## SAFETY INFORMATION

## Important Safety Guidelines:

- Do not exceed the weight capacity of the tabletop (220 lbs) and shelves (50-100 lbs). Overloading can cause structural damage or collapse, leading to injury.
- Assemble the product on a soft, clean surface to prevent scratches and damage to the finish.
- Use an electric drill as instructed for assembly to ensure all fasteners are securely tightened.
- Follow all maintenance guidelines to keep the product in good condition and prevent hazards.
- Always use caution when handling and operating the cabinet to avoid injury. Keep small parts away from children during assembly.

## PACKAGE CONTENTS

---

Before assembly, verify that all components are present and undamaged. If any parts are missing or damaged, contact customer support immediately.

- MDF panels (tabletop, side panels, bottom panel, back panel, shelves)
- Ash veneer finish components
- Metal legs and support frame
- Doors with gold handles
- Adjustable shelves (2 included)
- Assembly hardware (screws, hinges, shelf pins, etc.)
- Assembly instructions manual

## SETUP AND ASSEMBLY

---

Assembly is required for this product. We recommend two people for assembly. An electric drill is needed for certain steps.

1. **Prepare the Area:** Clear a spacious area and lay down a soft blanket or cardboard to protect the furniture pieces from scratches during assembly.
2. **Attach Legs:** Securely attach the metal legs and support frame to the bottom panel of the cabinet using the provided screws. Ensure all connections are tight.
3. **Assemble Cabinet Body:** Connect the side panels, bottom panel, and top panel according to the diagrams in the included instruction manual.
4. **Install Back Panel:** Fasten the back panel to the cabinet structure.
5. **Attach Doors:** Mount the doors using the provided hinges and screws. Do not over-tighten fasteners, as this may cause distortion or breakage. Adjust hinges as needed for proper door alignment.
6. **Insert Shelves:** Place the adjustable shelves into the pre-drilled holes at your desired height.

## **OPERATING INSTRUCTIONS**

---

Your Virubi Sideboard Buffet Cabinet is designed for versatile storage and display.

### **Adjustable Shelves**

The cabinet features two interior shelves that can be adjusted to three different heights. To adjust a shelf:

1. Empty the shelf of all contents.
2. Carefully lift the shelf and remove the four shelf pins from their current holes.
3. Insert the shelf pins into the desired set of pre-drilled holes at the new height.
4. Place the shelf back onto the pins, ensuring it is level and secure.

## Adjustable Shelves

The interior of this sideboard has two adjustable shelves that can be adjusted to three different heights to meet your storage needs.

### Door Operation

The cabinet doors open and close to provide access to the storage compartments. Ensure doors are closed gently to prevent wear on hinges and to maintain alignment. If doors appear misaligned, refer to the troubleshooting section.

## MAINTENANCE

---

Proper care will extend the life and appearance of your Virubi Sideboard Buffet Cabinet.

- **Cleaning:** For general cleaning, wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the ash veneer finish.
- **Spills:** Liquids should be immediately blotted with a clean, dry cloth to prevent staining or damage to the wood.
- **Hardware:** Hardware may loosen over time. Periodically check all connections (screws, hinges) to ensure they are tight. Do not over-tighten.
- **Sunlight:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration of the finish.
- **Heat and Moisture:** Keep the cabinet away from direct heat sources and areas of high humidity to prevent warping or damage.

## TROUBLESHOOTING

---

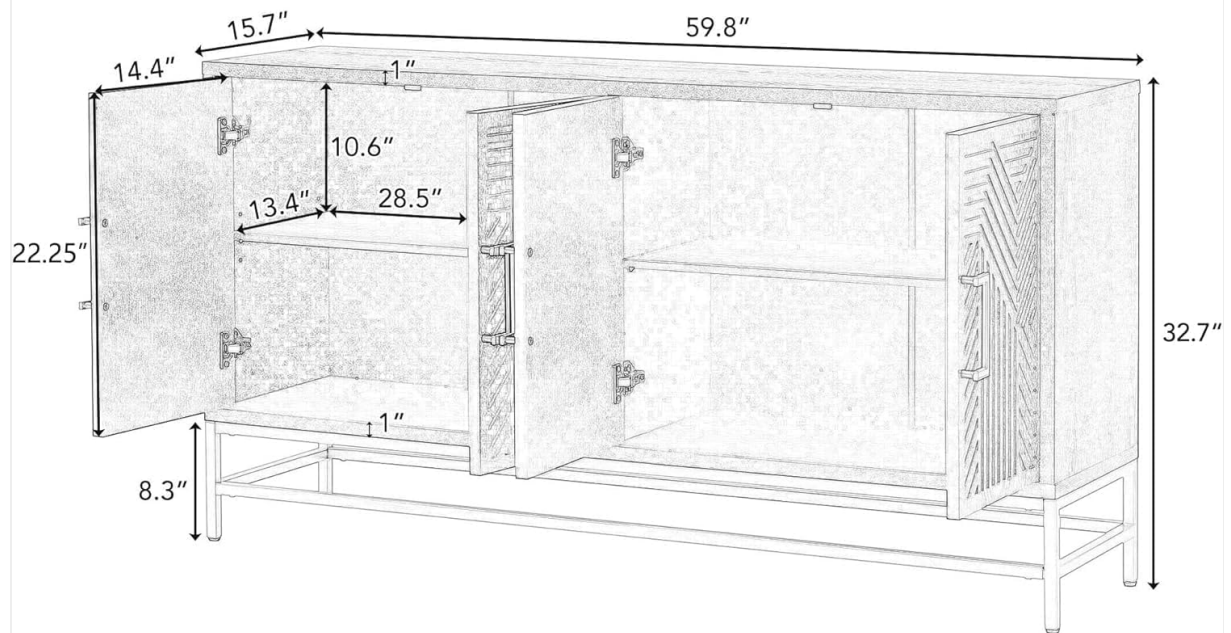

If you encounter issues with your cabinet, refer to the following common solutions:

- **Wobbly Cabinet:** Ensure all screws and fasteners are securely tightened. Check that the cabinet is placed on a level surface. Adjust leg levelers if present.
- **Doors Not Closing Properly or Overlapping:** This is often due to hinge adjustment. Loosen the hinge screws slightly, adjust the door position until it aligns correctly, and then re-tighten the screws. Avoid over-tightening.
- **Scratches on Surface:** Minor scratches can sometimes be touched up with a furniture repair marker matching the espresso finish. For deeper scratches, professional repair may be needed.
- **Difficulty Assembling:** Review the assembly instructions carefully. Ensure all parts are oriented correctly. If issues persist, contact customer support.

## SPECIFICATIONS

Feature	Detail
Model Number	N715P232695-2
Color	Espresso
Style	I (Mid-Century Modern)
Material	MDF with Ash Veneer (Tabletop), Metal (Legs & Door Handles)
Overall Dimensions	Approximately 59.8" L x 15.7" W x 32.7" H
