iLive Electronics IAEBTO34B

iLive Electronics IAEBTO34B Open Ear Earbuds User Manual

Model: IAEBTO34B

INTRODUCTION

This manual provides essential instructions for the safe and efficient use of your iLive Electronics IAEBTO34B Open Ear Earbuds. Please read this guide thoroughly before operating the device and retain it for future reference.

PACKAGE CONTENTS

Verify that all items listed below are included in your package:

- iLive Electronics IAEBTO34B Open Ear Earbuds
- Wireless Charging Case
- USB Charging Cable
- User Manual (this document)

PRODUCT OVERVIEW

Familiarize yourself with the components of your new open-ear earbuds and charging case.

Image: The open charging case, showing the molded slots for the left and right earbuds and their charging contacts.

Image: The earbuds are placed inside the open charging case, with a digital display showing the case's battery percentage and individual earbud charging status.

Image: A technical diagram illustrating the physical dimensions of both the open-ear earbuds and their charging case in inches.

Image: Front view of the left and right open-ear earbuds, highlighting the outer surface and touch control area.

Image: The closed, sleek black charging case for the earbuds.

CHARGING

To ensure optimal performance, fully charge your earbuds and charging case before first use.

Charging the Case

1. Connect the provided USB charging cable to the charging port on the case.
2. Connect the other end of the cable to a standard USB power adapter (not included) or a computer's USB port.
3. The digital display on the case will indicate the charging status.
4. A full charge typically takes approximately 1.5-2 hours.

Charging the Earbuds

1. Place the earbuds into their respective slots in the charging case. Ensure the charging contacts align.
2. Close the charging case. The digital display will show the charging status for each earbud.
3. The earbuds will automatically begin charging.
4. A 10-minute quick charge can provide additional listening time.

BLUETOOTH PAIRING

Follow these steps to pair your earbuds with a Bluetooth-enabled device.

1. **Initial Pairing:** Open the charging case. The earbuds will automatically enter pairing mode, indicated by flashing LED lights.
2. On your device (smartphone, tablet, etc.), navigate to the Bluetooth settings.
3. Ensure Bluetooth is enabled.
4. Scan for available devices. You should see "IAEBTO34B" or a similar name appear in the list.
5. Select "IAEBTO34B" to connect. Once connected, the earbud LEDs will stop flashing, and you may hear an audible confirmation.
6. **Reconnecting:** After initial pairing, the earbuds will automatically attempt to reconnect to the last paired device when removed from the case.

OPERATING THE EARBUDS

Your earbuds feature intuitive controls for managing audio and calls.

Power On/Off

- **Power On:** Open the charging case, or press and hold the touch control area on each earbud for 3 seconds.
- **Power Off:** Place the earbuds back into the charging case and close the lid, or press and hold the touch control area on each earbud for 5 seconds.

Music Playback

- **Play/Pause:** Tap the touch control area on either earbud once.
- **Next Track:** Double-tap the touch control area on the right earbud.
- **Previous Track:** Double-tap the touch control area on the left earbud.

Call Management

- **Answer/End Call:** Tap the touch control area on either earbud once.
- **Reject Call:** Press and hold the touch control area on either earbud for 2 seconds.

Voice Assistant

- **Activate Voice Assistant (Siri/Google Assistant):** Triple-tap the touch control area on either earbud.

WEARING THE EARBUDS

The iLive Electronics IAEBTO34B earbuds feature an open-ear design for comfort and situational awareness.

1. Identify the Left (L) and Right (R) earbuds.
2. Gently hook the earbud over your ear, ensuring the speaker rests comfortably near your ear canal without fully entering it.
3. Adjust for a secure and comfortable fit. The open-ear design allows you to hear your surroundings while enjoying audio.

MAINTENANCE

Proper care will extend the lifespan of your earbuds.

- **Cleaning:** Use a soft, dry, lint-free cloth to clean the earbuds and charging case. Do not use abrasive cleaners or solvents.
- **Water Resistance:** The earbuds are sweatproof and water-resistant. However, they are not waterproof. Do not submerge them in water. Dry them thoroughly if they get wet.
- **Storage:** When not in use, store the earbuds in their charging case to protect them and keep them charged. Store in a cool, dry place away from extreme temperatures.

TROUBLESHOOTING

If you encounter issues, refer to the following common solutions.

Problem	Solution
Earbuds not powering on	Ensure the earbuds and charging case are fully charged.
Earbuds not pairing	Make sure Bluetooth is enabled on your device. Turn off and on the earbuds. Forget the device in your phone's Bluetooth settings and re-pair. Ensure earbuds are close to the device.
No sound from earbuds	Check the volume level on both your device and the earbuds. Ensure earbuds are properly paired and connected. Try playing audio from a different application or device.
One earbud not working	Place both earbuds back into the charging case, close the lid, then open it again. Ensure both earbuds are charged. Re-pair the earbuds.
Charging case not charging	Verify the USB cable is securely connected to both the case and the power source. Try a different USB cable or power adapter.
