# Waleaf 70-inch Fluted Fireplace TV Stand with 23-inch Electric Fireplace Instruction Manual

Model: XD-70TVS-23PC

## IMPORTANT SAFETY INFORMATION

Please read and understand all instructions and safety warnings before assembling, installing, or operating this product. Failure to follow these instructions may result in electric shock, fire, property damage, or personal injury.

- Always disconnect the electric fireplace from the power supply before cleaning or performing any maintenance.
- Do not operate the fireplace with a damaged cord or plug, or if the heater malfunctions or has been dropped or damaged in any manner.
- Keep combustible materials, such as furniture, pillows, bedding, papers, clothes, and curtains at least 3 feet (0.9 m) from the front of the heater and away from the sides and rear.
- Ensure the TV stand is placed on a stable, level surface.
- Do not overload the TV stand's top surface or shelves.

## PRODUCT OVERVIEW

The Waleaf 70-inch Fluted Fireplace TV Stand is designed to accommodate televisions up to 80 inches and features an integrated 23-inch electric fireplace. This unit combines functional storage with an aesthetic focal point for your living space.

### Assembly Instructions:

1. **Unpack Components:** Carefully remove all parts from the packaging. Verify that all components and hardware listed in the included instruction manual are present. The packaging includes protective foam to prevent damage during transit.
2. **Identify Parts:** All parts are labeled for easy identification. Refer to the assembly diagram provided in the separate instruction booklet.
3. **Assemble TV Stand Frame:** Follow the step-by-step instructions to construct the main frame of the TV stand. Pre-drilled holes are provided for accurate alignment.
4. **Install Shelves and Doors:** Attach the adjustable cabinet shelves and sliding side doors as per the instructions.
5. **Integrate Electric Fireplace:** Once the TV stand frame is complete, carefully insert the 23-inch electric fireplace into its designated opening. Ensure it is securely seated.
6. **Final Placement:** Position the assembled TV stand on a flat, stable surface in your desired location.

### OPERATING THE ELECTRIC FIREPLACE

The electric fireplace offers realistic flame effects and adjustable heating. It can be controlled via the integrated control panel or the included remote control.

### Remote Control Functions:

- **Power:** Turns the fireplace ON/OFF.
- **Heater:** Activates the heating function. Choose between 750W or 1500W heat output. The heating can be used independently of the flame effect.
- **Timer:** Sets an automatic shutdown timer for the fireplace.
- **Child Lock:** Engages or disengages the child lock feature for safety.
- **Dimmer:** Adjusts the brightness of the flame effect.
- **Flame Speed:** Changes the speed of the flame animation.
- **Color:** Cycles through 7 changeable flame color options to match your ambiance.

The fireplace features realistic log effects and 3D flame technology for an enhanced visual experience. The heating function provides supplemental warmth for your room.

### STORAGE AND DESIGN FEATURES

The TV stand is designed with both aesthetics and functionality in mind, offering ample storage and a distinctive curved profile.

- **Adjustable Shelves:** The cabinet sections feature 5-level adjustable shelves, allowing you to customize storage space for various items, from media devices to decorative objects.
- **Sliding Side Doors:** Smooth-gliding side doors conceal storage compartments, maintaining a tidy appearance.
- **Curved Profile Design:** The unique wavy grooved panels and curved silhouette add a modern and sophisticated touch to your living room decor.
- **Stable Base:** The robust base ensures stability and durability for the entire unit.

## MAINTENANCE

Regular maintenance will help prolong the life and appearance of your TV stand and electric fireplace.

- **Cleaning the TV Stand:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.

- **Cleaning the Electric Fireplace:** Ensure the fireplace is turned off and unplugged before cleaning. Use a soft, dry cloth to wipe the exterior. Do not spray liquids directly onto the unit.
- **Dusting:** Regularly dust all surfaces to prevent buildup.

## TROUBLESHOOTING

If you encounter issues with your Waleaf TV stand or electric fireplace, refer to the following common solutions:

- **Fireplace Not Turning On:** Check if the power cord is securely plugged into a working outlet. Ensure the power switch on the unit (if applicable) is in the 'ON' position. Verify that the circuit breaker has not tripped.
- **No Heat Output:** Confirm the heater function is activated via the control panel or remote. Check if the thermostat setting is higher than the room temperature.
- **Remote Control Not Working:** Replace the batteries in the remote control. Ensure there are no obstructions between the remote and the fireplace's receiver.
- **Unstable TV Stand:** Verify that all assembly hardware is tightened securely. Ensure the stand is placed on a level floor.

For issues not resolved by these steps, please contact customer support.
