1. INTRODUCTION

Thank you for purchasing the Btotos J52 Bluetooth 5.3 Wireless Earbuds. These earbuds are designed to provide a superior audio experience with advanced features such as Hi-Fi sound quality, effective noise reduction, extended battery life, and a comfortable, secure fit. This manual will guide you through the setup, operation, and maintenance of your new earbuds.

2. PACKAGE CONTENTS

Please check the package for the following items:

- Btotos J52 Wireless Earbuds (Left and Right)
- Charging Case
- USB Type-C Charging Cable
- Eartips (S, M, L sizes)
- User Manual

3. IMPORTANT SAFETY INFORMATION

To ensure safe and optimal use of your earbuds, please read and follow these guidelines:

- Do not expose the earbuds or charging case to extreme temperatures, direct sunlight, or fire.
- Avoid using the earbuds at high volume levels for extended periods to prevent hearing damage.
- Keep the device away from water and moisture, except for the IPX7 waterproof rating which protects against splashes and sweat, not submersion.
- Do not attempt to disassemble, repair, or modify the earbuds or charging case. This will void the warranty.

- Keep out of reach of children and pets.
- Use only the provided charging cable or a certified Type-C cable for charging.

4. SETUP

4.1 Initial Charge

Before first use, ensure the earbuds and charging case are fully charged. Remove the protective film from the charging contacts on the earbuds.

1. Place the earbuds into the charging case.
2. Connect the Type-C charging cable to the charging port on the case and to a USB power source.
3. The LED display on the charging case will show the battery percentage. Allow the case and earbuds to charge until the display shows 100%.

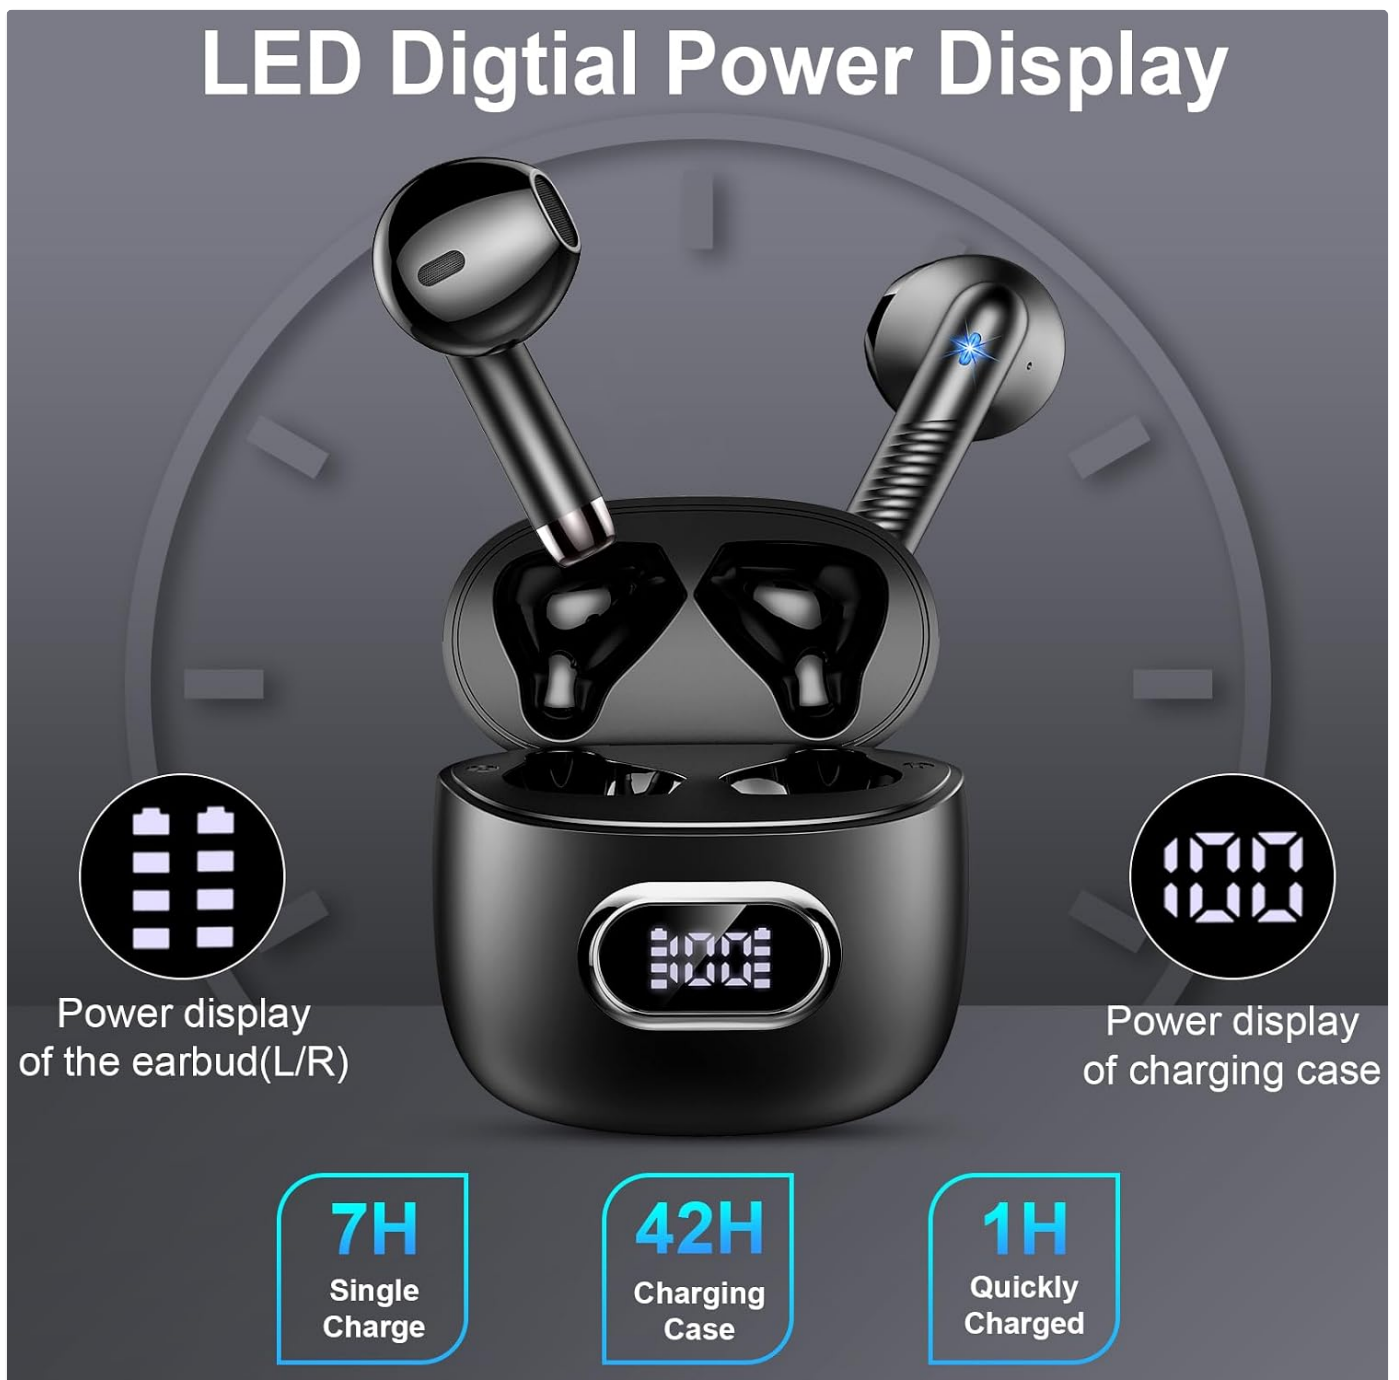

Image: The charging case with earbuds inside, showing the LED digital power display. The display indicates battery levels for both the case and individual earbuds. Text highlights 7 hours single charge, 42 hours with charging case, and 1 hour for quick charge.

4.2 Pairing with Your Device

The earbuds feature automatic pairing after the initial setup.

1. Open the charging case. The earbuds will automatically enter pairing mode.
2. On your device (smartphone, tablet, etc.), enable Bluetooth.
3. Search for available Bluetooth devices and select "J52" from the list.
4. Once connected, you will hear a confirmation sound, and the earbuds will be ready for use.

Note: After the first successful pairing, the earbuds will automatically connect to the last paired device when removed from the charging case.

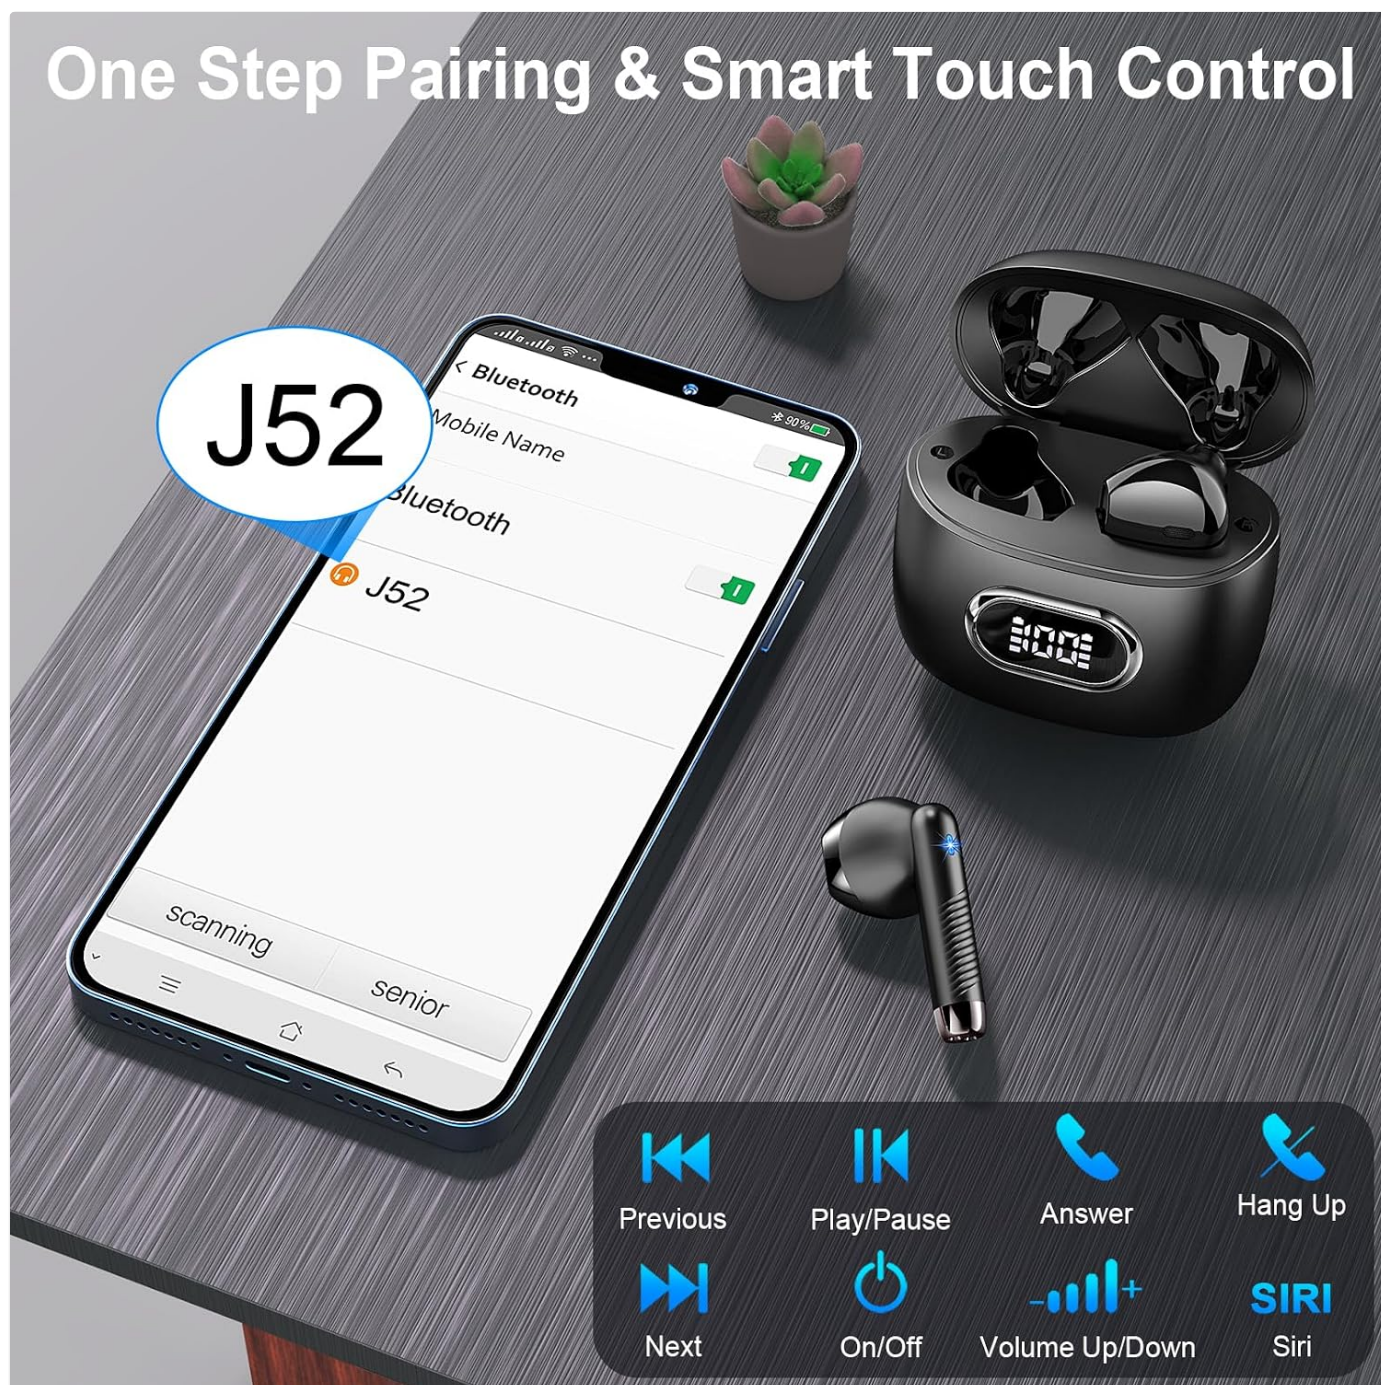

Image: A smartphone screen displaying "J52" in the Bluetooth device list, indicating successful pairing. The charging case with earbuds is shown next to it, along with icons illustrating touch control functions.

5. OPERATING INSTRUCTIONS

5.1 Wearing the Earbuds

Choose the eartips that provide the most comfortable and secure fit for your ears. Insert the earbuds gently into your ear canals and rotate them slightly until they feel snug.

A woman with dark hair in a ponytail, wearing a blue and black athletic top, is shown in profile. She is wearing a small, sleek earbud in her right ear. The background is a soft, out-of-focus grey.

IP-X7

Waterproof

A circular inset showing a close-up of a human ear with the earbud inserted. The earbud is black with a blue light on its side.

Ultra Lightweight Design

Comfortable for all-day enjoyment

A graphic showing a feather on one side of a balance scale and an earbud on the other. The earbud side is lower, indicating it is heavier. The text '3g' is written in large blue letters next to the earbud.

Image: A person wearing the earbuds during exercise, highlighting the lightweight design (3g) and IPX7 waterproof rating. An illustration of an ear shows how the earbud fits securely.

5.2 Touch Controls

The earbuds feature intuitive touch controls on each earbud. The following actions can be performed:

Function	Action
Play/Pause Music	Double tap either earbud
Next Track	Long press Right earbud for 2 seconds
Previous Track	Long press Left earbud for 2 seconds

Function	Action
Answer/End Call	Double tap either earbud
Reject Call	Long press either earbud for 2 seconds
Activate Voice Assistant (SIRI)	Triple tap either earbud
Volume Up	Single tap Right earbud
Volume Down	Single tap Left earbud

Image: An illustration detailing the touch control gestures for various functions like play/pause, next/previous track, answer/hang up call, and activating voice assistant.

5.3 Sound Quality and Noise Reduction

The J52 earbuds feature 10mm dynamic drivers for rich Hi-Fi stereo sound. Equipped with ENC noise reduction

technology, they provide clear calls by minimizing ambient noise by up to 36dB.

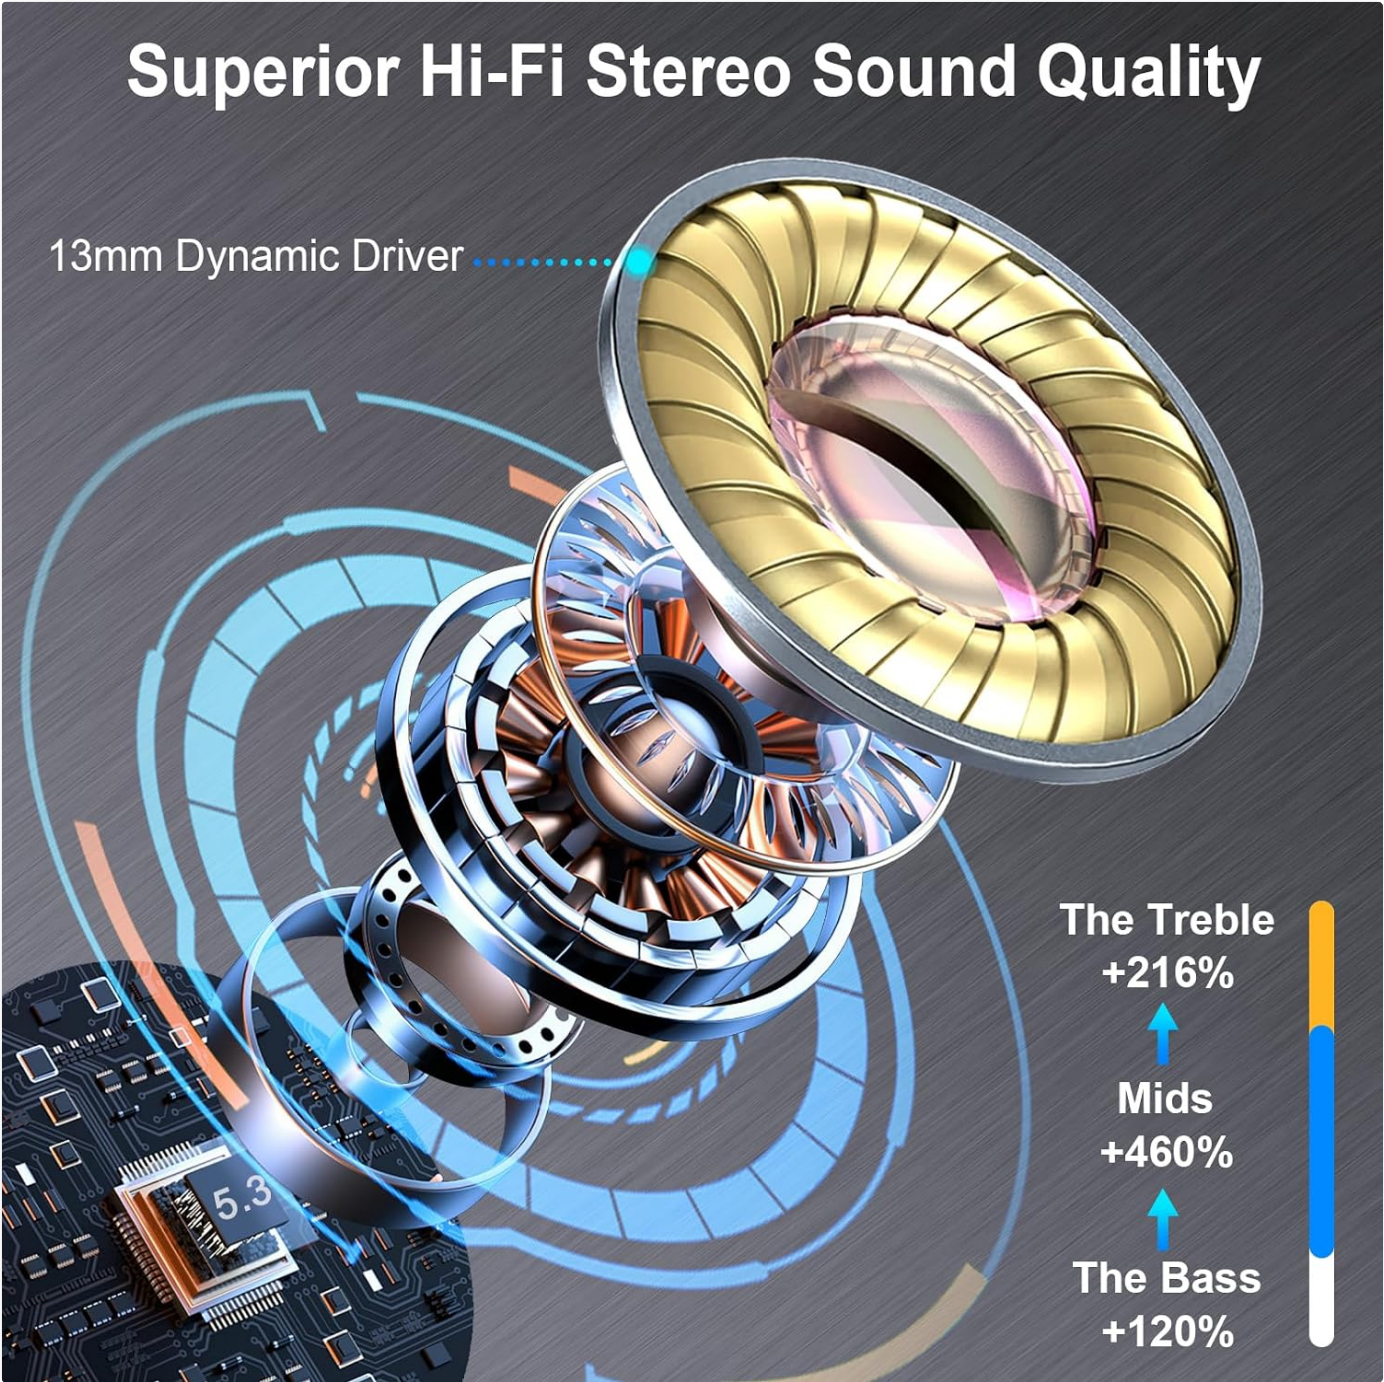

Image: An exploded view of an earbud highlighting the 13mm dynamic driver and showing relative improvements in treble, mids, and bass frequencies.

Crystal-clear Calls

Enjoy a clear and loud call experience,
design for business and commute

40dB ↓

Image: A person making a call with the earbuds, illustrating a 40dB noise reduction for crystal-clear call quality. Waveforms show the difference between sound before and after noise reduction.

6. CHARGING

The earbuds and charging case are powered by built-in rechargeable batteries.

6.1 Charging the Earbuds

Place the earbuds into the charging case. They will automatically begin charging. The LED indicators on the earbuds will show charging status, and the case's LED display will show the individual earbud battery levels.

6.2 Charging the Case

Connect the Type-C charging cable to the charging port on the case and to a USB power source. The LED display on the case will show the charging progress. A full charge provides up to 42 hours of total playback time with the case.

Fast Charging: A 10-minute charge can provide approximately 60 minutes of playback.

LED Digital Power Display

Image: The charging case with earbuds inside, showing the LED digital power display. The display indicates battery levels for both the case and individual earbuds. Text highlights 7 hours single charge, 42 hours with charging case, and 1 hour for quick charge.

7. MAINTENANCE AND CARE

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Do not use harsh chemicals or abrasive materials.
- **Eartips:** Remove eartips and clean them with water and mild soap if necessary. Ensure they are completely dry before reattaching.
- **Charging Contacts:** If charging issues occur, gently clean the charging contacts on both the earbuds and inside the case with a dry cotton swab.
- **Storage:** When not in use, store the earbuds in their charging case to protect them and keep them charged. Store in a cool, dry place.
- **Water Resistance:** While IPX7 rated, avoid prolonged submersion in water. Dry the earbuds thoroughly if they get wet from sweat or rain before placing them back in the charging case.

8. TROUBLESHOOTING

Problem	Possible Solution
Earbuds not pairing/connecting	◦ Ensure earbuds are charged. ◦ Turn off and on Bluetooth on your device. ◦ Forget "J52" from your device's Bluetooth list and re-pair. ◦ Place earbuds back in the case, close the lid, wait a few seconds, then open to re-initiate pairing mode.
Only one earbud working	◦ Ensure both earbuds are charged. ◦ Place both earbuds back in the charging case, close the lid, then open them again. ◦ Try resetting the earbuds (refer to specific reset instructions if available, otherwise re-pair).
Poor sound quality	◦ Check the fit of the eartips; try different sizes. ◦ Clean the earbud mesh and eartips. ◦ Ensure your device is within Bluetooth range and there are no obstructions. ◦ Check the audio source quality.
Earbuds not charging	◦ Ensure the charging cable is securely connected. ◦ Clean the charging contacts on both earbuds and the case. ◦ Try a different USB power source or charging cable. ◦ Ensure the protective film has been removed from the earbud charging contacts.
