

Warmco HC2

Warmco Portable Handheld Turbo Fan HC2 User Manual

Model: HC2

1. IMPORTANT SAFETY INSTRUCTIONS

Please read all safety instructions before using this product. Keep this manual for future reference.

- Do not insert fingers or any objects into the fan grille.
- Keep hair, clothing, and jewelry away from the fan blades during operation.
- Do not use the fan in wet or damp environments.
- Keep the fan away from heat sources, direct sunlight, and flammable materials.
- This product contains a built-in lithium battery. Do not disassemble, impact, or expose to high temperatures.
- Charge the fan using the provided USB-C cable and a compatible 5V/2A power adapter.
- Do not allow children to operate the fan unsupervised.
- If the fan exhibits abnormal behavior, stops working, or is damaged, discontinue use immediately.

2. PRODUCT OVERVIEW

The Warmco HC2 is a portable handheld turbo fan designed for personal cooling. It features a powerful motor, a 5000mAh rechargeable battery, and a smart LED display for battery and speed indication. The fan can be used handheld or placed on a desktop using its detachable base.

3.3 Using the Detachable Base

For desktop use, insert the fan handle firmly into the detachable base. Ensure it is stable before operation.

4. OPERATING INSTRUCTIONS

4.1 Power On/Off and Speed Adjustment

1. **Power On:** Press the power button once to turn on the fan at speed level 1.
2. **Adjust Speed:** Each subsequent short press of the power button will cycle through speed levels 1, 2,

3, and 4.

3. **Power Off:** Long press the power button for approximately 2 seconds to turn off the fan from any speed setting.

4.2 LED Display

The integrated LED display shows the current fan speed (1-4) and the remaining battery percentage. This allows for easy monitoring of the fan's status.

5. CLEANING AND MAINTENANCE

Regular cleaning helps maintain optimal performance and extends the lifespan of your fan.

5.1 Cleaning the Fan Grille

1. Ensure the fan is turned off before cleaning.
2. Gently twist the rear cover counter-clockwise to remove it.
3. Use a soft, dry cloth or a small brush to clean any dust or debris from the fan blades and the inside of the grille.
4. Do not use water or harsh chemicals to clean the fan.
5. Align the rear cover and twist clockwise to secure it back in place.

Note: The fan blades are not detachable.

6. TROUBLESHOOTING

Problem	Possible Cause	Solution
Fan does not turn on.	Low battery.	Charge the fan using the USB-C cable.
Weak airflow.	Fan speed is too low. / Grille is obstructed.	Increase the fan speed. / Clean the fan grille and blades.
Fan stops unexpectedly.	Battery is depleted.	Recharge the fan.
Unusual noise during operation.	Obstruction in fan blades. / Loose rear cover.	Turn off the fan and check for obstructions. Ensure the rear cover is securely fastened.

7. SPECIFICATIONS

Feature	Detail
Model Name	HC2
Battery Capacity	5000mAh
Runtime	6-18 hours (depending on speed setting)
Motor Speed	Up to 7000 RPM
Max Airflow	7m/s
Charging Time	Approx. 3 hours (with 5V/2A adapter)
Number of Speeds	4
Noise Level	50 Decibels
Wattage	10 watts
Voltage	5 Volts
Dimensions (D x W x H)	1.57" x 6.92" x 2.99" (4.00 x 17.60 x 7.60 cm)
Weight	0.49 lbs (239g)
Material	Acrylonitrile Butadiene Styrene
