Norelco MG7975/49

Philips Norelco All-in-One 7000 Series Trimmer MG7975/49 Instruction Manual

Model: MG7975/49

1. PRODUCT OVERVIEW

The Philips Norelco All-in-One 7000 Series Trimmer (MG7975/49) is a versatile grooming tool designed for face, beard, head, and body. It features self-sharpening full metal blades for lasting precision and a durable lithium-ion battery providing up to 5 hours of runtime.

This 22-piece kit includes various attachments and combs to achieve a wide range of styles and lengths, from precise beard trimming to full body grooming.

Key Features:

- **22 Attachments:** Comprehensive set for beard, hair, nose/ear, and body grooming.
- **Self-Sharpening Steel Blades:** Designed for long-lasting precision without the need for blade oil.
- **BeardSense Technology:** Automatically adjusts power based on beard density for an even trim.
- **Long-Lasting Battery:** Up to 5 hours of runtime with a 5-minute quick charge option.
- **100% Showerproof:** Suitable for wet and dry use, and easy to clean under running water.

2. SAFETY INFORMATION

WARNING: To reduce the risk of electric shock, injury, or damage:

- Do not use the trimmer near water while charging.
- Ensure the appliance is dry before connecting it to the power adapter.
- Keep the appliance and power cord away from heated surfaces.
- Do not use the appliance if it is damaged.

- Keep out of reach of children.
- Blades are sharp; handle with care to avoid cuts.

3. SETUP AND CHARGING

Initial Charge:

Before first use, fully charge the trimmer. Connect the USB-A charging cable to the trimmer and a compatible USB-A power adapter (not included). A full charge provides up to 5 hours of runtime. A 5-minute quick charge offers enough power for one trimming session.

Attaching/Detaching Heads and Guards:

The trimmer features an easy click-on/off system for attachments. To attach a head or guard, align it with the trimmer body and press firmly until it clicks into place. To detach, gently pull the attachment away from the trimmer body.

4. OPERATING INSTRUCTIONS

General Trimming:

Select the desired trimming head and attach it securely. For general trimming, use the full metal blade. For specific lengths, attach the appropriate comb. Turn on the trimmer by pressing the power button.

Beard and Facial Hair:

Use the premium precision comb for 11 length settings (1 to 3 mm in 0.2 mm steps) to achieve your

desired beard style. The detail trimmer helps create sharp lines and fine details around cheeks, chin, and neck. The BeardSense Technology ensures consistent power for dense beards.

Premium precision comb

Delivers maximum precision
with 11 length settings
in 0.2mm steps

BeardSense technology

Scans beard 125x times and adapts power to beard density for even trim on most demanding beards

Image: Visual representation of BeardSense technology detecting beard density and adapting power for an even trim.

Head and Body Hair:

Utilize the wide hair clipper and various hair combs (4-16 mm) for haircuts. For body grooming, attach the body combs (3-5 mm) or the Skin Protect comb for a gentle, effective trim. The nose and ear hair trimmer attachment safely removes unwanted hair.

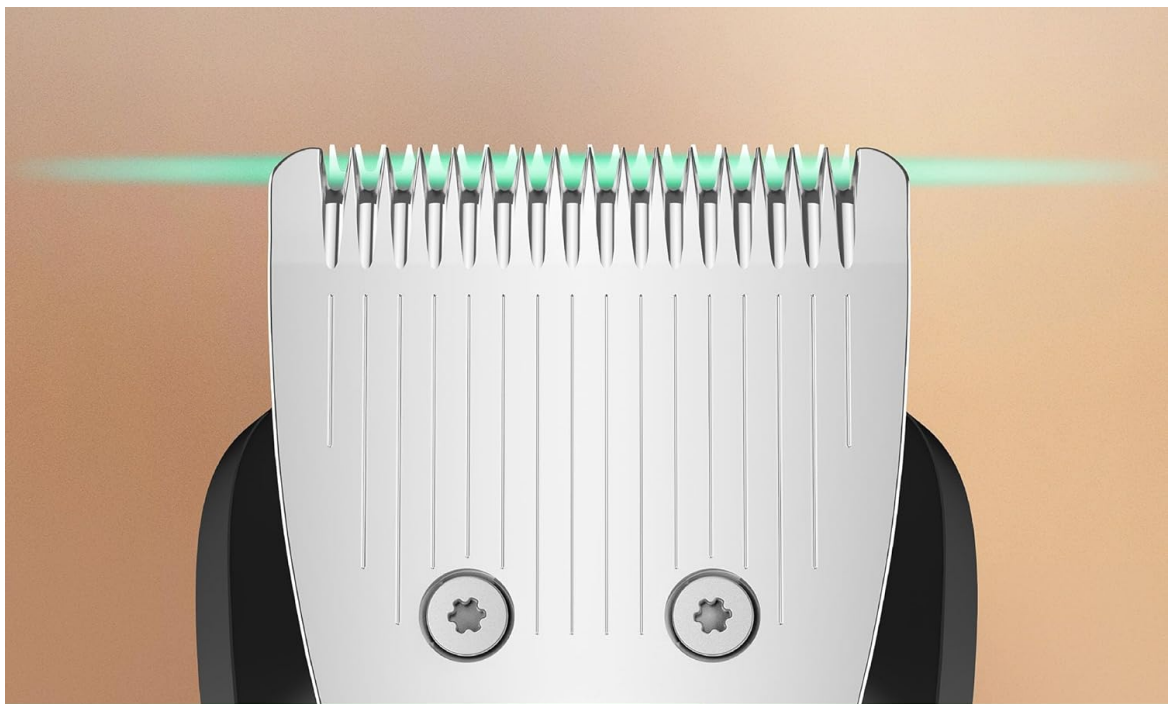

5. MAINTENANCE AND CLEANING

Cleaning:

The trimmer is 100% showerproof, allowing for easy cleaning. Simply rinse the trimmer head and attachments under running water after each use. Ensure the trimmer is turned off before cleaning.

Blade Care:

The self-sharpening steel blades require no oiling or special maintenance. They are designed to stay sharp for long-lasting precision.

Self-sharpening metal blades

Long-lasting performance with self-sharpening metal blades

6. TROUBLESHOOTING

- **Trimmer not turning on:** Ensure the battery is charged. Connect to the USB-A charging cable and allow for a quick charge or full charge.
- **Reduced trimming performance:** Clean the trimming head and combs thoroughly. Ensure no hair is lodged in the blades.
- **Attachments not fitting:** Verify that the correct attachment is being used for the desired grooming area and that it is aligned properly before pressing firmly.
