Sitodier 2 in 1 Flower Bouquet Building Set

Model: KB7233 - Instruction Manual

1. INTRODUCTION

This manual provides comprehensive instructions for the assembly and care of your Sitodier 2 in 1 Flower Bouquet Building Set, Model KB7233. This set allows you to construct a bouquet featuring both black and blue roses, offering versatile display options.

The set includes 5 black roses and 5 blue roses, packaged in two separate gift boxes. These can be assembled into distinct black or blue rose bouquets, or combined to create a mixed arrangement.

The design of the blue and black rose building blocks aims to replicate the appearance of natural roses. The blue roses symbolize fantasy and new opportunities, while the black roses represent mystery and eternity, allowing for a unique and distinctive display.

2. SAFETY INFORMATION

- **Age Recommendation:** This product is not suitable for children under 6 years of age due to small parts.
- **Material Safety:** The building blocks are crafted from premium ABS plastic, which is non-toxic and features smooth edges. The materials have been tested and certified by professional laboratories to meet international toy safety standards.
- **Choking Hazard:** Keep small parts away from young children to prevent choking.

3. PACKAGE CONTENTS

Please verify that all components are present before beginning assembly:

- 5 x Black Rose Building Block Sets
- 5 x Blue Rose Building Block Sets
- 1 x Instruction Manual (this document)

- Approximately 400 individual building pieces

4. ASSEMBLY INSTRUCTIONS

The assembly process is designed to be straightforward and stress-free, with detailed, step-by-step instructions provided in color within the included manual. The entire set consists of approximately 400 pieces.

4.1 General Assembly Steps

1. Unpack all building block pieces and sort them by color and type to facilitate assembly.
2. Refer to the included color instruction manual for specific step-by-step guidance for each rose.
3. Carefully connect the pieces as indicated in the manual, ensuring a secure fit.
4. Repeat the process for each of the 10 roses (5 black, 5 blue).

4.2 Adjustable Features

Each rose is designed with adjustable elements to customize its appearance:

- **Budding or Bloomed:** The rose petals can be adjusted to represent either a budding or a fully bloomed flower.
- **Leaf Position:** The green leaves along the stem can be adjusted to your preferred angle and position.
- **Stem Length:** The stem sections can be connected or disconnected to adjust the overall length of the rose, allowing for various display heights.

This diagram illustrates the adjustable features of a single rose building block, including how to change the rose from a budding to a bloomed state, adjust the position of the leaves, and modify the stem length.

5. USAGE AND DISPLAY

Once assembled, the flower bouquet building set serves as a lasting decorative item that does not wilt. It can be displayed in various environments to enhance the aesthetic of a space.

- **Placement:** Suitable locations include dining rooms, studies, bedrooms, offices, or any area where a decorative accent is desired.
- **Arrangement:** The individual roses can be arranged in a vase (not included) as a single mixed bouquet, or separated into distinct black and blue arrangements.

6. MAINTENANCE

To maintain the appearance of your Sitodier Flower Bouquet Building Set, follow these simple maintenance guidelines:

- **Cleaning:** Dust the assembled roses regularly with a soft, dry cloth or a soft brush. For more thorough cleaning, wipe with a slightly damp cloth and then dry immediately. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** If disassembling for storage, keep all pieces in a secure container to prevent loss. Store in a cool, dry place away from direct sunlight to prevent material degradation or color fading.

7. TROUBLESHOOTING

Should you encounter any issues during assembly or use, consider the following common solutions:

- **Missing Pieces:** Double-check the packaging and surrounding area for any small pieces that may have been overlooked. If pieces are genuinely missing, please contact customer support.
- **Difficulty Connecting Pieces:** Ensure that pieces are correctly oriented according to the instruction manual. Apply gentle, even pressure. Avoid forcing pieces together, as this may cause damage.
- **Loose Connections:** If pieces feel loose, ensure they are fully pressed together. Sometimes a slight twist can help secure the connection.
