HOOBRO EBB122CJ01

HOOBRO EBB122CJ01 2-Tier Monitor Stand Instruction Manual

Model: EBB122CJ01

1. PRODUCT OVERVIEW

The HOOBRO EBB122CJ01 is a versatile 2-tier monitor stand designed to enhance your workspace ergonomics and organization. It elevates your computer screens to a comfortable viewing height, reducing neck and eye strain, while providing ample storage space for office essentials.

2. KEY FEATURES

- **Sturdy and Durable Construction:** Manufactured from quality engineered wood and robust metal legs, ensuring stability and long-term reliability. Anti-slip pads are included for secure placement on your desk surface.
- **Ergonomic Design:** Elevates your monitor(s) to an optimal viewing height, promoting a natural posture and reducing strain on your neck and eyes during extended use.
- **Dual Monitor Support:** Features a spacious top surface capable of accommodating two monitors up to 27 inches, ideal for multi-tasking and creating an organized dual-screen workstation.
- **Additional Storage Space:** The 2-tier design provides convenient storage underneath the top shelf for keyboards, mice, notebooks, and other office supplies, helping to keep your workspace clutter-free.
- **Easy Assembly:** All components are clearly numbered and come with a detailed, illustrated manual, allowing for quick and straightforward assembly without the need for complex tools.

3. PACKAGE CONTENTS

Please verify that all components listed below are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Top Shelf Panel (1x)
- Lower Shelf Panel (1x)
- Metal Support Legs (4x)
- Connecting Rods/Brackets (various)
- Assembly Screws and Dowels (various sizes)
- Hex Key / Allen Wrench (1x)
- Anti-slip Pads (4x)
- Instruction Manual (1x)

4. SETUP AND ASSEMBLY INSTRUCTIONS

Follow these steps carefully to assemble your HOOBRO EBB122CJ01 monitor stand. It is recommended to assemble the unit on a soft, clean surface to prevent scratches.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out. Check against the package contents list to ensure everything is present.
2. **Identify Parts:** Each part is numbered or labeled. Refer to the included instruction manual for a visual guide to each component.
3. **Assemble Frame:** Attach the metal support legs to the connecting rods/brackets using the provided screws. Do not overtighten screws until all parts are loosely fitted.
4. **Attach Shelves:** Secure the lower shelf panel to the assembled frame. Then, attach the top shelf panel. Ensure all panels are correctly oriented as per the manual.
5. **Tighten All Screws:** Once all components are in place, gradually tighten all screws until the stand is firm and stable.

Avoid overtightening to prevent damage.

6. **Apply Anti-slip Pads:** Attach the anti-slip pads to the bottom of the metal support legs to protect your desk surface and enhance stability.

5. OPERATING INSTRUCTIONS AND USAGE

Once assembled, the HOOBRO EBB122CJ01 monitor stand is ready for use. Follow these guidelines for optimal performance and ergonomic benefits:

- **Placement:** Position the monitor stand centrally on your desk. Ensure it is on a stable, level surface.
- **Monitor Placement:** Carefully place one or two monitors on the top shelf. Ensure the weight is evenly distributed and does not exceed the maximum load capacity (20 kg / 44 lbs).
- **Ergonomic Positioning:** Adjust your chair and monitor position so that the top of your screen is at or slightly below eye level. Your eyes should be approximately an arm's length from the screen.
- **Utilize Storage:** Use the lower shelf and the space beneath the stand to store your keyboard, mouse, laptop, notebooks, and other desk accessories to maintain a tidy workspace.

6. MAINTENANCE

To ensure the longevity and appearance of your monitor stand, follow these simple maintenance tips:

- **Cleaning:** Wipe the surfaces with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.
- **Check Connections:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary to maintain stability.
- **Avoid Overloading:** Do not exceed the maximum weight capacity of 20 kg (44 lbs) to prevent damage or instability.
- **Protect from Moisture:** Keep the stand away from excessive moisture or direct sunlight to prevent warping or discoloration of the engineered wood.

7. TROUBLESHOOTING

If you encounter any issues with your HOOBRO EBB122CJ01 monitor stand, refer to the following common solutions:

- **Stand is Wobbly:**

- Ensure all screws are fully tightened.
- Verify that the stand is placed on a flat, even surface.
- Check if the anti-slip pads are properly attached to all legs.

- **Missing Parts:**

- Double-check all packaging materials.
- Contact HOOBRO customer support with your purchase details for assistance.

- **Difficulty Assembling:**

- Review the instruction manual carefully, paying close attention to diagrams.
- Ensure parts are oriented correctly before tightening screws.
- Do not force parts together; if they don't fit, re-check the steps.

8. SPECIFICATIONS

Model Number	EBB122CJ01
Color	Black
Material	Engineered Wood, Metal
Item Weight	6.9 Kilograms
Dimensions (L x W x H)	100 x 24 x 19.5 centimeters (39.4 x 9.4 x 7.7 inches)
