FOCO Aston Villa FC BRXLZ 3D Football Construction Toy Instruction Manual

INTRODUCTION

Thank you for purchasing the FOCO Aston Villa FC BRXLZ 3D Football Construction Toy. This kit allows you to build a detailed, pixelated replica of an Aston Villa FC football using interlocking construction bricks. Once assembled, this model serves as an excellent display piece for fans and collectors.

This manual provides essential information for the assembly, operation, and maintenance of your BRXLZ construction toy. Please read all instructions carefully before beginning assembly.

SAFETY WARNINGS

WARNING: CHOKING HAZARD - Small Parts. Not for children under 3 years.

- This product contains small parts which may pose a choking hazard. Keep all components away from young children and pets.
- Recommended for ages 12 years and older (Manufacturer's minimum age: 144 months).
- Adult supervision is recommended during assembly, especially for younger users.
- Do not ingest any parts of the construction toy.
- Dispose of packaging materials responsibly.

SETUP AND ASSEMBLY

The FOCO Aston Villa FC BRXLZ 3D Football Construction Toy comes as a kit with 693 interlocking plastic pieces. Follow these general steps for assembly:

1. **Unpack Components:** Carefully remove all pieces from the packaging.
2. **Sort Pieces:** Organize the construction bricks by color and size. This will significantly aid in the assembly process. The kit primarily features light blue and maroon bricks, reflecting Aston Villa's alternative team colors, along with a green base.
3. **Follow Included Diagrams:** Refer to the detailed assembly diagrams provided within your product packaging. These diagrams illustrate the step-by-step process for connecting the bricks to form the 3D football model.
4. **Connect Bricks:** Begin by connecting the base pieces as indicated in the instructions. Gradually build upwards,

ensuring each brick is firmly interlocked with its neighbors.

5. **Apply Stickers:** Once the main structure of the football is complete, carefully apply the Aston Villa FC logo stickers to the designated areas as shown in the assembly guide.
6. **Final Inspection:** After assembly, ensure all pieces are securely connected and the model is stable.

OPERATING (DISPLAY AND PLAY)

Once assembled, your BRXLZ 3D Football is ready for display or gentle play.

- **Display:** Place your finished model on a flat, stable surface. It is designed to be a collectible display item, perfect for showcasing your team pride.
- **Gentle Play:** While durable, avoid throwing, dropping, or applying excessive force to the model, as this may cause pieces to detach.
- **Interactivity:** The model is a static display piece. It does not have moving parts or electronic functions.

MAINTENANCE

Proper care will ensure your BRXLZ model remains in excellent condition.

- **Cleaning:** To clean the model, gently wipe it with a soft, dry cloth. For stubborn dust, a slightly damp cloth can be used, followed by immediate drying. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** If disassembling for storage, keep all pieces in a sealed container to prevent loss. The product is designed to be "Easy to store."
- **Avoid Extreme Conditions:** Do not expose the model to direct sunlight for prolonged periods or to extreme temperatures, as this may cause discoloration or warping of the plastic bricks.

TROUBLESHOOTING

Should you encounter any issues during assembly or with your finished model, consider the following:

- **Missing Pieces:** Double-check the packaging and surrounding area for any small pieces that may have been overlooked. If pieces are genuinely missing, contact FOCO customer support (see Support section).
- **Difficulty Connecting Bricks:** Ensure bricks are aligned correctly before applying pressure. Some connections may require a firm push. Avoid forcing misaligned pieces.
- **Model Instability:** Review the assembly steps to ensure all bricks are securely interlocked. Loose connections can lead to instability.
- **Sticker Application Issues:** If stickers are not adhering properly, ensure the surface is clean and dry. Avoid touching the adhesive side of the sticker.
