## SONGMICS LGS124G101

# SONGMICS BELLAH 8-Drawer Dresser Instruction Manual

Model: LGS124G101 | Brand: SONGMICS

## INTRODUCTION

Welcome to your new SONGMICS BELLAH 8-Drawer Dresser. This manual provides essential information for the safe assembly, proper use, and maintenance of your new furniture. Please read these instructions carefully before assembly and retain them for future reference.

## SAFETY INFORMATION

- **Anti-Tipping Device:** Always install the included anti-tipping accessory to prevent accidental tipping, which can cause serious injury. Securely fasten the dresser to a wall as instructed.
- **Weight Limits:** Do not exceed the maximum load capacity. The top surface can hold up to 30 kg (66 lbs). Each drawer has a maximum load capacity of 5 kg (11 lbs). Overloading can compromise stability and cause damage.
- **Level Surface:** Ensure the dresser is placed on a flat, level surface to maintain stability. Use the adjustable feet to compensate for minor unevenness.
- **Children Safety:** Keep children away from the assembly area. Do not allow children to climb on or play with the dresser.
- **Assembly:** Follow all assembly steps precisely. If any parts are missing or damaged, do not proceed with assembly. Contact customer support.

## PACKAGE CONTENTS

---

Before beginning assembly, verify that all components listed below are present and undamaged. If anything is missing or broken, please contact customer service.

- 1 x Dresser (unassembled components)
- 1 x Anti-tipping accessory kit
- 1 x Instruction Manual (this document)
- 1 x Assembly tools bag

## SETUP AND ASSEMBLY

---

Assembly is required for this product. Please follow the detailed step-by-step instructions and diagrams provided in the separate assembly manual included in your package. Ensure you have adequate space and the necessary tools (usually included in the assembly tools bag).

### Key Assembly Points:

- **Frame Construction:** The dresser features a robust steel frame. Ensure all connections are tightened securely during assembly.
- **Drawer Assembly:** The fabric drawers are reinforced with MDF for durability. Assemble them according to the instructions to ensure they maintain their shape.
- **Adjustable Feet:** Once assembled, adjust the feet at the bottom of the dresser to ensure it stands stable and level on your floor.
- **Anti-Tipping Installation:** As a critical safety measure, install the anti-tipping device to secure the dresser to a wall. This prevents accidental tipping, especially important in households with children or pets.

## Robusto e durevole

Image: Robust construction details. Note the thick steel frame and anti-tipping block for enhanced safety.

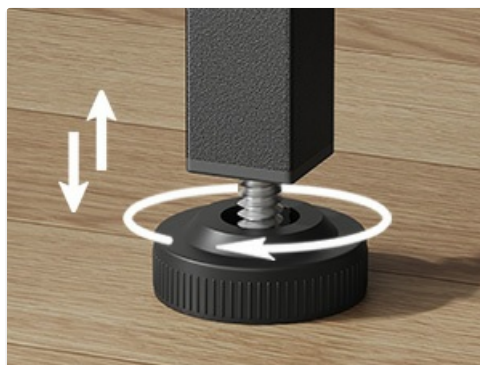

Image: Adjustable feet. Use these to stabilize the dresser on uneven floors.

## OPERATING INSTRUCTIONS

The SONGMICS BELLAH dresser is designed for organized storage in various rooms.

### Using the Drawers:

- Gently pull the handles to open the drawers. Push them back in until they are fully closed.
- Distribute weight evenly within each drawer to prevent strain on the fabric and frame.
- Do not overload drawers. Each drawer supports up to 5 kg (11 lbs).
- The top surface can be used for lamps, alarm clocks, or decorative items, but do not exceed 30 kg (66 lbs).

## MAINTENANCE

Proper care will extend the life and appearance of your dresser.

- **Cleaning:** Wipe the top surface and frame with a soft, damp cloth. Avoid using abrasive cleaners or harsh chemicals, as they can damage the finish. For fabric drawers, spot clean with a mild detergent and allow to air dry.
- **Spills:** Immediately wipe up any spills on the top surface to prevent water damage.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary. Verify that the anti-tipping device is still securely attached to both the dresser and the wall.

- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading or discoloration of the fabric drawers and top surface.

Image: Easy cleaning. The top surface is easy to wipe clean from spills.

## TROUBLESHOOTING

If you encounter any issues with your dresser, refer to the following common problems and solutions:

- **Dresser is Unstable/Wobbly:**  
*Solution:* Ensure the dresser is on a level surface. Adjust the leveling feet at the bottom of the frame until the dresser is stable. Check all frame screws and re-tighten if loose.
- **Drawers Do Not Slide Smoothly:**  
*Solution:* Ensure the drawers are correctly inserted into their slots. Check for any obstructions inside the drawer compartments. Verify that the drawers are not overloaded, as excessive weight can cause them to sag.
- **Missing Parts:**  
*Solution:* Double-check the package contents against the parts list in the assembly manual. If parts are genuinely missing, contact customer support for replacements.
- **Dresser Tipped Over:**  
*Solution:* If the dresser has tipped, immediately ensure no one is injured. Re-install the anti-tipping device securely to the wall and the dresser. Always ensure the anti-tipping device is properly installed before use.

## SPECIFICATIONS

Feature	Detail
Brand	SONGMICS
