

COZPAW GL-202511-E01

COZPAW GL-202511-E01 78-Inch Double Dog Crate Furniture Instruction Manual

Model: GL-202511-E01

1. PRODUCT OVERVIEW

The COZPAW GL-202511-E01 is a multi-functional double dog crate designed to serve as both a secure enclosure for pets and a stylish piece of furniture for your home. It features two individual living spaces, an optional divider, and chew-resistant construction.

- **Multi-Functional Design:** Functions as a dog crate, TV stand, end table, or coffee table.
- **Individual Living Spaces:** Provides two separate compartments for resting and play, suitable for small, medium, and large dogs. Each compartment measures approximately 37" L x 22" W x 24" H.
- **Chew-Resistant & Sturdy Construction:** Built with heavy-duty wood and steel, featuring reinforced metal bars and premium wood panels.
- **Space-Saving Sliding Doors:** Smooth-gliding doors operate without obstructing walkways.
- **Easy Assembly:** Designed for straightforward setup with labeled parts and clear instructions.

2. SAFETY INFORMATION

- Always ensure all screws and fasteners are securely tightened before allowing pets to use the crate.
- Regularly inspect the crate for any loose parts, damage, or wear that could compromise its structural integrity or pose a hazard to your pet.
- Do not allow children to climb on or play inside the crate.
- Place the crate on a flat, stable surface to prevent tipping.
- Ensure adequate ventilation within the crate.
- Do not exceed the maximum weight capacity of the tabletop (300 lbs) or the bottom (300 lbs).
- The divider is optional. If removed, ensure your pets are compatible to share a single large space.

3. PACKAGE CONTENTS

Please verify that all components are present and undamaged before beginning assembly. If any parts are missing or damaged, contact customer support.

- Wooden Top Panels
- Wooden Base Panels
- Metal Side Frames
- Metal Divider (Optional)
- Sliding Doors (2 sets)
- Hardware Pack (screws, dowels, cam locks, etc.)
- Assembly Tools (e.g., Allen wrench)

4. ASSEMBLY INSTRUCTIONS

Follow these steps carefully. It is recommended to have two people for assembly.

1. **Prepare the Base:** Lay the bottom wooden panels (18, 19) on a clean, flat surface. Insert dowels (KX12) and cam bolts (LX12) into the designated holes.
2. **Attach Support Brackets:** Secure the white support rails (23, 24) to the bottom panels using cam locks (MX8) and screws (BX6). Attach the metal support bars (15) to the white rails.
3. **Install Divider and Side Frames:** Attach the central metal divider (4) to the base using screws (AX6). Then, attach the two end metal frames (5) to the base using screws (BX4).
4. **Assemble Sliding Doors:** For each door, attach the metal mesh panel (3) to the white wooden door frames (1, 2) using screws (BX8) and then secure the top wooden rail (22) with screws (CX4).
5. **Attach Side Panels:** Secure the assembled side panels (6) to the base and central divider using screws (FX4).
6. **Install Top Panels:** Place the white top panels (20, 21) onto the assembled structure. Secure them with screws (EX6) and cam locks (BX4).
7. **Attach Top Support Bars:** Install the metal support bars (16, 17) on top of the white panels, securing them with screws (BX8) and cam locks (AX4).
8. **Install Sliding Doors:** Carefully insert the assembled sliding doors (7, 8) into the top and bottom tracks.
9. **Attach Door Latches:** Secure the door latches (GX4) and pins (IX4) to the doors and frame using screws (JX4) to ensure secure closure.

5. USAGE GUIDELINES

5.1 Configuring the Crate

The COZPAW dog crate offers flexible configurations to suit your needs:

- **Two-Room Style (with divider):** Ideal for housing two dogs separately. The central divider creates two distinct compartments.
- **One-Room Style (without divider):** For a single larger dog or if you prefer an open space, the central divider can be removed.

**One Room style
without divide**

**Two Room style
with divide**

5.2 Operating Sliding Doors

The crate features smooth-gliding sliding doors for easy access and space efficiency.

- To open, gently slide the door along its track.
- To close, slide the door back until it meets the frame and engage the latch for security.
- Ensure the tracks are clear of debris to maintain smooth operation.

Elegant Sliding Doors

Modern design and offer smooth track access, while saving space

6. MAINTENANCE AND CARE

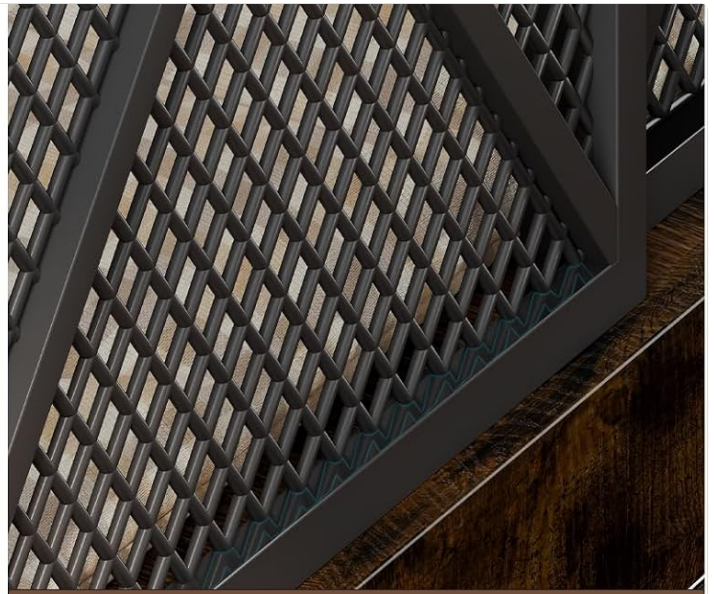

6.1 Cleaning

The crate's surfaces are designed for easy cleaning.

- Wipe down wooden surfaces with a soft, damp cloth. Avoid harsh chemicals that may damage the finish.
- For metal parts, use a mild soap and water solution. Dry thoroughly to prevent rust.
- Regularly clean the interior to maintain hygiene for your pets.

7. TROUBLESHOOTING

- **Doors not sliding smoothly:** Check the tracks for any debris or obstructions. Ensure all screws on the door mechanisms are tightened.
- **Crate feels wobbly:** Verify that all assembly screws are fully tightened. Ensure the crate is placed on a level surface.
- **Parts missing or damaged:** Refer to the package contents list. If any items are missing or damaged upon arrival, contact customer support for assistance.
