Lyromix Lyromix Combination Dog Crate (Model TV-26.93x20.87x24.02)

Lyromix 54-inch Dog Crate Furniture with Double Rooms Instruction Manual

Model: Lyromix Combination Dog Crate (TV-26.93x20.87x24.02)

Brand: Lyromix

1. Product Overview

The Lyromix 54-inch Dog Crate Furniture is a versatile pet enclosure designed for small to medium-sized dogs. Its modular construction allows for various configurations, including a large 54-inch crate, two individual crates, a corner unit, or a stackable setup. This product serves as both a comfortable space for your pets and a functional piece of furniture, such as an end table.

- **Flexible Combination Options:** Can be configured as a 54-inch large crate, two separate crates, a stackable unit, or an L-shaped corner crate.
- **Sturdy Construction:** Made from premium particle board and iron pipe for durability and chew resistance.
- **Multifunctional Design:** Functions as a dog kennel and a side table, allowing for placement of decorative items.
- **Double Rooms with Removable Divider:** Features a removable divider to accommodate two small dogs or one medium-sized dog.

Figure 1: Various combination choices for the Lyromix dog crate furniture.

2. Safety Information

- Always ensure all screws and fasteners are securely tightened before allowing pets inside the crate.
- Regularly inspect the crate for any loose parts, damage, or sharp edges that could harm your pet.
- Do not allow children to climb on or play inside the crate.
- Place the crate on a flat, stable surface to prevent tipping.
- Ensure adequate ventilation for your pet at all times.
- Do not use the crate as a primary heat source or place it near open flames.

3. Package Contents

Please verify that all components are present before beginning assembly. The package typically includes:

- Wooden panels (top, bottom, side panels)
- Metal grate panels (front, back, side panels)
- Doors with latches
- Removable divider panel
- Assembly hardware (screws, bolts, connectors)
- Adjustable feet
- Assembly tool (e.g., Allen wrench)

4. Setup and Assembly Instructions

Assembly is required. It is recommended to have two people for easier and safer assembly. Keep all bolts loose until all pieces are partially mounted, then tighten everything securely.

4.1 Choosing the Right Size

Before assembly, ensure the crate size is appropriate for your dog. Measure your dog's length and height, then add 4 inches to each measurement to ensure comfortable movement. If your dog prefers to sprawl out, measure them in their natural sleeping position.

Figure 2: Guide for measuring your dog's size.

4.2 Basic Assembly Steps (for a single unit)

1. Unpack all components and verify against the package contents list.
2. Attach the side metal grate panels to the bottom wooden panel using the provided hardware. Do not fully tighten screws yet.

3. Connect the front and back metal grate panels to the side panels and bottom panel.
4. Install the doors into the designated openings on the front panel. Ensure hinges are correctly aligned.
5. Place the top wooden panel onto the assembled frame and secure it with hardware.
6. Insert the removable divider if you intend to create two separate compartments.
7. Once all parts are in place, gradually tighten all screws and bolts until secure.
8. Attach the adjustable feet to the bottom corners of the crate.

Figure 3: A single Lyromix dog crate unit.

4.3 Combining Multiple Units

To create a 54-inch large crate, a corner crate, or a stackable crate, assemble individual units as described above. Then, use the provided connectors to join the units according to your desired configuration. The middle partition can be removed after connection for larger spaces.

Figure 5: Top-down view of combined units, highlighting the internal structure.

5. Operating Instructions

5.1 Using the Doors

Each compartment features a secure door with a safety latch. To open, slide the latch mechanism and pull the door outwards. To close, push the door shut and slide the latch into place, ensuring it is fully engaged.

Figure 6: Detail of the safety door lock.

5.2 Using the Removable Divider

The crate includes a removable divider to create two separate spaces for smaller pets or to provide a larger single space by removing it. To install, slide the divider into the designated slots. To remove, lift and pull the divider out.

6. Maintenance

- **Cleaning:** Wipe down wooden surfaces with a damp cloth and mild cleaner. For metal grates, use a pet-safe disinfectant. Ensure all surfaces are dry before allowing pets back into the crate.
- **Waterproof Surface:** The top surface is designed to be waterproof, allowing for easy cleaning of spills.
- **Hardware Check:** Periodically check all screws, bolts, and latches to ensure they remain tight and secure. Tighten as necessary.
- **Adjustable Feet:** Use the adjustable feet to level the crate on uneven floors, preventing wobbling and ensuring stability.

7. Troubleshooting

- **Difficulty with Assembly:** If parts do not align, ensure all screws are kept loose during initial assembly. Once all components are in place, gradually tighten them. Refer to the assembly diagrams carefully.
- **Wobbly Crate:** Check that all fasteners are securely tightened. Use the adjustable leveling feet at the bottom of the crate to stabilize it on uneven surfaces.
- **Door Latch Issues:** If a door latch does not engage properly, inspect for any obstructions or misalignment. Ensure the door is fully closed before attempting to latch. If a component appears bent or damaged, contact customer support.
- **Missing Hardware:** If any hardware is missing, do not attempt to substitute with incorrect parts. Contact customer support for replacements.

8. Specifications

Feature	Detail
Product Dimensions (L x W x H)	53.86" x 20.87" x 24.02"
Internal Dimensions (L x W x H)	50.4" x 19.4" x 22.8"
Item Weight	39.7 pounds
Material	Engineered Wood, Metal
Color	Retro Brown
Breed Recommendation	Small Breeds Size
Special Feature	Lockable, Removable Divider, Adjustable Feet
Specific Uses for Product	Indoor
