Korfile Vanity Desk with Mirror and LED Lights (Model VD021) Instruction Manual

Model: VD021 | Brand: Korfile

INTRODUCTION

Thank you for choosing the Korfile Vanity Desk with Mirror and LED Lights. This modern makeup vanity is designed to provide a functional and organized space for your beauty routine. It features a compact design with storage, an LED mirror with adjustable lighting, and a built-in power outlet with USB ports. This manual provides essential information for assembly, operation, maintenance, and troubleshooting to ensure optimal use of your new vanity desk.

SAFETY INFORMATION

Please read and follow all safety instructions carefully before assembly and use to prevent injury or damage to the product.

- Follow assembly and usage instructions carefully to avoid potential risks.
- Keep electrical components away from water and do not overload the charging station.
- Ensure all connections are secure before using the power outlets or USB ports.
- Do not place heavy objects on the vanity desk that exceed its weight capacity.
- Keep small parts away from children during assembly.

PRODUCT COMPONENTS

Before beginning assembly, verify that all components are present and undamaged. Refer to the included parts list in your packaging.

5. **Assemble Drawer:** Construct the drawer and insert it into the glides.
6. **Attach Mirror Unit:** Secure the mirror and shelf unit to the top of the desk.
7. **Connect Power Strip:** Install the power strip with outlets and USB ports to the designated area.
8. **Final Checks:** Ensure all screws are tightened and the desk is stable before use.

For a visual guide, please refer to the official assembly video:

OPERATING INSTRUCTIONS

LED Mirror Operation:

The integrated LED mirror features adjustable lighting to suit your needs. The touch control button is located on the mirror surface.

- **Power On/Off:** Tap the touch control button once to turn the LED lights on or off.
- **Adjust Light Color:** With the lights on, tap the touch control button repeatedly to cycle through the three color modes: Cold White, Warm White, and Warm Yellow.
- **Adjust Brightness:** With the lights on, press and hold the touch control button to smoothly adjust the brightness level. Release when the desired brightness is achieved.

Power Outlet and USB Ports:

The vanity desk includes a built-in power strip for convenient charging and powering of your devices.

- **AC Outlets:** Two standard 125V/12A AC outlets are provided for hair tools, lamps, or other electrical appliances.
- **USB Ports:** One USB-A and one USB-C port (5V/2.1A total) are available for charging smartphones, tablets, and other USB-powered devices.
- **Power Cord:** The integrated power strip comes with a 5-foot power cord. Ensure it is plugged into a grounded wall outlet.

MAINTENANCE AND CARE

Proper care and maintenance will extend the life and appearance of your Korfile Vanity Desk.

- **Cleaning the Surface:** Wipe the desk surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Cleaning the Mirror:** Use a glass cleaner and a lint-free cloth for the mirror. Spray cleaner onto the cloth, not directly onto the mirror, to prevent liquid from seeping into the LED components.
- **Dusting:** Regularly dust all surfaces with a dry, soft cloth.
- **Avoid Moisture:** Keep liquids away from electrical components and promptly wipe up any spills.
- **Check Connections:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.

TROUBLESHOOTING

If you encounter any issues with your vanity desk, refer to the following common troubleshooting steps:

Problem	Possible Cause	Solution
LED Mirror Lights Not Working	Power cord not plugged in. Loose connection. Power outage.	Ensure the main power cord is securely plugged into a working wall outlet. Check all internal connections for the mirror unit. Verify the wall outlet is functional by plugging in another device.
Power Outlets/USB Ports Not Functioning	Main power cord unplugged. Overloaded circuit. Device not compatible.	Confirm the vanity desk's power cord is plugged in. Unplug some devices to reduce load. Ensure your device is compatible with 5V/2.1A USB charging.
Desk is Unstable/Wobbly	Loose fasteners. Uneven floor.	Retighten all assembly screws and bolts. Place the desk on a level surface or use furniture pads to stabilize.

If the problem persists after trying these solutions, please contact Korfile customer support.

SPECIFICATIONS

Feature	Detail
Model Number	VD021
Color	Black
Material	Engineered Wood
Product Dimensions (D x W x H)	15.76"D x 23.63"W x 52.07"H
