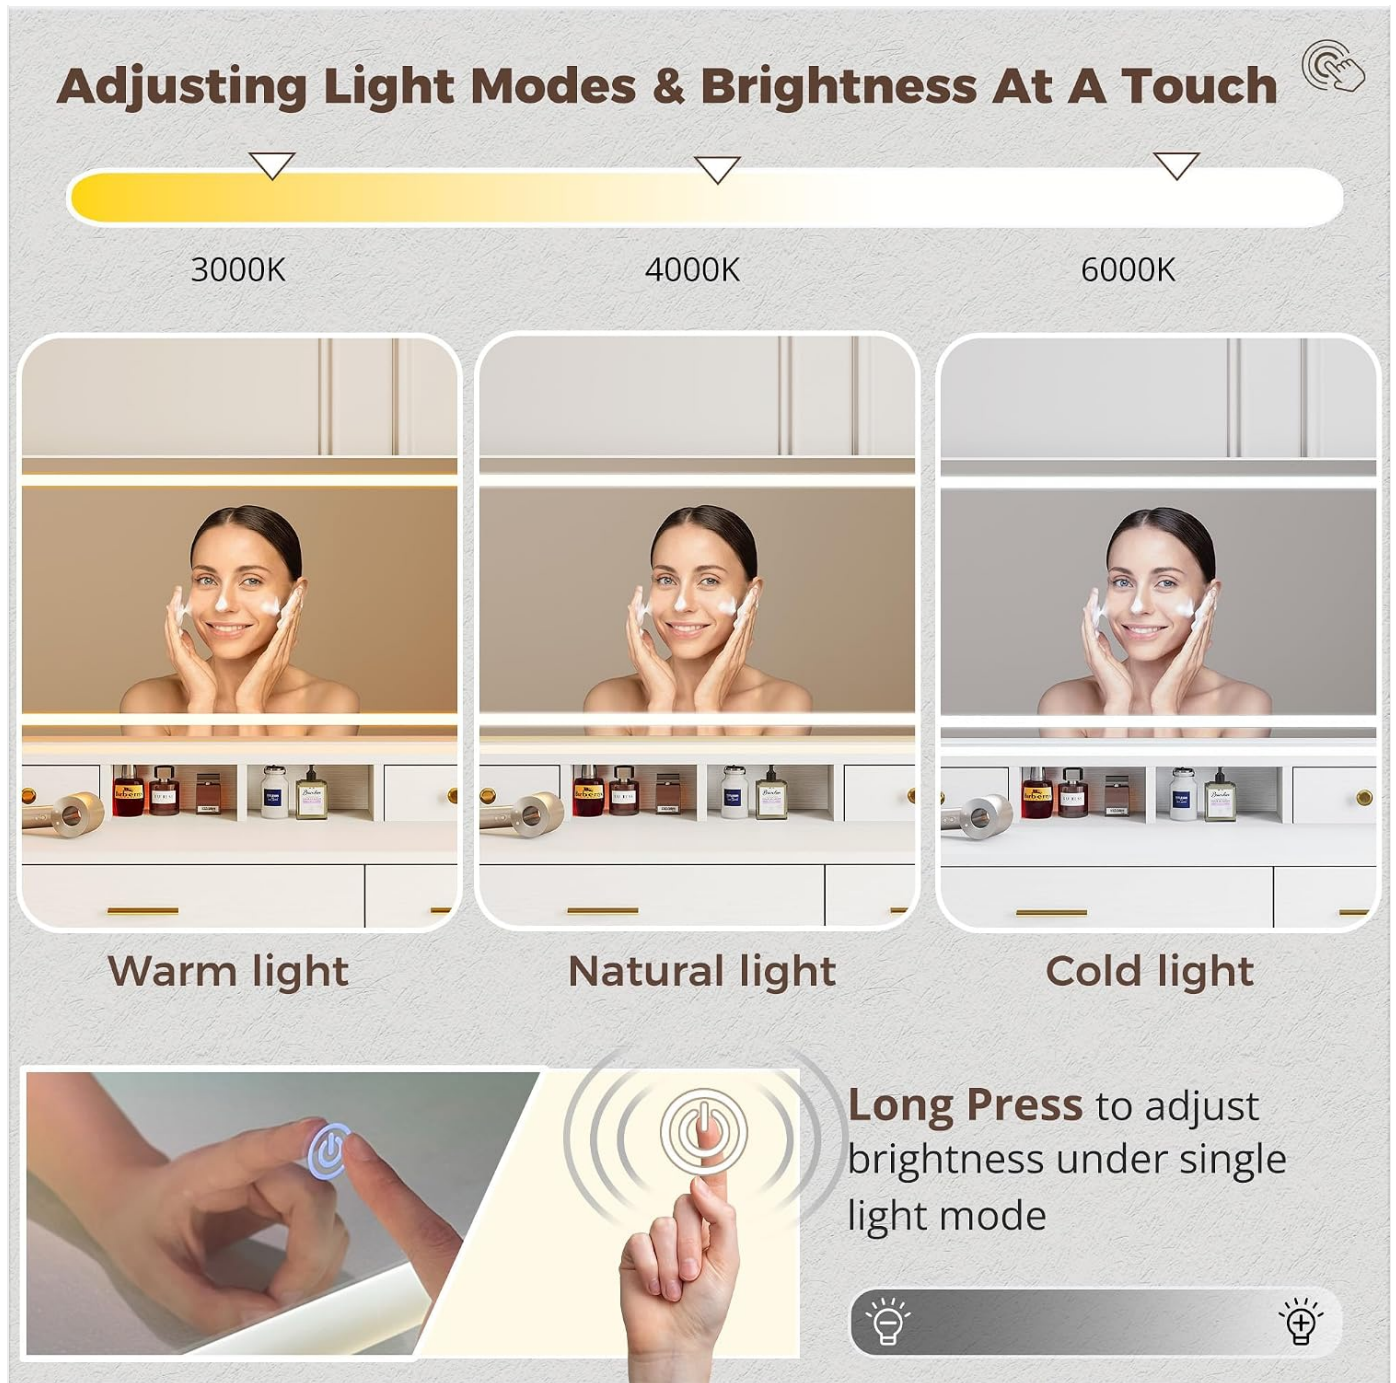

Image 4.1: Visual guide for adjusting the LED mirror's light modes and brightness via touch control.

4.2 Integrated Power Outlets and USB Ports

The vanity desk includes built-in AC outlets and USB ports for convenient charging and powering of your devices.

- **AC Outlets (2):** 125V/12A. Use for hair dryers, curling irons, or other AC-powered accessories.
- **USB Ports (2):** 5V/2A. Use for charging smartphones, tablets, or other USB-powered devices.

Image 4.2: Detail of the power panel with two AC outlets and two USB ports.

4.3 Storage Features

The vanity desk is designed with ample storage to keep your items organized.

- **8 Drawers:** Various sizes for different items, including a large drawer, two small drawers, and five medium drawers.
- **Dual-Level Desktop:** Provides additional surface area and organization options.
- **Storage Stool:** The upholstered stool features a lift-top design for hidden storage, helping to keep your space tidy.

Image 4.4: An aerial view of the vanity desk with several drawers open, demonstrating the various storage compartments for makeup and accessories.

5. MAINTENANCE

Proper care and maintenance will extend the life and appearance of your vanity desk.

- **Cleaning the Surface:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the engineered wood finish.
- **Cleaning the Mirror:** Use a glass cleaner and a lint-free cloth for the mirror. Spray cleaner onto the cloth, not directly onto the mirror, to prevent liquid from seeping into the electrical components.
- **Drawer Maintenance:** Periodically check drawer slides for smooth operation. If a drawer becomes stiff, ensure it is not overloaded and that the slides are clean.

- **Electrical Components:** Ensure the power cord and electrical outlets are free from dust and debris. Do not attempt to repair damaged electrical components yourself.
- **Avoid Moisture:** Keep the vanity desk away from excessive moisture and direct sunlight to prevent warping or discoloration.

6. TROUBLESHOOTING

If you encounter issues with your IRONCK Vanity Makeup Desk, refer to the following common problems and solutions.

Problem	Possible Cause	Solution
LED mirror lights do not turn on.	◦ Power cord not connected. ◦ Outlet not functioning. ◦ Touch sensor not responding.	◦ Ensure the power cord is securely plugged into both the desk and a working wall outlet. ◦ Test the outlet with another device. ◦ Gently clean the touch sensor area. If still unresponsive, contact support.
Drawers are stiff or do not slide smoothly.	◦ Overloaded drawer. ◦ Drawer slides are dirty or misaligned. ◦ Incorrect assembly.	◦ Reduce the weight in the drawer. ◦ Clean the drawer slides. Check for any obstructions. ◦ Refer to the assembly manual to ensure drawers and slides were installed correctly.
AC outlets or USB ports are not working.	◦ Desk power cord not connected. ◦ Device not compatible or faulty.	• Verify the main power cord for the desk is plugged in. • Test with a different device or cable.

7. SPECIFICATIONS

Feature	Detail
Model Number	HK-YN-SZT01
Brand	IRONCK
