COZPAW 78 Inch Double Dog Crate Furniture

INSTRUCTION MANUAL - MODEL GL-202511-F01

Introduction

This manual provides essential instructions for the safe assembly, operation, and maintenance of your COZPAW 78 Inch Double Dog Crate Furniture. Please read all instructions carefully before assembly and use. Retain this manual for future reference.

Safety Information

- Always ensure all parts are securely fastened before allowing pets inside or placing items on top.
- Do not exceed the maximum weight capacity of **300 lbs** for both the tabletop and the bottom of the crate.
- Keep small children away from the assembly area. Small parts may pose a choking hazard.
- Regularly inspect the crate for any loose parts, damage, or signs of wear. Tighten fasteners as needed.
- This product is designed for indoor use only.
- Ensure your pet's collar or tags cannot get caught on any part of the crate.
- Never leave pets unattended for extended periods, especially during initial use.
- If your pet attempts to chew on the crate, consider using chew deterrents or providing alternative chew toys.

Package Contents

Please verify that all components are present and undamaged before beginning assembly. Refer to the detailed parts list included in your product packaging for a complete inventory.

If any parts are missing or damaged, please contact customer support immediately.

Assembly Instructions

Assembly typically requires two adults due to the size and weight of the components. Follow the step-by-step instructions provided in the separate assembly guide included with your product.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.

2. **Identify Parts:** Match each component to the corresponding labels in the assembly guide.
3. **Follow Step-by-Step Guide:** Assemble the frame, panels, and doors according to the numbered steps in the provided manual. Ensure all screws and fasteners are tightened securely.
4. **Install Divider (Optional):** If using the crate for two dogs, install the central divider as instructed. If using for one large dog, the divider can be omitted.
5. **Final Check:** Once assembled, gently shake the crate to ensure stability. Retighten any loose connections.

The crate can be configured with or without the central divider.

Operating Instructions

Using the Sliding Doors

The crate features smooth-gliding barn-style doors. To open, gently slide the door along its track. To close, slide it back until it aligns with the latch mechanism.

Elegant Sliding Doors

Modern design and offer smooth track access, while saving space

Sliding doors provide easy access and save space.

Securing the Latch

Each door is equipped with a secure latch. Ensure the door is fully closed and the latch is engaged to prevent your pet from opening it. Verify the latch is properly aligned and engaged after closing.

Maintenance and Care

- **Cleaning:** The surfaces are water-resistant and easy to clean. Wipe down with a soft, damp cloth and mild detergent if necessary. Avoid abrasive cleaners or harsh chemicals.
- **Inspection:** Periodically check all bolts, screws, and connections to ensure they remain tight. Retighten as needed to maintain structural integrity.
- **Damage:** If any part of the crate becomes damaged, discontinue use and contact customer support for replacement parts or advice.

Troubleshooting

- **Doors not sliding smoothly:** Check the tracks for any obstructions or debris. Ensure the doors are properly seated on their rollers.

- **Latch not securing properly:** Verify that the door is fully closed and aligned with the latch mechanism. Adjust the door position slightly if needed to ensure a secure engagement.
- **Crate feels unstable:** Double-check all assembly connections and tighten any loose screws. Ensure the crate is placed on a flat, level surface.
- **Missing or damaged parts:** Do not attempt to modify or use the product with missing or damaged parts. Contact COZPAW customer support for assistance.
