# SOFTSEA Full Size House Bed (Model Z65) Instruction Manual

Model: Z65 | Brand: SOFTSEA

Safety Information    Product Overview    Setup &
Assembly    Operation    Maintenance    Troubleshooting    Specifications    Warranty & Support

## 1. SAFETY INFORMATION

Please read all instructions carefully before assembly and use. Keep this manual for future reference.

- **Inspect all components upon receipt:** Verify that all parts are present and undamaged. Confirm the correct color and dimensions before beginning assembly.
- **Guardrail Safety:** Ensure all guardrails are properly and securely assembled. The enclosed frame is designed to prevent accidental falls.
- **Mattress Thickness:** To prevent entrapment risks, use a mattress no thicker than 6 inches.
- **Assembly:** This product requires full assembly. It is recommended that two adults perform the assembly. Do not overtighten screws.
- **Placement:** Position the bed on a flat, stable surface. Avoid placing near windows where cords or blinds could pose a strangulation hazard.
- **Regular Checks:** Periodically check all bolts and connections to ensure they remain tight and secure.
- **Weight Capacity:** Do not exceed the maximum weight capacity of 550 LBS for the Full size bed.

## 2. PRODUCT OVERVIEW

The SOFTSEA Full Size House Bed (Model Z65) is designed to provide a safe and engaging sleeping environment for children. This Montessori-style floor bed features a low profile, allowing children independent access. It includes a tent-style canopy with integrated lighting, transforming the bed into a playful space.

*Image 2.1: The SOFTSEA Full Size House Bed with its canopy and integrated lighting, shown in a decorated room setting.*

## Key Features:

- **Tent & Light Canopy:** A creative tent-style canopy with soft lighting for a cozy and imaginative space.
- **Full-Length Guardrails:** Integrated guardrails on both sides ensure a secure sleeping area.
- **Low Profile Design:** Montessori-inspired low height for easy independent access for children.
- **Durable Construction:** Built with a solid wood frame and MDF panels for stability and longevity.
- **Mattress Support:** Requires a box spring for proper mattress support and enhanced comfort.

## 3. SETUP & ASSEMBLY

This bed requires full assembly. All necessary parts, tools, and detailed instructions are included in the package. It is recommended to have two adults for assembly.

## Before You Begin:

- Clear a spacious area for assembly.
- Unpack all components and verify against the parts list provided in your package.

- Ensure you have the included tools (e.g., Allen wrench) readily available.

## Assembly Steps (General Guidance):

1. **Assemble the Base Frame:** Connect the side rails and end rails using the provided hardware. Ensure all connections are secure but do not fully tighten until the frame is aligned.
2. **Install Guardrails:** Attach the full-length guardrails to the assembled base frame. Confirm they are firmly in place.
3. **Attach Roof Supports:** Secure the A-frame roof supports to the bed frame.
4. **Install Slats:** Place and secure the bed slats across the frame to support the mattress.
5. **Mount Canopy Fabric:** Drape and secure the tent-style canopy fabric over the roof supports. Follow the specific instructions for attaching the fabric and any integrated lighting.
6. **Final Tightening:** Once all components are in place and aligned, fully tighten all screws and bolts.

*Image 3.1: The SOFTSEA Full Size House Bed frame without the canopy fabric, showing the basic structure and integrated string lights.*

Refer to the detailed assembly instructions included in your product packaging for specific diagrams and hardware identification.

## 4. OPERATION

## Using the Bed:

- **Mattress Placement:** Place a full-size mattress (maximum 6 inches thick) onto the bed slats. A box spring is required for optimal support.

- **Canopy Use:** The tent-style canopy provides a cozy enclosure. Ensure it is securely attached to the frame.
- **Integrated Lighting:** If your model includes integrated lights, connect them according to the specific instructions provided. Operate them using the designated switch or power source.
- **Independent Access:** The low-profile design allows children to safely enter and exit the bed independently.

## 5. MAINTENANCE

### Cleaning:

- **Wood Frame:** Wipe the wood frame with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Canopy Fabric:** Spot clean the canopy fabric with a mild detergent and water. Allow to air dry completely. Do not machine wash unless specified in separate fabric care instructions.
- **Lights:** Ensure lights are unplugged before cleaning. Wipe gently with a dry cloth.

### Care:

- **Regular Inspection:** Periodically check all hardware (screws, bolts) to ensure they are tight. Retighten as necessary to maintain structural integrity.
- **Avoid Excessive Moisture:** Protect the bed from prolonged exposure to moisture or direct sunlight to prevent warping or fading.
- **Moving the Bed:** When moving the bed, lift it rather than dragging to prevent damage to the frame and floor.

## 6. TROUBLESHOOTING

| Problem | Possible Cause | Solution |
|---|---|---|
| Bed feels wobbly or unstable. | Loose hardware (screws, bolts). | Check and tighten all assembly hardware. Ensure the bed is on a level surface. |
| Canopy fabric does not fit correctly. | Incorrect installation or fabric orientation. | Refer to the assembly instructions for correct canopy attachment. Ensure the fabric is oriented as shown in the diagrams. |
| Integrated lights are not working. | Loose connection, power issue, or faulty bulb/LED. | Check all power connections. Ensure the power source is active. If individual bulbs/LEDs are replaceable, check them. Contact customer support if the issue persists. |
| Squeaking noises. | Loose connections or friction between parts. | Tighten all hardware. Apply a small amount of silicone lubricant to contact points if necessary (avoiding areas children can reach). |

## 7. SPECIFICATIONS

*Image 7.1: Detailed dimensions of the SOFTSEA Full Size House Bed, including length, width, and height measurements.*

| Feature | Detail |
