SHA CERLIN XH79572CMQ

SHA CERLIN Queen Size Bed Frame with LED Lights and Storage Drawer

Model: XH79572CMQ

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, maintenance, and troubleshooting of your SHA CERLIN Queen Size Bed Frame (Model XH79572CMQ). Please read all instructions carefully before assembly and use to ensure safe and proper operation of your new bed frame.

SAFETY INFORMATION

Please read and adhere to the following safety guidelines to prevent injury or damage:

- Always follow the assembly instructions carefully to prevent instability.
- Be cautious around the under-bed drawer to avoid injury.
- Do not overload the bed frame. The maximum weight capacity is 800 lbs.
- Keep the LED lights and storage drawer clean and free of obstructions to prevent hazards.
- Always unplug the LED lights before making any adjustments to the bed frame or performing maintenance.

PACKAGE CONTENTS

Before beginning assembly, ensure all parts are present and undamaged. Refer to the included parts list in your physical instruction manual for detailed component identification.

Main Components:

- Bed Frame (various sections)
- Headboard (adjustable wavy design)
- Slats (solid wooden slats with Velcro for noise reduction)
- Storage Drawer (footboard drawer with wheels)
- LED Light Strip and Controller
- Assembly Hardware (screws, bolts, tools)

SETUP AND ASSEMBLY

The SHA CERLIN bed frame is designed for easy assembly with pre-drilled holes and all necessary tools included. It is recommended to have two people for assembly.

General Assembly Steps:

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches. Verify all parts against the included parts list.
2. **Assemble Bed Frame:** Follow the step-by-step diagrams in your physical instruction manual to connect the side rails, footboard, and headboard. Ensure all connections are secure.
3. **Install Slats:** Attach the wooden slats to the bed frame. The slats feature Velcro for easy installation and to minimize noise. Ensure they are evenly spaced and securely fastened.
4. **Attach Headboard:** Secure the adjustable headboard to the main frame. Adjust the height to your preference (45-47 inches).
5. **Insert Storage Drawer:** Slide the large storage drawer into the designated slot at the footboard. Ensure the bottom wheels glide smoothly.
6. **Install LED Lights:** Carefully attach the LED light strip to the designated area on the headboard. Connect the controller and power supply as instructed.

Mattress Recommendation:

For optimal comfort and appearance, a mattress height of 8-12 inches is recommended. A box spring is not required for this platform bed frame.

OPERATING INSTRUCTIONS

LED Light Strip:

The integrated smart LED light strip offers customizable lighting options for your bedroom. It can be controlled via a dedicated mobile application or the included remote control.

- **Color Selection:** Choose from over 16 million RGB colors to match your mood or decor.
- **Dynamic Effects:** Select from over 20 dynamic lighting effects, such as fading, flashing, or pulsing.
- **Music Sync Function:** The lights can synchronize with music, creating an immersive audio-visual experience.
- **Timer Function:** Set a timer for the lights to gently fade off as you fall asleep.

Storage Drawer:

The extra-large footboard drawer provides convenient storage for bedding, clothing, or other items. It is equipped with smooth-gliding bottom wheels for easy access.

EXTRA-LARGE STORAGE DRAWER

The extra-large under-bed drawer offers an expansion of your storage space.

Side Pocket:

A practical side pocket is integrated into the bed frame, ideal for storing small items such as your phone, remote control, eyeglasses, or bedtime books, keeping them within easy reach.

REFINED & CHIC WAVY HEADBOARD

Combines stylish design with practical functionality.

MAINTENANCE

To maintain the appearance and longevity of your SHA CERLIN bed frame, follow these simple care instructions:

- **Cleaning:** Wipe the upholstered surfaces with a dry cloth. For spills, gently blot with a clean, damp cloth and mild soap, then dry thoroughly. Avoid harsh chemicals.
- **Hardware Check:** Periodically check all bolts and screws to ensure they remain tight. Retighten as necessary to maintain stability and prevent squeaking.
- **LED Lights:** Ensure the LED strip and controller are free from dust and debris. If the lights are not functioning, check connections before troubleshooting.
- **Drawer Maintenance:** Keep the drawer tracks clean to ensure smooth operation.

PROPER GROUND CLEARANCE

5.7" Clearance for Easy Cleaning & Storage

TROUBLESHOOTING

If you encounter any issues with your bed frame, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Bed frame is squeaking	Loose hardware; slats not properly secured.	Tighten all bolts and screws. Ensure slats are correctly positioned and the Velcro is engaged.
LED lights not working	Power connection issue; remote/app not paired; faulty strip.	Check power connections. Ensure the remote has fresh batteries or the app is correctly paired. If issues persist, contact customer support.
Storage drawer is difficult to open/close	Obstruction in tracks; wheels dirty; drawer overloaded.	Clear any obstructions from the tracks. Clean the wheels. Reduce the load in the drawer.
Headboard feels wobbly	Mounting bolts are loose.	Ensure the headboard mounting bolts are securely tightened.
