# EZSKUUP Odor Eliminator Instruction Manual

For Robotail, UBPET, and Meowant Self-Cleaning Cat Litter Boxes

## Introduction

The EZSKUUP Odor Eliminator is designed to effectively neutralize unpleasant odors within compatible self-cleaning cat litter boxes. This product helps maintain a fresh and clean environment for both you and your pet. Please read this manual carefully before installation and use to ensure proper function and safety.

## Compatibility

This odor eliminator is specifically designed for use with the following self-cleaning cat litter box models:

- **Robotail:** C32, C42
- **UBPET:** C31, C41
- **Meowant:** SC01, SC02, SC03, SC09

Before purchasing and installing, please verify that your litter box model is listed above and has a designated compartment that can accommodate the odor gel.

Figure 1: Compatible litter box models and odor eliminator gel dimensions.

## Setup and Installation

Follow these steps to install the odor eliminator gel into your compatible self-cleaning litter box:

### For C32 Models:

1. **Step 1:** Locate the storage box for the odor eliminator. Remove its lid by pressing down firmly.
2. **Step 2:** Carefully place one piece of the EZSKUUP Odor Eliminator gel into the storage box. Ensure it sits securely.
3. **Step 3:** Replace the lid of the storage box, ensuring it clicks into place.

### For C42 Models:

1. **Step 1:** Locate the odor gel holder. Press and slide it out from its compartment.
2. **Step 2:** Place one piece of the EZSKUUP Odor Eliminator gel into the holder.
3. **Step 3:** Return the holder with the gel to its designated compartment in the litter box, ensuring it is securely reinserted.

## Operating Instructions

The EZSKUUP Odor Eliminator gel is designed for continuous operation once installed. It works passively to absorb and neutralize odors within the litter box environment.

- Each piece of odor eliminator gel provides effective odor control for approximately 30 days.
- No manual activation or power source is required for the gel to function.

## Maintenance

To ensure continuous and optimal odor control, replace the EZSKUUP Odor Eliminator gel every 30 days. Discard the used gel responsibly according to local waste disposal guidelines.

## Troubleshooting

If you notice a decrease in odor control effectiveness:

- Verify that the odor eliminator gel is correctly installed in its designated compartment.
- Check the date of installation. If it has been approximately 30 days or more, the gel may have reached the end of its lifespan.
- Replace the gel with a new piece if necessary.

For further assistance, please contact EZSKUUP customer support.

## Specifications

| Attribute | Detail |
|---|---|
| Product Name | Pet Odor Eliminator |
| Model Number | HX-US-EZ-ODORELIMINATOR-3P |
