COFaR KFY_MZ08

COFaR Metal Armoire Wardrobe Closet with Drawers User Manual

Model: KFY_MZ08

1. INTRODUCTION

Thank you for choosing the COFaR Metal Armoire Wardrobe Closet with Drawers, Model KFY_MZ08. This manual provides essential information for the safe assembly, operation, and maintenance of your new wardrobe. Please read these instructions carefully before beginning assembly and retain them for future reference.

2. SAFETY INFORMATION

WARNING: This product is heavy and tall. Always assemble according to the instructions and ensure it is stable before use. Keep away from children and pets. Do not overload shelves or doors. Use appropriate safety gear when assembling, such as gloves and eye protection.

- Ensure all parts are present and undamaged before assembly.
- Assemble on a soft, clean surface to prevent scratches.
- Do not overtighten screws during assembly.
- Always use the anti-tip kit (if included) to secure the armoire to a wall.
- Distribute weight evenly across shelves and hanging rod.

3. PACKAGE CONTENTS

Verify that all components listed below are included in your package. If any parts are missing or damaged, please contact customer support.

- Armoire Doors (2)
- Drawers (2)

- Hanging Rod (1)
- Adjustable Shelf (1)
- Adjustable Feet (4)
- All necessary hardware (screws, bolts, connectors)
- User Manual (this document)

4. SETUP AND ASSEMBLY

Assembly of the COFaR Metal Armoire is required. It is recommended that two people assemble the unit to ensure safety and ease. The estimated assembly time is approximately 45 minutes.

4.1 Preparation

1. Clear a spacious area for assembly.
2. Lay out all components and hardware, comparing them against the package contents list.
3. Ensure you have the necessary tools (e.g., screwdriver, wrench).

4.2 Assembly Steps

Follow the detailed step-by-step instructions provided in the separate assembly guide included in your package. Pay close attention to diagrams and warnings.

4.3 Post-Assembly

- Once assembled, ensure all screws are securely tightened.
- Attach the anti-tip kit to the wall as per instructions to prevent accidental tipping.
- Adjust the four feet at the base of the armoire to ensure it is level and stable on your floor.

5. OPERATING INSTRUCTIONS

The COFaR Metal Armoire is designed for versatile storage of clothing and other items.

5.1 Hanging Rod

The armoire includes a deep hanging rod suitable for coats, suits, dresses, and other garments. Ensure the weight limit of the rod is not exceeded.

5.2 Adjustable Shelf

The included shelf can be adjusted to different heights or removed entirely to accommodate various item sizes,

such as folded clothes, boxes, or luggage. To adjust, carefully lift the shelf and reposition it into the desired slots.

5.3 Drawers

Two drawers are provided for private storage of smaller items. Pull the gold handles to open and push to close. Ensure drawers are fully closed to maintain a neat appearance.

Image 5.2: Overview of the wardrobe's interior, highlighting the hanging rod, open storage area, and drawers.

5.4 Doors

The armoire features magnetic doors with gold handles for smooth operation and a secure closure. Gently pull the handles to open and push the doors until the magnets engage to close.

6. MAINTENANCE

Regular maintenance will help preserve the appearance and functionality of your COFaR armoire.

- **Cleaning:** The powder-coated steel surface is easy to clean. Use a soft, damp cloth with mild soap and water. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Hardware Check:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **Adjustable Feet:** Re-adjust the feet if the armoire becomes unstable due to uneven flooring or movement.
- **Door Alignment:** If doors become misaligned, check the hinge connections and adjust as needed.

7. TROUBLESHOOTING

If you encounter issues with your armoire, refer to the following common problems and solutions.

- **Problem:** Doors do not close properly or are difficult to open.
Solution: Check if the armoire is level by adjusting the feet. Ensure all hinge screws are tight. Verify that nothing inside the armoire is obstructing the door's path.
- **Problem:** Armoire feels wobbly or unstable.
Solution: Ensure the adjustable feet are properly set to level the unit. Confirm that the anti-tip kit is securely

installed and attached to the wall. Check all assembly connections for tightness.

- **Problem:** Drawers are stiff or do not slide smoothly.

Solution: Ensure the drawer slides are correctly installed and free of debris. Check that the drawer is not overloaded.

- **Problem:** Missing parts or damaged components.

Solution: Do not proceed with assembly. Contact COFaR customer support immediately for assistance.
