Garvee Scalloped Rug 5' x 7'

Garvee Scalloped Washable Area Rug Instruction Manual

Model: Scalloped Rug 5' x 7'

Introduction

Thank you for choosing the Garvee Scalloped Washable Area Rug. This manual provides essential information for the proper setup, use, and maintenance of your new rug. Please read these instructions carefully to ensure optimal performance and longevity of your product.

Setup

Unpacking and Initial Placement

Upon receiving your Garvee Scalloped Washable Area Rug, carefully unroll it in your desired location. Due to packaging, the rug may have temporary creases or wrinkles. These typically smooth out within a few days of laying the rug flat.

Addressing Creases

If creases persist, follow these steps:

1. **Roll the rug in the opposite direction:** Gently roll the rug with the pile facing outwards to help relax the fibers.
2. **Apply weight:** Place heavy, flat objects (such as books) on the creased areas for a few days.
3. **Low-heat iron:** For stubborn creases, use a low-heat iron on the back of the rug, placing a cloth between the iron and the rug material.

Illustration of methods to remove creases from the rug.

Secure Placement

The rug is equipped with a reliable Thermoplastic Rubber (TPR) backing designed to keep it firmly in place and prevent slips, especially in high-traffic areas. Ensure the rug is laid on a clean, dry surface for optimal non-slip performance.

Features and Use

The Garvee Scalloped Washable Area Rug is designed for comfort, durability, and ease of use in various indoor settings.

- **Plush Softness:** Crafted from 100% polyester, this low-pile rug offers a soft, skin-friendly surface.
- **Stain Resistant:** The fiber construction helps resist stains, maintaining the rug's appearance.
- **Durable Edges:** Reinforced edges prevent shedding and fraying.
- **Low Pile Design:** The low profile allows for easy placement under furniture and doors, and it does not trap excessive dust or pet hair.
- **Pet and Kid Friendly:** The soft texture and easy-to-clean nature make it suitable for households with children and pets.

Maintenance and Care

The Garvee Scalloped Washable Area Rug is designed for easy cleaning and hassle-free care.

Routine Cleaning

- **Vacuuming:** Regularly vacuum the rug to remove dust and loose debris. The low-pile design prevents excessive trapping of dirt.
- **Robot Cleaner:** Compatible with robot vacuum cleaners for automated daily maintenance.

- **Spot Cleaning:** For spills, wipe clean immediately with a damp cloth and mild detergent.

Deep Cleaning (Machine Wash)

For a thorough clean, the rug is machine washable:

1. Place the rug in a washing machine.
2. Use cold water and a mild detergent.
3. Tumble dry on low heat or air dry. Avoid high heat to prevent damage to the backing.

Various methods for maintaining and cleaning your rug.

The rug's easy cleaning features for a mess-free life.

Troubleshooting

Common Issues and Solutions

Issue: Rug has creases or wrinkles.
Solution: Refer to the "Addressing Creases" section under Setup. Allow a few days for the rug to settle, or use the recommended methods to expedite the process.

Issue: Rug is slipping on the floor.
Solution: Ensure the floor surface is clean and dry before placing the rug. The TPR backing provides non-slip properties, but its effectiveness can be reduced by moisture or debris underneath.

Issue: Stains or spills on the rug.
Solution: Immediately spot clean the affected area with a damp cloth and a small amount of mild detergent. For larger or tougher stains, machine wash the rug as per the deep cleaning instructions.

Specifications

Feature	Detail
Brand	Garvee
Model Name	Washable Scalloped Rugs
Item Model Number	Scalloped Rug 5' x 7'
Size	5' x 7' (Rectangular) / 84"L x 60"W
