GEBADOL GNT4632

GEBADOL GNT4632 Power Reclining Sofa Set User Manual

Model: GNT4632

1. PRODUCT OVERVIEW

The GEBADOL GNT4632 Power Reclining Sofa Set offers a comfortable and versatile seating solution for your living space. This set includes a power reclining sofa, loveseat, and chair, each featuring electric recline functionality, integrated LED lights, a storage console, and USB charging ports. The upholstery is made from breathable artificial leather, designed for durability and ease of maintenance.

2. SAFETY INFORMATION

- Ensure all components are securely assembled before use.
- Keep children and pets away from moving parts during operation.
- Do not place heavy objects on the footrest when it is extended.
- Avoid spilling liquids near electrical components and power outlets.
- Unplug the power cord from the wall outlet before cleaning or performing maintenance.
- Do not attempt to repair electrical components yourself. Contact qualified service personnel.

3. PACKAGE CONTENTS

Verify that all parts are present before beginning assembly. The GEBADOL GNT4632 Power Reclining Sofa Set includes the following components:

- 1 x Power Recliner Sofa
- 1 x Power Recliner Loveseat
- 1 x Power Recliner Chair
- Power Cords
- Assembly Hardware (typically stored in a zipper compartment under the seat)
- Instruction Manual

4. SETUP AND ASSEMBLY

Assembly of the GEBADOL GNT4632 Power Reclining Sofa Set is designed to be straightforward. All necessary parts and instructions are typically found in a zipper compartment located under the seat of each unit.

1. **Unpack Components:** Carefully remove all items from their packaging. Place them on a soft, clean surface to prevent scratches.
2. **Locate Hardware:** Open the zipper compartment under each seat to retrieve the assembly hardware and power cords.
3. **Attach Backrests:** Align the metal brackets on the backrest with the corresponding brackets on the base of the seat. Slide the backrest down firmly until it locks into place. Repeat for all units.
4. **Connect Power Cords:** Connect the power cord from each reclining unit to a wall outlet. Ensure the cords are not pinched or obstructed.
5. **Test Functionality:** Once assembled, test the reclining function and all electrical features (LED lights, USB ports) on each unit.

For a visual guide, refer to the assembly video provided by the manufacturer (if available via QR code or manufacturer website).

5. OPERATING INSTRUCTIONS

Your GEBADOL Power Reclining Sofa Set features electric recline, LED lights, a storage console, and USB charging ports for enhanced comfort and convenience.

5.1 Power Recline Function

- Locate the power control button, typically on the side of the armrest.
- Press and hold the forward button to extend the footrest and recline the backrest.
- Release the button at your desired reclining position (adjustable from 105° to 160°).
- Press and hold the backward button to return the unit to its upright position.

5.2 LED Lights and USB Ports

- The LED lights are typically controlled by a separate button near the power recline controls. Press to turn on/off.
- USB charging ports are integrated into the control panel. Connect your devices to charge them while relaxing.

5.3 Storage Console and Armrests

- The loveseat features a central storage console with cup holders. Lift the lid to access the storage compartment.
- Some armrests may also feature a flip-up design for additional hidden storage. Lift the armrest cover to access.

6. MAINTENANCE AND CARE

Proper care will extend the life and appearance of your GEBADOL Power Reclining Sofa Set.

- **Cleaning:** Spot clean only. Use a soft, damp cloth with mild soap for spills. Blot gently; do not rub. Test any cleaning solution on an inconspicuous area first.
- **Dusting:** Regularly dust the upholstery with a soft, dry cloth or a vacuum cleaner with a brush attachment.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading and cracking of the upholstery.
- **Keep Away from Heat Sources:** Do not place the furniture too close to radiators, fireplaces, or other heat sources.
- **Check Connections:** Periodically check all power connections and hardware for tightness.

7. TROUBLESHOOTING

| Problem | Possible Cause | Solution |
|--|---|---|
| Reclining function does not work. | Power cord unplugged or loose connection. No power to outlet. | Check if the power cord is securely plugged into the wall outlet and the unit. Test the outlet with another device. |
| LED lights or USB ports are not working. | Power issue or loose internal connection. | Ensure the main power is connected. Check for any visible loose wires. If the issue persists, contact customer support. |
| Footrest extends but does not retract fully. | Obstruction under the footrest. Mechanism issue. | Check for any objects obstructing the footrest mechanism. Do not force it. |
| Unusual noise during operation. | Loose hardware or mechanism friction. | Check and tighten any visible loose bolts. If noise persists, contact customer support. |
